Accordingly, forward-looking statements should not be relied upon as a prediction of actual results. Moreover, we do not assume responsibility for the accuracy and completeness of those statements. The discussion and analysis contained in “Risk Factors” and other portions of this prospectus or the 2012 10-K and the 2013 First Quarter 10-Q may contain forward-looking statements and involve uncertainties that could cause actual results to differ materially from those projected in the forward-looking statements. This is a summary of material information contained elsewhere in this prospectus and incorporated by reference and is not complete and does not contain all of the information that may be important to you. Company Overview

We operate two of the most recognized brands in the global vehicle rental industry through Avis and Budget, and the world’s leading car sharing network, Zipcar. Avis is a leading rental car supplier positioned to serve the premium commercial and leisure segments of the travel industry and Budget is a leading rental car supplier focused primarily on more value-conscious segments of the industry. We are a leading vehicle rental operator in North America, Europe, Australia, New Zealand, and certain other regions we serve. We and our licensees operate the Avis, Budget and/or Zipcar brands in approximately 175 countries throughout the world. We generally maintain a leading share of airport car rental revenue in North America, Europe, Australia and New Zealand, and we operate one of the leading truck rental businesses in the United States.

Our car rental business enjoys significant benefits from operating two distinct brands that target different industry segments but share the same fleet, maintenance facilities, systems, technology and administrative infrastructure. We believe that Avis and Budget both enjoy complementary demand patterns with mid-week commercial demand balanced by weekend leisure demand. In 2012, we generated total revenues of \$7,357 million. The Avis, Budget and Budget Truck brands accounted for approximately 70%, 25% and 5% of our revenue, respectively, in 2012.

On average, our rental fleet totaled more than 496,000 vehicles and we completed more than 29 million vehicle rental transactions worldwide in 2012. In 2012, we derived approximately 71% of our \$5.3 billion in total car rental time and mileage revenue from on-airport locations and approximately 29% of our time and mileage revenue from off-airport locations, which we refer to as our local market business. We also license the use of the Avis and Budget trademarks to licensees in areas in which we do not operate directly. Our brands have an extended global reach with more than 10,000 car and truck rental locations throughout the world, including approximately 4,700 car rental locations operated by our licensees. We rent our fleet of approximately 27,000 Budget trucks through a network of approximately 1,700 dealer-operated and 350 Company-operated locations throughout the continental United States.

We categorize our operations in three reporting segments: North America, consisting of our Avis and Budget car rental operations in the United States, our Avis and Budget vehicle rental operations in Canada, and our Zipcar car sharing operations; International, consisting of our Avis and Budget vehicle rental operations in Europe, the Middle East, Asia, Africa, South America, Central America, the Caribbean, Australia and New Zealand; and Truck Rental, consisting of our Budget truck rental operations in the United States. In 2012:

- *North America.* Our North America segment generated approximately 86 million rental days and average time and mileage revenue per day of \$40.22 with an average rental fleet of approximately 329,000 vehicles;
- *International.* Our International segment generated approximately 36 million rental days and average time and mileage revenue per day of \$43.27 with an average rental fleet of approximately 140,000 vehicles; and

- *Truck Rental.* Our Truck Rental segment generated approximately 4 million rental days and average time and mileage revenue per day of \$71.64 with an average rental fleet of approximately 27,000 trucks.

In 2012, revenue increased as North American travel demand grew and our results included the results of Avis Europe for a full year compared to only part of the year in 2011. We focused on efforts to integrate our European operations and grow our brands globally. We continue to benefit from our cost-reduction efforts, including our Performance Excellence process improvement initiative, which has helped us generate more than \$300 million in annual cost savings and other benefits since the program was launched in 2007. As part of the expansion of the Company's global operations, we have expanded the program into Europe and Asia. We have achieved cost savings in numerous ways, including through:

- implementation of process improvements impacting virtually all areas of our business;
- reductions in operating and selling, general and administrative expenses, including significant reductions in staff, many of which were trimmed from fixed and semi-fixed overhead;
- a review of location, segment and customer profitability to identify and respond appropriately to unprofitable aspects of our businesses;
- targeted price increases and changes to our sales, marketing and affinity programs in order to improve revenue per day and overall profitability;
- reductions in fleet costs and further consolidation of purchasing programs;
- further consolidation of customer-facing and back-office functions and locations across our operations; and
- reduction in costs, primarily general and administrative expenses, as we integrate the operations of Avis Europe.

In 2012, we completed more than 29 million vehicle rental transactions worldwide. We retained approximately 98% of our existing commercial contracts and maintained, expanded or entered into marketing alliances with key marketing partners. In 2012, Avis was named North America's Leading Car Hire and Europe's Leading Business Car Hire by the World Travel Awards, and received other numerous awards. Avis was also again named the leading car rental company in customer loyalty by the Brand Keys Customer Loyalty Engagement Index for the 13th consecutive year.

In 2012, we maintained a diverse car rental fleet, in which no vehicle manufacturer represented more than 21% of our 2012 fleet purchases, and we continued to adjust our fleet levels to be consistent with demand. We continue to utilize sophisticated yield-management technology to optimize our pricing and fleet planning, and we continue to analyze and streamline our operations to gain efficiencies. In addition, our approximately 29,000 employees worldwide continue to provide reliable, high-quality vehicle rental services that foster customer satisfaction and customer loyalty.

Zipcar Overview and Strategy

In March 2013, the Company completed its acquisition of Zipcar, the leading car sharing network. The acquisition increases the Company's growth potential and its ability to better serve a greater variety of customer transportation needs.

Founded in 2000, Zipcar operates a membership-based car sharing business with over 790,000 members, also known as "Zipsters," in more than 20 major metropolitan areas and on more than 300 college campuses in the United States, Canada, the United Kingdom, Spain and Austria. Zipcar provides its members self-service

vehicles in conveniently located reserved parking spaces in the neighborhoods where they live and work. Its members may reserve cars by the hour or by the day through its reservation system, which is available by phone, Internet or wireless mobile devices. Once the vehicle is reserved, a member unlocks the vehicle with his or her keyless entry card (called a “Zipcard”) and drives away. Zipcar’s all-inclusive rates include gas, insurance and other costs associated with car ownership so its members can easily estimate the total cost of their trips. Members can choose the make, model, type and even the color of the Zipcar they want depending on their specific needs and desires for each trip and the available Zipcars in their neighborhood. Upon returning the Zipcar, the member locks the vehicle and walks away. We believe Zipcar provides its members a convenient, cost-effective and enjoyable alternative to car ownership.

Zipcar Business Strategy

We intend to aggressively pursue the following strategies to grow our Zipcar business:

Increase Awareness and Adoption in Existing Markets. We plan to expand our Zipcar membership base through a combination of awareness campaigns, including advertising, member referrals, community events, search engine marketing, public relations and online banner advertising. We also plan to increase our Zipcar membership base by expanding the number of businesses, government agencies and universities that Zipcar serves within its existing markets, as well as new markets where the Company’s existing car rental presence will help enable the introduction of Zipcar’s car sharing services. We expect Zipcar to continue to expand its relationships with businesses, governments and affinity groups, including by leveraging the Company’s existing relationships, to expand awareness and usage of Zipcar’s car sharing services.

Expand into New Markets. We plan to continue and to accelerate the expansion of Zipcar into new international and domestic markets both organically and through efforts enabled by the Company’s pre-existing operations. Zipcar’s market expansion strategy is based on its experience and expertise in identifying and expanding into attractive new markets that can support car sharing. Zipcar has historically expanded its operations in the United States and Europe through a combination of organic growth and acquisitions. We plan to add new cities to the Zipcar network, through continued organic growth as well as potentially through acquisitions and/or joint ventures or licensing relationships, in the future.

Leverage Zipcar’s Network to Broaden Relationships with Members. Zipcar members are critical to Zipcar’s success and we believe that continuously improving the member experience translates into longer and more active member relationships. Zipcar has embarked on numerous customer-based initiatives to enhance the Zipcar experience for members and we will continue to seek ways to leverage the Zipcar network in order to broaden Zipcar’s product and service offerings and to provide members with personalized and localized mobility services for urban and university lifestyles. In addition, new mobility models and technologies, including peer-to-peer, station-less and one-way car sharing, ridesharing and smart parking are complementary to Zipcar’s car sharing services. We view the growth of the mobility category as an opportunity to exploit the network effects and business synergies that Zipcar can bring to the broader mobility space.

Achieve Significant Synergies. We expect to achieve significant synergies within the first two years of our acquisition of Zipcar based on numerous opportunities that we have identified in the areas of cost reductions, enhanced fleet utilization and revenue growth. We plan to reduce Zipcar’s costs as a percentage of revenue through refinements and reductions in a number of areas, including fleet financing costs, fleet maintenance costs and other operating, general and administrative expenses. We also plan for Zipcar to realize significant fleet utilization benefits and savings by combining our car rental and car-sharing fleets at times to reduce the number of under-utilized Zipcars during the week and to better satisfy Zipcar’s unmet weekend demand. In the area of revenue growth, we plan to expand Zipcar’s product offerings, increasing its number of downtown locations, offering one-way usage of Zipcars at airports, and expanding Zipcar’s business members and partnership opportunities through its well-established corporate and affinity relationships.

Business Strategy

For 2013, our objective is to focus on growing our business profitably, strengthening our position as a leading global provider of vehicle rental services, continuing to enhance the quality of vehicle rental services we provide to customers, and maintaining and enhancing efficiencies achieved through process improvement and other actions. We expect to achieve our goals by focusing our efforts on the following core strategic initiatives:

- **Growing Profitably.** We plan to continue and pursue numerous opportunities intended to increase our revenues and make positive contributions to our earnings. For instance, we plan to continue to focus on promoting car class upgrades, adjusting our mix of vehicles to match customer demand, growing our rentals to small-business and international travelers, increasing the number of rentals which are booked through our own websites, increasing the proportion of transactions in which customers prepay us and expanding our ancillary revenues derived from offering additional products and services to on- and off-airport customers. We believe these efforts will each not only generate incremental revenue, but also add to profitability. Opportunities for ancillary revenue growth include adding sales of insurance coverages, loss damage waivers and other ancillary products and services, such as electronic toll collection services, roadside safety protection and portable GPS navigation products, to the rental transactions of an increasing percentage of our renters. We also plan to continue our focus on yield management and pricing optimization and seek to increase the time and mileage rental fees we earn per rental day. We have implemented technology, and will be adding additional systems, that strengthen our yield management and that enable us to tailor our product/price offerings to specific customer segments. We expect to continue to adjust our pricing to bolster profitability and match changes in demand.
- **Strengthening Our Global Position.** While we currently operate, either directly or through licensees, in approximately 175 countries around the world and we significantly expanded our international operations with our October 2011 acquisition of Avis Europe, we plan to further expand our global footprint going forward. In countries where we operate corporate-owned stores, we will identify opportunities to add new rental locations, to grant licenses to independent third parties for regions where we do not currently operate and do not wish to operate directly, to strengthen the presence of the Avis or Budget brand (including by dual-branding locations), as applicable, and to re-acquire previously granted license rights in certain cases. In countries operated by licensees, including our joint ventures in China and India, we will seek to ensure that our licensees are well positioned to realize the growth potential of our brands in those countries and are aggressively growing their presence in those markets, and we expect to consider the re-acquisition of previously granted license rights in certain cases.
- **Enhancing Customers' Rental Experience.** We plan to intensify our efforts to build customer loyalty and reduce customer acquisition costs through our *Customer Led, Service Driven*TM program that is intended to enhance our customers' rental experience. Following an extensive review of the ways, places and occasions in which our brands, our systems and our employees interact with customers and potential customers, we have begun to implement actions that we expect will improve the service we provide at these customer "touchpoints." For example, in 2012, we launched *Avis Preferred Select & Go*TM, a vehicle-choice program for customers, revised our rental agreements and receipts to improve transparency, and significantly expanded customer-service-oriented training of our employees, and we achieved significant increases in customer satisfaction. We expect to continue to invest in these efforts in 2013.
- **Controlling Costs and Promoting Efficiencies.** We have continued our efforts to rigorously control costs. We have taken aggressive action to reduce expenses throughout the organization, and we eliminated or reduced significant costs through the integration of Avis Europe in 2012. In addition, we continue to develop and implement our Performance Excellence process improvement initiative to

increase efficiencies, reduce operating costs and create sustainable cost savings using LEAN, Six Sigma and other tools. This initiative, which we have expanded to cover our operations in Europe and Asia, has generated substantial savings since its implementation and should continue to provide incremental benefits in 2013. We have also implemented technology solutions, including self-service voice reservation technology and fleet optimization technologies, to reduce costs, and we will continue to pursue innovative solutions to support our strategic initiatives. We believe such steps will continue to aid our financial performance.

In executing our strategy, we plan to continue to position our two distinct and well-recognized brands to focus on different segments of customer demand. With Avis as a premium brand preferred more by corporate and upscale leisure travelers, and Budget as a mid-tier brand preferred more by value-conscious travelers, we believe we are able to target a broad range of demand, particularly since the two brands share the same operational and administrative infrastructure while providing differentiated though consistently high levels of customer service. We aim to provide products, service and pricing, to use various marketing channels and to maintain marketing affiliations and corporate account contracts which complement each brand's positioning. In 2013, we plan to continue to invest in our brands through a variety of efforts, including television commercials, print advertisements and on-line and off-line marketing. We see particular growth opportunities in Europe for Budget, as Budget's share of airport car rentals is significantly smaller in Europe than in other parts of the world.

Company History

Avis Budget Group is a Delaware corporation headquartered in Parsippany, New Jersey, whose operations consist of two of the most recognized brands in the global vehicle rental industry, through Avis Budget Car Rental, the parent of Avis Rent A Car System, LLC, Budget Rent A Car System, Inc. and Budget Truck Rental, LLC, and the world's leading car sharing network, Zipcar. Avis Rent A Car System, LLC and Budget Rent A Car System, Inc. also do business as Avis Car Rental and Budget Car Rental, respectively.

Founded in 1946, Avis is believed to be the first company to rent cars from airport locations. Avis expanded its geographic reach throughout the United States through licensed and corporate-owned growth in the 1950s and 1960s. In 1963, Avis introduced its award winning "*We try harder*[®]" advertising campaign, which is considered to be one of the top ten advertising campaigns of the 20th century by Advertising Age magazine. Avis possesses a long history of innovation in its business, including the Wizard system, which is a well established and continually updated information-technology system that is the backbone of our operations. Budget was founded in 1958 as a car rental company for the value-conscious vehicle rental customer and grew its business rapidly during the 1960s, expanding its rental car offerings throughout North America and significantly expanding its Budget truck rental business in the 1990s.

Our predecessor company was formed in 1974, and in 1997 merged with HFS Incorporated, and the combined company was renamed Cendant Corporation ("Cendant"). HFS Incorporated had acquired the Avis brand in 1996. Cendant acquired Avis' capital stock in 2001 and the Budget brand and substantially all of the domestic and certain international assets of Budget's predecessor in 2002. In 2006, Cendant completed a separation into four separate companies (the "Separation"): Realogy Corporation, Wyndham Worldwide Corporation, Travelport, Inc. and Cendant (now Avis Budget Group, Inc.). In October 2011, we expanded our international operations with the acquisition of Avis Europe, which was previously an independently-owned licensee operating the Avis and Budget brands in Europe, the Middle East and Africa, and the Avis brand in Asia. Upon completion of the acquisition of Avis Europe, the Avis and Budget brands were globally re-united under a single company, making Avis Budget Group one of the largest vehicle rental companies in the world. In 2013, we completed our acquisition of Zipcar, Inc., the world's leading car sharing network with more than 777,000 members. Our common stock currently trades on the NASDAQ Global Select Market under the symbol "CAR."

Change of control offer

Upon the occurrence of specific kinds of changes of control, you will have the right, as holders of the 2023 Exchange Notes, to cause us to repurchase some or all of your 2023 Exchange Notes at 101% of their face amount, plus accrued and unpaid interest to the repurchase date. See “Description of 2023 Exchange Notes—Change of control.”

Asset sale offers

If we or our restricted subsidiaries sell assets following the issue date, under certain circumstances, we will be required to use the net proceeds to make an offer to purchase 2023 Exchange Notes at an offer price in cash in an amount equal to 100% of the principal amount of the 2023 Exchange Notes plus accrued and unpaid interest to the repurchase date. See “Description of 2023 Exchange Notes—Certain covenants—Limitation on sales of assets and subsidiary stock.”

Certain covenants

The 2023 Indenture governing the notes (including the 2023 Exchange Notes) contains covenants that, among other things, limit our ability and the ability of our restricted subsidiaries to:

- incur additional indebtedness or issue certain preferred membership interests;
- pay dividends on or make other distributions in respect of equity interests or make other restricted payments;
- create liens on certain assets to secure debt;
- make certain investments;
- sell certain assets;
- agree to certain restrictions on the ability of our restricted subsidiaries to make payments to the issuers;
- consolidate, merge, sell or otherwise dispose of all or substantially all of our assets;
- enter into transactions with our affiliates; and
- designate our subsidiaries as unrestricted subsidiaries.

These covenants are subject to a number of important limitations and exceptions. See “Description of 2023 Exchange Notes—Certain covenants.”

No prior market

The 2023 Exchange Notes will be new securities for which there is currently no market. We cannot assure you that a liquid market for the 2023 Exchange Notes will develop or be maintained.

Risk Factors

You should consider carefully all of the information set forth in this prospectus and, in particular, should evaluate the specific factors set forth in the section entitled “Risk Factors” for an explanation of certain risks of investing in the 2023 Exchange Notes. For a description of risks related to our industry and business, you should also evaluate the specific risk factors set forth in the section entitled “Risk Factors” in the 2012 10-K and the 2013 First Quarter 10-Q.

RISK FACTORS

Participating in the exchange offers is subject to a number of risks. You should carefully consider the following risk factors as well as the other information and data included in, and incorporated by reference in, this prospectus prior to participating in the exchange offers. The risks described below are not the only risks we face. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial may also materially and adversely affect our business, cash flows, financial condition or results of operations. Any of the following risks could materially and adversely affect our business, cash flows, financial condition or results of operations. In such case, you may lose all or part of your original investment in your notes. Along with the risks and uncertainties described below, you should carefully consider the risks and uncertainties described in the section entitled “Risk Factors” in the 2012 10-K and the 2013 First Quarter 10-Q and the section entitled “Liquidity risk” in the 2012 10-K and the 2013 First Quarter 10-Q, which are incorporated by reference into this prospectus.

Risks related to the exchange offers and holding the Exchange Notes

We have a substantial amount of debt, which could impair our financial condition and prevent us from fulfilling our obligations under the notes.

We have, and upon consummation of these exchange offers, we will continue to have, a significant amount of indebtedness. As of March 31, 2013, ABCR, Avis Budget Holdings, LLC and certain of its subsidiaries, together with a syndicate of lenders, including affiliates of each initial purchaser, are parties to a senior credit agreement consisting of a \$48 million secured term loan maturing in 2016, a \$900 million secured term loan maturing in 2019 and a \$1.5 billion secured revolving credit facility maturing in 2016 (as amended to date, the “Senior Credit Facilities”). As of March 31, 2013, we had approximately \$10.8 billion of total indebtedness and approximately \$750 million of available letter of credit and borrowing capacity, under the Senior Credit Facilities. Our substantial level of indebtedness increases the risk that we may be unable to generate cash sufficient to pay amounts due in respect of our indebtedness. Our substantial indebtedness could have other important consequences to you and significant effects on our business.

For example, it could:

- make it more difficult for us to satisfy our obligations with respect to the notes;
- limit our ability to borrow additional amounts to fund working capital, capital expenditures, debt service requirements, execution of our business strategy, or acquisitions and other purposes;
- require us to dedicate a substantial portion of our cash flow from operations to pay principal and interest on our debt, which would reduce the funds available to us for other purposes;
- make us more vulnerable to adverse changes in general economic, industry and competitive conditions, as well as in government regulation to our business;
- expose us to risks inherent in interest rate fluctuations because some of our borrowings are at variable rates of interest, which could result in higher interest expenses in the event of increases in interest rates; and
- make it more difficult to satisfy our financial obligations, including payments on the notes.

Our ability to satisfy and manage our debt obligations depends on our ability to generate cash flow and on overall financial market conditions. To some extent, this is subject to prevailing economic and competitive conditions and to certain financial, business and other factors, many of which are beyond our control. Our business may not generate sufficient cash flow from operations to permit us to pay principal, premium, if any, and interest on our debt obligations. If we are unable to generate sufficient cash flow from operations to service our debt obligations and meet our other cash needs, we may be forced to reduce or delay capital expenditures, sell or curtail assets or operations, seek additional capital, or seek to restructure or refinance our indebtedness. If we must sell or curtail our assets or operations, it may negatively affect our ability to generate revenue.

Despite our current indebtedness levels, we may still be able to incur substantially more debt. This could further exacerbate the risks associated with our substantial indebtedness.

The agreement governing our Senior Credit Facilities, the Indentures and the indentures governing our other senior unsecured notes limit, but do not prohibit us from incurring additional indebtedness in the future. The indentures governing our other outstanding notes, the Senior Credit Facilities and the agreements governing certain of our other outstanding indebtedness also allow us to incur certain additional secured debt and allow our subsidiaries to incur additional debt, which would be structurally senior to the notes. In addition, each of the indentures governing our other outstanding notes and the Indentures allow us to issue additional notes under certain circumstances which will also be guaranteed by the guarantors. For an additional description of our existing indebtedness see Notes 14 and 15 in the Notes to Consolidated Financial Statements contained in the 2012 10-K and Notes 11 and 12 in the Notes to Consolidated Condensed Financial Statements in the 2013 First Quarter 10-Q, incorporated by reference herein. As of March 31, 2013, the Senior Credit Facilities provided us with aggregate capacity of up to \$1.5 billion, \$750 million of which remained available for borrowings. All of those borrowings would be secured and the lenders under the Senior Credit Facilities would have a prior claim to the assets that secure such indebtedness. In addition, neither the Indentures nor the Senior Credit Facilities prohibit us from incurring obligations that do not constitute indebtedness as defined therein. See “Description of 2017 Exchange Notes” and “Description of 2023 Exchange Notes.” If we incur new debt or other obligations, the risk associated with substantial additional indebtedness described above, including our possible inability to service our debt, will increase.

The Indentures also contain, and the agreements evidencing or governing other future indebtedness may contain, restrictive covenants that will limit our ability to engage in activities that may be in our long-term best interests. Our failure to comply with those covenants could result in an event of default which, if not cured or waived, could result in the acceleration of all of our indebtedness.

We may not be able to generate sufficient cash to service all of our indebtedness, including the notes, and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

Our ability to make scheduled payments on or to refinance our debt obligations, including the notes, depends on our financial condition and operating performance, which are subject to prevailing economic and competitive conditions and to certain financial, business, legislative, regulatory and other factors beyond our control. We may be unable to maintain a level of cash flows from operating activities sufficient to permit us to fund our day-to-day operations or to pay the principal, premium, if any, and interest on our indebtedness, including the notes.

If our cash flows and capital resources are insufficient to fund our debt service obligations, we could face substantial liquidity problems and could be forced to reduce or delay investments and capital expenditures or to sell assets or operations, seek additional capital or restructure or refinance our indebtedness, including the notes. We may not be able to effect any such alternative measures, if necessary, on commercially reasonable terms or at all and, even if successful, such alternative actions may not allow us to meet our scheduled debt service obligations. The Senior Credit Facilities, the Indentures, the indentures governing our other outstanding notes and the agreements governing certain of our other outstanding indebtedness restrict our ability to dispose of assets and use the proceeds from any such dispositions and may also restrict our ability to raise debt or equity capital to be used to repay other indebtedness when it becomes due. We may not be able to consummate those dispositions or to obtain proceeds in an amount sufficient to meet any debt service obligations then due. See the sections titled “Description of 2017 Exchange Notes” and “Description of 2023 Exchange Notes.”

In addition, we conduct our operations through our subsidiaries, certain of which, including our subsidiaries organized to raise vehicle debt, will not be guarantors of the notes or our other indebtedness. Accordingly, repayment of our indebtedness, including the notes, is dependent on the generation of cash flow by our subsidiaries and their ability to make such cash available to us, by dividend, debt repayment or otherwise. Unless

[Table of Contents](#)

they are guarantors of the notes, our subsidiaries do not have any obligation to pay amounts due on the notes or to make funds available for that purpose. Our subsidiaries may not be able to, or may not be permitted to, make distributions to enable us to make payments in respect of our indebtedness, including the notes. Each subsidiary is a distinct legal entity and, under certain circumstances, legal and contractual restrictions may limit our ability to obtain cash from our subsidiaries. Although the Senior Credit Facilities, the Indentures, the indentures governing our other outstanding notes and the agreements governing certain of our other outstanding indebtedness limit the ability of certain of our subsidiaries to incur consensual restrictions on their ability to pay dividends or make other intercompany payments to us, these limitations are subject to certain qualifications and exceptions. In the event that we do not receive distributions from our subsidiaries, we may be unable to make required principal and interest payments on our indebtedness, including the notes.

Our inability to generate sufficient cash flows to satisfy our debt obligations, or to refinance our indebtedness on commercially reasonable terms or at all, would materially and adversely affect our financial position and results of operations and our ability to satisfy our obligations under the notes.

If we cannot make scheduled payments on our debt, we will be in default and, as a result, holders of notes and holders of our other outstanding notes could declare all outstanding principal and interest to be due and payable, the lenders under the Senior Credit Facilities could terminate their commitments to loan money, our secured lenders could foreclose against the assets securing such borrowings and we could be forced into bankruptcy or liquidation, in each case, which could result in you losing your investment in the notes.

Restrictive covenants in the Indentures may limit our current and future operations, particularly our ability to respond to changes in our business or to pursue our business strategies.

The terms contained in certain of our indebtedness, including the Senior Credit Facilities, the Indentures, the indentures governing our other outstanding notes and the agreements governing certain of our other outstanding indebtedness include, and any future indebtedness of ours may include, a number of restrictive covenants that impose significant operating and financial restrictions, including restrictions on our ability to take actions that we believe may be in our interest. These agreements, among other things, limit our ability to:

- incur additional debt;
- provide guarantees in respect of obligations of other persons;
- issue redeemable stock and preferred stock;
- pay dividends or distributions or redeem or repurchase capital stock;
- prepay, redeem or repurchase debt;
- make loans, investments and capital expenditures;
- enter into transactions with affiliates;
- create or incur liens;
- make distributions from our subsidiaries;
- sell assets and capital stock of our subsidiaries;
- make acquisitions; and
- consolidate or merge with or into, or sell substantially all of our assets to, another person.

You should read the discussions under the headings “Description of 2017 Exchange Notes—Certain covenants” and “Description of 2023 Exchange Notes—Certain covenants” for further information about these covenants. A breach of the covenants or restrictions under the Indentures or other agreements could result in a default under the applicable indebtedness. Such default may allow the creditors to accelerate the related debt and

[Table of Contents](#)

may result in the acceleration of any other debt to which a cross-acceleration or cross-default provision applies. In the event our lenders and noteholders accelerate the repayment of our borrowings, we cannot assure that we and our subsidiaries would have sufficient assets to repay such indebtedness.

The restrictions contained in the Indentures and the agreements governing our other indebtedness could adversely affect our ability to:

- finance our operations;
- make needed capital expenditures;
- make strategic acquisitions or investments or enter into alliances;
- withstand a future downturn in our business or the economy in general;
- engage in business activities, including future opportunities, that may be in our interest; and
- plan for or react to market conditions or otherwise execute our business strategies.

Our financial results, our substantial indebtedness and our credit ratings could adversely affect the availability and terms of future financing.

Your right to receive payments on the notes is effectively subordinated to the right of lenders who have a security interest in our assets to the extent of the value of those assets.

Our obligations under the notes and the guarantors' obligations under their guarantees of the notes will be unsecured, but our obligations under the Senior Credit Facilities and each guarantor's obligations under the Senior Credit Facilities is secured by a security interest in substantially all of ABCR's and the guarantors' assets. We and the guarantors may incur additional secured indebtedness in the future in amounts which may be substantial. If we are declared bankrupt or insolvent, or if we default under the Senior Credit Facilities, the funds borrowed thereunder, together with accrued interest, could become immediately due and payable. If we were unable to repay such indebtedness, the lenders under the Senior Credit Facilities could foreclose on the pledged assets to the exclusion of holders of the notes, even if an event of default exists under either of the Indentures at such time. Furthermore, if the lenders foreclose and sell the pledged equity interests in any guarantor in a transaction permitted under the terms of the Indentures, then such guarantor will be released from its guarantee of the notes automatically and immediately upon such sale. In any such event, because the notes are not secured by any of such assets or by the equity interests in any such guarantor, it is possible that there would be no assets from which your claims could be satisfied or, if any assets existed, they might be insufficient to satisfy your claims in full.

Not all of our subsidiaries are guarantors and therefore the notes will be structurally subordinated in right of payment to the indebtedness and other liabilities of our existing and future subsidiaries that do not guarantee the notes. Your right to receive payments on the notes could be adversely affected if any of these non-guarantor subsidiaries declare bankruptcy, liquidate or reorganize.

The guarantors will include Avis Budget Group, Avis Budget Holdings and our subsidiaries that guarantee our obligations under the Senior Credit Facilities. None of our foreign subsidiaries will guarantee the notes. Certain of ABCR's vehicles in its rental fleet are owned by unrestricted subsidiaries and these subsidiaries, as well as certain other subsidiaries, will also not guarantee the notes.

The notes and guarantees will be structurally subordinated to all of the liabilities of any of the issuers' subsidiaries that do not guarantee the notes and would be required to be paid before the holders of the notes have a claim, if any, against those subsidiaries and their assets. Therefore, if there was a dissolution, bankruptcy, liquidation or reorganization of any such subsidiary, the holders of notes would not receive any amounts with respect to the notes from the assets of such subsidiary until after the payment in full of the claims of creditors, including trade creditors and preferred stockholders, of such subsidiary.

[Table of Contents](#)

In addition, the equity interests of other equity holders in any non-guarantor subsidiary in any dividend or other distribution made by these entities would need to be satisfied on a proportionate basis with us. These less than wholly-owned subsidiaries may also be subject to restrictions on their ability to distribute cash to us in their financing or other agreements and, as a result, we may not be able to access their cash flow to service our debt obligations, including in respect of the notes.

Our non-guarantor subsidiaries accounted for approximately \$3.9 billion of our total revenues for the year ended December 31, 2012, excluding certain expenses relating to AESOP Leasing Company and equity in earnings eliminations. As of March 31, 2013, our non-guarantor subsidiaries accounted for approximately \$13.1 billion of our total assets excluding certain intercompany balances and equity eliminations, and approximately \$8.1 billion of our total liabilities, excluding certain intercompany balances, and equity eliminations. See Note 22 in the Notes to Consolidated Condensed Financial Statements contained in the 2012 10-K and Note 17 in the Notes to Consolidated Condensed Financial Statements contained in the 2013 First Quarter 10-Q.

Our ability to meet our obligations under our debt, in part, depends on the earnings and cash flows of our subsidiaries and the ability of our subsidiaries to pay dividends or advance or repay funds to us.

We conduct a significant portion of our business operations through our subsidiaries. In servicing payments to be made on the notes, we will rely, in part, on cash flows from these subsidiaries, mainly dividend payments. The ability of these subsidiaries to make dividend payments to us will be affected by, among other factors, the obligations of these entities to their creditors, requirements of corporate and other law, and restrictions contained in agreements entered into by or relating to these entities. In addition, our foreign subsidiaries may be subject to currency controls, repatriation restrictions, withholding obligations on payments to us and other limits.

Avis Finance has no assets or operations and you should not rely upon Avis Finance to make payments on the notes.

Federal and state fraudulent transfer laws may permit a court to void the notes and/or the note guarantees and, if that occurs, you may not receive any payments on the notes.

Federal and state fraudulent transfer and conveyance statutes may apply to the issuance of the notes and the incurrence of the guarantees of such notes. Under federal bankruptcy law and comparable provisions of state fraudulent transfer or conveyance laws, which may vary from state to state, the notes or the note guarantees thereof could be voided as a fraudulent transfer or conveyance if we or any of the guarantors, as applicable, (a) issued the notes or incurred the note guarantees with the intent of hindering, delaying or defrauding creditors, or (b) received less than reasonably equivalent value or fair consideration in return for either issuing the notes or incurring the note guarantees and, in the case of (b) only, one of the following is also true at the time thereof:

- we or any of the guarantors, as applicable, were insolvent or rendered insolvent by reason of the issuance of the notes or the incurrence of the note guarantees;
- the issuance of the notes or the incurrence of the note guarantees left us or any of the guarantors, as applicable, with an unreasonably small amount of capital or assets to carry on the business;
- we or any of the guarantors intended to, or believed that we or such guarantor would, incur debts beyond our or such guarantor's ability to pay as they mature; or
- we or any of the guarantors were a defendant in an action for money damages, or had a judgment for money damages docketed against us or such guarantor if, in either case, after final judgment, the judgment is unsatisfied.

As a general matter, value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or a valid antecedent debt is secured or satisfied. A court would likely find that a guarantor did not receive reasonably equivalent value or fair consideration for its note guarantee, to the extent such guarantor did not obtain a reasonably equivalent benefit directly or indirectly from the issuance of the notes.

[Table of Contents](#)

We cannot be certain as to the standards a court would use to determine whether or not we or the guarantors were insolvent at the relevant time or, regardless of the standard that a court uses, whether the notes or the note guarantees would be subordinated to our or any of our guarantors' other debt. In general, however, a court would deem an entity insolvent if:

- the sum of its debts, including contingent and unliquidated liabilities, was greater than the fair saleable value of all of its assets;
- the present fair saleable value of its assets was less than the amount that would be required to pay its probable liability on its existing debts, including contingent liabilities, as they become absolute and mature; or
- it could not pay its debts as they became due.

If a court were to find that the issuance of the notes or the incurrence of a note guarantee was a fraudulent transfer or conveyance, the court could void the payment obligations under the notes or such note guarantee or subordinate the notes or such note guarantee to presently existing and future indebtedness of ours or of the related guarantor, or require the holders of notes to repay any amounts received with respect to such note guarantee. In the event of a finding that a fraudulent transfer or conveyance occurred, you may not receive any repayment on the notes. Further, the avoidance of the notes could result in an event of default with respect to our and our subsidiaries' other debt that could result in acceleration of such debt.

Finally, as a court of equity, the bankruptcy court may subordinate the claims in respect of the notes to other claims against us under the principle of equitable subordination, if the court determines that: (i) the holder of notes engaged in some type of inequitable conduct; (ii) such inequitable conduct resulted in injury to our other creditors or conferred an unfair advantage upon the holder of notes; and (iii) equitable subordination is not inconsistent with the provisions of title 11 of the United States Code, as amended.

We may be unable to repurchase the notes upon a change of control or asset sale.

Upon the occurrence of specified kinds of change of control events, holders of the notes will have the right to require us to repurchase all or any part of their outstanding notes at a price equal to 101% of the principal amount of the notes, together with accrued and unpaid interest, if any, to the date of repurchase. Similarly, under certain circumstances, we may be required to make an offer to repurchase notes if we make certain asset sales.

However, it is possible that we will not have sufficient funds when required under the Indentures to make the required repurchase of the notes. If we fail to repurchase notes in that circumstance, we will be in default under the Indentures. If we are required to repurchase a significant portion of the notes, we may require third-party financing. We cannot be sure that we would be able to obtain third-party financing on acceptable terms, or at all.

One of the circumstances under which a change of control may occur is upon the sale or disposition of all or substantially all of our assets. However, the phrase "all or substantially all" will likely be interpreted under applicable state law and will be dependent upon particular facts and circumstances. As a result, there may be a degree of uncertainty in ascertaining whether a sale or disposition of "all or substantially all" of our capital stock, membership interests or assets has occurred, in which case, the ability of a holder of the notes to obtain the benefit of an offer to repurchase all or a portion of the notes held by such holder may be impaired.

The agreements governing our other indebtedness, including future agreements, may contain prohibitions of certain events, including events that would constitute a change of control or an asset sale and including repurchases of or other prepayments in respect of the notes. For example, the occurrence of a change of control would constitute a default under the Senior Credit Facilities. The exercise by the holders of notes of their right to require us to repurchase the notes pursuant to a change of control offer or an asset sale offer could cause a default

[Table of Contents](#)

under these other agreements, even if the change of control or asset sale, if applicable, itself does not, due to the financial effect of such repurchases on us. In the event a change of control offer or an asset sale offer is required to be made at a time when we are prohibited from purchasing notes, we could attempt to refinance the borrowings that contain such prohibition. If we do not obtain a consent or repay those borrowings, we will remain prohibited from purchasing notes. In that case, our failure to purchase tendered notes would constitute an event of default under the Indentures which could, in turn, constitute a default under our other indebtedness. Finally, our ability to pay cash to the holders of notes upon a repurchase may be limited by our then existing financial resources.

There is no established trading market for the notes and there is no guarantee that an active trading market for the notes will develop. You may not be able to sell the notes readily or at all or at or above the price that you paid.

The Exchange Notes are a new issue of securities and there is no established trading market for them, or for the Old Notes. We do not intend to apply for the notes to be listed on any securities exchange or to arrange for quotation on any automated dealer quotation system. You may not be able to sell your notes at a particular time or at favorable prices. As a result, we cannot assure you as to the liquidity of any trading market for the Exchange Notes. Accordingly, you may be required to bear the financial risk of your investment in the notes indefinitely. If a trading market were to develop, future trading prices of the Exchange Notes may be volatile and will depend on many factors, including:

- the number of holders of Exchange Notes;
- our operating performance and financial condition;
- our ability to complete the offer to exchange the Old Notes for the Exchange Notes;
- the interest of securities dealers in making a market for the Exchange Notes; and
- the market for similar securities.

The market for non-investment grade debt historically has been subject to disruptions that have caused substantial volatility in the prices of securities similar to the Exchange Notes. The market for the Exchange Notes, if any, may be subject to similar disruptions that could adversely affect their value. In addition, subsequent to their initial issuance, to tendering holders of the Old Notes in the exchange offers, the Exchange Notes, the notes may trade at a discount from their initial offering price, depending upon prevailing interest rates, the market for similar notes, our performance and other factors.

A lowering or withdrawal of the ratings assigned to our debt securities by rating agencies may increase our future borrowing costs and reduce our access to capital.

There can be no assurances that any rating assigned to our debt security will remain for any given period of time or that a rating will not be lowered or withdrawn entirely by a rating agency if, in that rating agency's judgment, future circumstances relating to the basis of the rating, such as adverse changes, so warrant. A lowering or withdrawal of the ratings assigned to our debt securities by rating agencies may increase our future borrowing costs and reduce our access to capital, which could have a material adverse impact on our financial condition and results of operations.

Holders of Old Notes who fail to exchange their Old Notes in the exchange offers will continue to be subject to restrictions on transfer.

If you do not exchange your Old Notes for Exchange Notes in the exchange offers, you will continue to be subject to the restrictions on transfer applicable to the Old Notes. The restrictions on transfer of your Old Notes arise because we issued the Old Notes under exemptions from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws. In general, you may only offer or sell the

[Table of Contents](#)

Old Notes if they are registered under the Securities Act and applicable state securities laws, or offered and sold under an exemption from these requirements. We do not plan to register the Old Notes under the Securities Act. For further information regarding the consequences of tendering your Old Notes in the exchange offers, see the discussion below under the caption “2017 Exchange Offer—Consequences of failure to exchange” and “2023 Exchange Offer—Consequences of failure to exchange.”

You must comply with the exchange offer procedures in order to receive new, freely tradable Exchange Notes.

Delivery of Exchange Notes in exchange for Old Notes tendered and accepted for exchange pursuant to the exchange offers will be made only after timely receipt by the exchange agent of book-entry transfer of Old Notes into the exchange agent’s account at DTC, as depositary, including an agent’s message (as defined herein). We are not required to notify you of defects or irregularities in tenders of Old Notes for exchange. Exchange Notes that are not tendered or that are tendered but we do not accept for exchange will, following consummation of the exchange offers, continue to be subject to the existing transfer restrictions under the Securities Act and, upon consummation of the exchange offers, certain registration and other rights under the Registration Rights Agreements will terminate. See “2017 Exchange Offer—Procedures for tendering Old 2017 Notes through brokers and banks,” “2023 Exchange Offer—Procedures for tendering Old 2023 Notes through brokers and banks,” “2017 Exchange Offer—Consequences of failure to exchange” and “2023 Exchange Offer—Consequences of failure to exchange.”

Some holders who exchange their Old Notes may be deemed to be underwriters, and these holders will be required to comply with the registration and prospectus delivery requirements in connection with any resale transaction.

If you exchange your Old Notes in the exchange offers for the purpose of participating in a distribution of the Exchange Notes, you may be deemed to have received restricted securities and, if so, will be required to comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction.

USE OF PROCEEDS

These exchange offers are intended to satisfy our obligations under the Registration Rights Agreements. We will not receive any cash proceeds from the issuance of the Exchange Notes. The Old Notes properly tendered and exchanged for Exchange Notes will be retired and cancelled. Accordingly, no additional debt will result from the exchanges. We have agreed to bear the expense of the exchange offers.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of earnings to fixed charges on a historical basis for the periods indicated⁽¹⁾:

| Year ended December 31, | | | | | Three months ended March 31, | |
|-------------------------|-------|-------|------|------|------------------------------|------|
| 2012 | 2011 | 2010 | 2009 | 2008 | 2013 | 2012 |
| 1.47x | 1.06x | 1.14x | — | — | — | — |

(1) Dashes in the following table represent a ratio of earnings to fixed charges less than 1.0.

For the purposes of computing the ratio of earnings to fixed charges, earnings consist of income (loss) before provision for income taxes plus fixed charges. Fixed charges consist of interest expense on all indebtedness (including amortization of deferred financing costs) and the portion of operating lease rental expense that is representative of the interest factor. For the years ended December 31, 2009 and 2008, earnings were less than fixed charges by \$77 million and \$1,343 million, respectively. For the three months ended March 31, 2013 and 2012, earnings were less than fixed charges by \$57 million and \$26 million, respectively.

(a) Includes related-party debt due to Avis Budget Rental Car Funding (AESOP), LLC. See Note 15 to the Notes to Consolidated Financial Statements contained in the 2012 10-K.

In presenting the financial data above in conformity with GAAP, we are required to make estimates and assumptions that affect the amounts reported. See “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Accounting Policies—Critical Accounting Policies” in the 2012 10-K for a detailed discussion of the accounting policies that we believe require subjective and complex judgments that could potentially affect reported results.

Transaction-related Costs, Restructuring and Other Items

During 2012, 2011 and 2010, we recorded \$34 million, \$255 million and \$14 million, respectively, of transaction-related costs, primarily related to our acquisition of Avis Europe plc (“Avis Europe”), the integration of the acquired businesses with our operations and expenses related to our previous efforts to acquire Dollar Thrifty Automotive Group, Inc. (“Dollar Thrifty”). During 2012, these costs were primarily related to the integration of Avis Europe’s operations with the Company’s. In 2011, these costs included (i) a \$117 million non-cash charge related to the unfavorable license rights reacquired by the Company through the acquisition of Avis Europe, which provided Avis Europe with royalty-free license rights within certain territories, (ii) \$89 million of expenses related to due-diligence, advisory and other costs, and (iii) \$49 million for losses on

foreign-currency transactions related to the Avis Europe purchase price. In 2010, these costs related to due-diligence and other cost for our previous efforts to acquire Dollar Thrifty. See Notes 2 and 6 to the Notes to Consolidated Financial Statements contained in the 2012 10-K.

In 2012, we implemented a restructuring initiative related to our Truck Rental segment, and in 2011, we implemented a restructuring initiative subsequent to the acquisition of Avis Europe. We recorded expenses related to these and other restructuring initiatives of \$38 million in 2012, \$5 million in 2011, \$11 million in 2010, \$20 million in 2009, and \$28 million in 2008. See Note 4 to the Notes to Consolidated Financial Statements in the 2012 10-K.

In 2012 and 2010, we recorded \$75 million and \$52 million, respectively, of expense related to the early extinguishment of corporate debt.

In 2009, we recorded an approximately \$33 million (\$20 million, net of tax) non-cash charge for the impairment of investments, to reflect the other-than-temporary decline of the investments' fair value below its carrying value. See Item 6 in the Consolidated Financial Statements contained in the 2012 10-K. In 2008, we recorded an approximately \$1.3 billion (\$1.1 billion, net of tax) non-cash charge to reflect (i) the impairment of goodwill, (ii) the impairment of our tradenames assets and (iii) the impairment of an investment. These charges reflect the decline in their fair value below their carrying value, primarily as a result of reduced market valuations for vehicle services and other companies, as well as reduced profit forecasts due to soft economic conditions and increased financing costs.

2017 EXCHANGE OFFER

Purpose of the 2017 Exchange Offer

The 2017 Exchange Offer is designed to provide holders of Old 2017 Notes with an opportunity to acquire 2017 Exchange Notes which, unlike the Old 2017 Notes, will be freely transferable at all times, subject to any restrictions on transfer imposed by state “blue sky” laws and provided that the holder is not our affiliate within the meaning of the Securities Act and represents that the 2017 Exchange Notes are being acquired in the ordinary course of the holder’s business and the holder is not engaged in, and does not intend to engage in, a distribution of the 2017 Exchange Notes.

The Old 2017 Notes were originally issued and sold on November 8, 2012, to the initial purchasers, pursuant to the purchase agreement dated November 5, 2012. The Old 2017 Notes were issued and sold in transactions not registered under the Securities Act in reliance upon the exemption provided by Section 4(a)(2) of the Securities Act. The concurrent resale of the Old 2017 Notes by the initial purchasers to investors was done in reliance upon the exemptions provided by Rule 144A and Regulation S promulgated under the Securities Act. The Old 2017 Notes may not be reoffered, resold or transferred other than (i) to us or our subsidiaries, (ii) to a qualified institutional buyer in compliance with Rule 144A promulgated under the Securities Act, (iii) outside the United States to a non-U.S. person within the meaning of Regulation S under the Securities Act, (iv) pursuant to the exemption from registration provided by Rule 144 promulgated under the Securities Act (if available) or (v) pursuant to an effective registration statement under the Securities Act.

In connection with the original issuance and sale of the Old 2017 Notes, we entered into the 2017 Registration Rights Agreement, pursuant to which we agreed to file with the SEC a registration statement covering the exchange by us of the Exchange Notes for the Old 2017 Notes, pursuant to the 2017 Exchange Offer. The 2017 Registration Rights Agreement provides that we will file with the SEC an exchange offer registration statement on an appropriate form under the Securities Act and offer to holders of Old 2017 Notes who are able to make certain representations the opportunity to exchange their Old 2017 Notes for 2017 Exchange Notes.

Under existing interpretations by the Staff of the SEC as set forth in no-action letters issued to third parties in other transactions, the 2017 Exchange Notes would, in general, be freely transferable after the exchange offer without further registration under the Securities Act; provided, however, that in the case of broker-dealers participating in the exchange offer, a prospectus meeting the requirements of the Securities Act must be delivered by such broker-dealers in connection with resales of the 2017 Exchange Notes. We have agreed to furnish a prospectus meeting the requirements of the Securities Act to any such broker-dealer for use in connection with any resale of any 2017 Exchange Notes acquired in the 2017 Exchange Offer. A broker-dealer that delivers such a prospectus to purchasers in connection with such resales will be subject to certain of the civil liability provisions under the Securities Act and will be bound by the provisions of the 2017 Registration Rights Agreement (including certain indemnification rights and obligations).

We do not intend to seek our own interpretation regarding the 2017 Exchange Offer, and we cannot assure you that the staff of the SEC would make a similar determination with respect to the 2017 Exchange Notes as it has in other interpretations to third parties.

Each holder of Old 2017 Notes that exchanges such Old 2017 Notes for 2017 Exchange Notes in the 2017 Exchange Offer will be deemed to have made certain representations, including representations that (i) any 2017 Exchange Notes to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of 2017 Exchange Notes and (iii) it is not our affiliate as defined in Rule 405 under the Securities Act, or if it is an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable.

[Table of Contents](#)

If the holder is not a broker-dealer, it will be required to represent that it is not engaged in, and does not intend to engage in, the distribution of Old 2017 Notes or 2017 Exchange Notes. If the holder is a broker-dealer that will receive 2017 Exchange Notes for its own account in exchange for Old 2017 Notes that were acquired as a result of market-making activities or other trading activities, it will be required to acknowledge that it will deliver a prospectus in connection with any resale of such 2017 Exchange Notes.

Terms of the exchange offer; period for tendering outstanding Old 2017 Notes

Upon the terms and subject to the conditions set forth in this prospectus, we will accept any and all Old 2017 Notes that were acquired pursuant to Rule 144A or Regulation S validly tendered and not withdrawn prior to 5:00 p.m., New York City time, on the expiration date of the 2017 Exchange Offer. We will issue \$1,000 principal amount of 2017 Exchange Notes in exchange for each \$1,000 principal amount of Old 2017 Notes accepted in the 2017 Exchange Offer. Holders may tender some or all of their Old 2017 Notes pursuant to the 2017 Exchange Offer. However, Old 2017 Notes may be tendered only in integral multiples of \$1,000.

The form and terms of the 2017 Exchange Notes are the same as the form and terms of the outstanding Old 2017 Notes except that:

- (1) the 2017 Exchange Notes will be registered under the Securities Act and will not have legends restricting their transfer;
 - (2) the 2017 Exchange Notes will not contain the registration rights and liquidated damages provisions contained in the outstanding Old 2017 Notes;
- and
- (3) interest on the 2017 Exchange Notes will accrue from the last interest date on which interest was paid on your Old 2017 Notes.

The 2017 Exchange Notes will evidence the same debt as the Old 2017 Notes and will be entitled to the benefits of the 2017 Indenture.

We intend to conduct the 2017 Exchange Offer in accordance with the applicable requirements of the Exchange Act and the rules and regulations of the SEC.

We will be deemed to have accepted validly tendered Old 2017 Notes when, as and if we have given oral or written notice of our acceptance to the exchange agent. The exchange agent will act as agent for the tendering holders for the purpose of receiving the 2017 Exchange Notes from us.

If any tendered Old 2017 Notes are not accepted for exchange because of an invalid tender or the occurrence of specified other events set forth in this prospectus, the certificates for any unaccepted Old 2017 Notes will be promptly returned, without expense, to the tendering holder.

Holders who tender Old 2017 Notes in the 2017 Exchange Offer will not be required to pay brokerage commissions or fees or transfer taxes with respect to the exchange of Old 2017 Notes pursuant to the 2017 Exchange Offer. We will pay all charges and expenses, other than transfer taxes in certain circumstances, in connection with the 2017 Exchange Offer. See “—Fees and expenses” and “—Transfer taxes” below.

The 2017 Exchange Offer will remain open for at least 20 full business days. The term “2017 expiration date” will mean 5:00 p.m., New York City time, on _____, 2013, unless we, in our sole discretion, extend the 2017 Exchange Offer, in which case the term “2017 expiration date” will mean the latest date and time to which the 2017 Exchange Offer is extended.

To extend the 2017 Exchange Offer, prior to 9:00 a.m., New York City time, on the next business day after the previously scheduled 2017 expiration date, we will:

- (1) notify the exchange agent of any extension by oral notice (promptly confirmed in writing) or written notice, and

[Table of Contents](#)

(2) mail to the registered holders an announcement of any extension, and issue a notice by press release or other public announcement before such expiration date.

We reserve the right, in our sole discretion:

(1) if any of the conditions below under the heading “Conditions on the 2017 Exchange Offer” shall have not been satisfied,

(a) to delay accepting any Old 2017 Notes,

(b) to extend the 2017 Exchange Offer, or

(c) to terminate the 2017 Exchange Offer, or

(2) to amend the terms of the 2017 Exchange Offer in any manner, provided however, that if we amend the 2017 Exchange Offer to make a material change, including the waiver of a material condition, we will extend the 2017 Exchange Offer, if necessary, to keep such exchange offer open for at least five business days after such amendment or waiver; provided further, that if we amend the 2017 Exchange Offer to change the percentage of Notes being exchanged or the consideration being offered, we will extend the 2017 Exchange Offer, if necessary, to keep such exchange offer open for at least ten business days after such amendment or waiver.

Any delay in acceptance, extension, termination or amendment will be followed as promptly as practicable by oral or written notice to the registered holders.

Procedures for tendering Old 2017 Notes through brokers and banks

Since the Old 2017 Notes are represented by global book-entry notes, DTC, as depositary, or its nominee is treated as the registered holder of the Old 2017 Notes and will be the only entity that can tender your Old 2017 Notes for 2017 Exchange Notes. Therefore, to tender Old 2017 Notes subject to this 2017 Exchange Offer and to obtain 2017 Exchange Notes, you must instruct the institution where you keep your Old 2017 Notes to tender your Old 2017 Notes on your behalf so that they are received on or prior to the expiration of this 2017 Exchange Offer.

The letter of transmittal that may accompany this prospectus may be used by you to give such instructions.

YOU SHOULD CONSULT YOUR ACCOUNT REPRESENTATIVE AT THE BROKER OR BANK WHERE YOU KEEP YOUR OLD 2017 NOTES TO DETERMINE THE PREFERRED PROCEDURE.

(5) if you or another person acquiring 2017 Exchange Notes in exchange for your Old 2017 Notes is a broker-dealer and you acquired the Old 2017 Notes as a result of market-making activities or other trading activities, you acknowledge that you will deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of the 2017 Exchange Notes.

BY TENDERING YOUR OLD 2017 NOTES YOU ARE DEEMED TO HAVE MADE THESE REPRESENTATIONS.

Broker-dealers who cannot make the representations in item (5) of the paragraph above cannot use this exchange offer prospectus in connection with resales of the 2017 Exchange Notes issued in the 2017 Exchange Offer.

If you are our “affiliate,” as defined under Rule 405 of the Securities Act, if you are a broker-dealer who acquired your Old 2017 Notes in the initial offering and not as a result of market-making or trading activities, or if you are engaged in or intend to engage in or have an arrangement or understanding with any person to participate in a distribution of 2017 Exchange Notes acquired in the 2017 Exchange Offer, you or that person:

- (1) may not rely on the applicable interpretations of the Staff of the SEC and therefore may not participate in the 2017 Exchange Offer; and

When you tender your outstanding Old 2017 Notes and we accept them, the tender will be a binding agreement between you and us as described in this prospectus.

The method of delivery of outstanding Old 2017 Notes and all other required documents to the exchange agent is at your election and risk.

We will decide all questions about the validity, form, eligibility, acceptance and withdrawal of tendered Old 2017 Notes, and our reasonable determination will be final and binding on you. We reserve the absolute right to:

- (1) reject any and all tenders of any particular Old 2017 Note not properly tendered;
- (2) refuse to accept any Old 2017 Note if, in our reasonable judgment or the judgment of our counsel, the acceptance would be unlawful; and

Our interpretation of the terms and conditions of the 2017 Exchange Offer will be final and binding on all parties. Neither us, the exchange agent nor any other person will incur any liability for failure to notify you or any defect or irregularity with respect to your tender of Old 2017 Notes. If we waive any terms or conditions pursuant to (3) above with respect to a noteholder, we will extend the same waiver to all noteholders with respect to that term or condition being waived.

In order to accept this 2017 Exchange Offer on behalf of a holder of Old 2017 Notes you must submit or cause your DTC participant to submit an Agent's Message as described below.

The exchange agent, on our behalf will seek to establish an Automated Tender Offer Program ("ATOP") account with respect to the outstanding Old 2017 Notes at DTC promptly after the delivery of this prospectus. The delivery of Old 2017 Notes through DTC, and any transmission of an Agent's Message through ATOP, is at the election and risk of the person tendering Old 2017 Notes. We will ask the exchange agent to instruct DTC to promptly return those Old 2017 Notes, if any, that were tendered through ATOP but were not accepted by us, to the DTC participant that tendered such Old 2017 Notes on behalf of holders of the Old 2017 Notes.

We will have accepted your validly tendered Old 2017 Notes when we have given oral or written notice to the exchange agent. The exchange agent will act as agent for the tendering holders for the purpose of receiving the 2017 Exchange Notes from us. If we do not accept any tendered Old 2017 Notes for exchange by book-entry transfer because of an invalid tender or other valid reason, we will credit the Notes to an account maintained with DTC promptly after the 2017 Exchange Offer terminates or expires.

For a withdrawal to be effective, you should contact your bank or broker where your Old Notes are held and have them send an ATOP notice of withdrawal so that it is received by the exchange agent before 5:00 p.m., New York City time, on the 2017 expiration date. Such notice of withdrawal must:

- (1) specify the name of the person that tendered the Old Notes to be withdrawn;
- (2) identify the Old Notes to be withdrawn, including the CUSIP number and principal amount at maturity of the Old Notes; specify the name and number of an account at the DTC to which your withdrawn Old Notes can be credited.

We will decide all questions as to the validity, form and eligibility of the notices and our determination will be final and binding on all parties. Any tendered Old Notes that you withdraw will not be considered to have been validly tendered. We will promptly return any outstanding Old Notes that have been tendered but not exchanged, or credit them to the DTC account. You may re-tender properly withdrawn Old Notes by following one of the procedures described above before the 2017 expiration date.

Conditions on the 2017 Exchange Offer

Notwithstanding any other provision of the 2017 Exchange Offer, or any extension of the 2017 Exchange Offer, we will not be required to accept for exchange, or to issue 2017 Exchange Notes in exchange for, any outstanding Old 2017 Notes and may terminate the 2017 Exchange Offer (whether or not any Old 2017 Notes have been accepted for exchange) or amend the 2017 Exchange Offer, if any of the following conditions has occurred or exists or has not been satisfied, or has not been waived by us in our sole reasonable discretion, prior to the 2017 expiration date:

- there is threatened, instituted or pending any action or proceeding before, or any injunction, order or decree issued by, any court or governmental agency or other governmental regulatory or administrative agency or commission:
 - (1) seeking to restrain or prohibit the making or completion of the 2017 Exchange Offer or any other transaction contemplated by the 2017 Exchange Offer, or assessing or seeking any damages as a result of this transaction; or
 - (2) resulting in a material delay in our ability to accept for exchange or exchange some or all of the Old 2017 Notes in the 2017 Exchange Offer; or
 - (3) any statute, rule, regulation, order or injunction has been sought, proposed, introduced, enacted, promulgated or deemed applicable to the 2017 Exchange Offer or any of the transactions contemplated by the 2017 Exchange Offer by any governmental authority, domestic or foreign; or
- any action has been taken, proposed or threatened, by any governmental authority, domestic or foreign, that, in our sole reasonable judgment, would directly or indirectly result in any of the consequences referred to in clauses (1), (2) or (3) above or, in our sole reasonable judgment, would result in the holders of 2017 Exchange Notes having obligations with respect to resales and transfers of 2017 Exchange Notes which are greater than those described in the interpretation of the SEC referred to above, or would otherwise make it inadvisable to proceed with the 2017 Exchange Offer; or the following has occurred:
 - (1) any general suspension of or general limitation on prices for, or trading in, securities on any national securities exchange or in the over-the-counter market; or
 - (2) any limitation by a governmental authority which adversely affects our ability to complete the transactions contemplated by the 2017 Exchange Offer; or
 - (3) a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States or any limitation by any governmental agency or authority which adversely affects the extension of credit; or

- (4) a commencement of a war, armed hostilities or other similar international calamity directly or indirectly involving the United States, or, in the case of any of the preceding events existing at the time of the commencement of the 2017 Exchange Offer, a material acceleration or worsening of these calamities; or
- any change, or any development involving a prospective change, has occurred or been threatened in our business, financial condition, operations or prospects and those of our subsidiaries taken as a whole that is or may be adverse to us, or we have become aware of facts that have or may have an adverse impact on the value of the Old 2017 Notes or the 2017 Exchange Notes, which in our sole reasonable judgment in any case makes it inadvisable to proceed with the 2017 Exchange Offer and/or with such acceptance for exchange or with such exchange; or
 - there shall occur a change in the current interpretation by the Staff of the SEC which permits the 2017 Exchange Notes issued pursuant to the 2017 Exchange Offer in exchange for Old 2017 Notes to be offered for resale, resold and otherwise transferred by holders thereof (other than broker-dealers and any such holder which is our affiliate within the meaning of Rule 405 promulgated under the Securities Act) without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that such 2017 Exchange Notes are acquired in the ordinary course of such holders' business and such holders have no arrangement or understanding with any person to participate in the distribution of such 2017 Exchange Notes; or
 - any law, statute, rule or regulation shall have been adopted or enacted which, in our reasonable judgment, would impair our ability to proceed with the 2017 Exchange Offer; or
 - a stop order shall have been issued by the SEC or any state securities authority suspending the effectiveness of the registration statement, or proceedings shall have been initiated or, to our knowledge, threatened for that purpose, or any governmental approval has not been obtained, which approval we shall, in our sole reasonable discretion, deem necessary for the consummation of the 2017 Exchange Offer as contemplated hereby; or
 - we have received an opinion of counsel experienced in such matters to the effect that there exists any actual or threatened legal impediment (including a default or prospective default under an agreement, indenture or other instrument or obligation to which we are a party or by which we are bound) to the consummation of the transactions contemplated by the 2017 Exchange Offer.

If we determine in our sole reasonable discretion that any of the foregoing events or conditions has occurred or exists or has not been satisfied, we may, subject to applicable law, terminate the 2017 Exchange Offer (whether or not any Old 2017 Notes have been accepted for exchange) or may waive any such condition or otherwise amend the terms of the 2017 Exchange Offer in any respect. If such waiver or amendment constitutes a material change to the 2017 Exchange Offer, we will promptly disclose such waiver or amendment by means of a prospectus supplement that will be distributed to the registered holders of the Old 2017 Notes and will extend the 2017 Exchange Offer to the extent required by Rule 14e-1 promulgated under the Exchange Act.

These conditions are for our sole benefit and we may assert them regardless of the circumstances giving rise to any of these conditions, or we may waive them, in whole or in part, in our sole reasonable discretion, provided that we will not waive any condition with respect to an individual holder of Old 2017 Notes unless we waive that condition for all such holders. Any reasonable determination made by us concerning an event, development or circumstance described or referred to above will be final and binding on all parties. Our failure at any time to exercise any of the foregoing rights will not be a waiver of our rights and each such right will be deemed an ongoing right which may be asserted at any time before the expiration of the 2017 Exchange Offer.

Fees and expenses

The principal solicitation is being made through DTC by The Bank of Nova Scotia Trust Company of New York, as exchange agent. We will pay the exchange agent customary fees for its services, reimburse the exchange agent for its reasonable out-of-pocket expenses incurred in connection with the provisions of these services and pay other registration expenses, including registration and filing fees, fees and expenses of compliance with federal securities and state blue sky securities laws, printing expenses, messenger and delivery services and telephone, fees and disbursements to our counsel, application and filing fees and any fees and disbursements to our independent certified public accountants. We will not make any payment to brokers, dealers, or others soliciting acceptances of the 2017 Exchange Offer except for reimbursement of mailing expenses.

Additional solicitations may be made by telephone, facsimile or in person by our and our affiliates' officers employees and by persons so engaged by the exchange agent.

Accounting treatment

The 2017 Exchange Notes will be recorded at the same carrying value as the existing Old 2017 Notes, as reflected in our accounting records on the date of exchange. Accordingly, we will recognize no gain or loss for accounting purposes. The expenses of the 2017 Exchange Offer will be capitalized and expensed over the term of the 2017 Exchange Notes.

Transfer taxes

If you tender outstanding Old 2017 Notes for exchange you will not be obligated to pay any transfer taxes. However, if you instruct us to register 2017 Exchange Notes in the name of, or request that your Old 2017 Notes not tendered or not accepted in the 2017 Exchange Offer be returned to, a person other than the registered tendering holder, you will be responsible for paying any transfer tax owed.

YOU MAY SUFFER ADVERSE CONSEQUENCES IF YOU FAIL TO EXCHANGE OUTSTANDING OLD 2017 NOTES.

[Table of Contents](#)

If you do not tender your outstanding Old 2017 Notes, you will not have any further registration rights, except for the rights described in the 2017 Registration Rights Agreement and described above, and your Old 2017 Notes will continue to be subject to the provisions of the 2017 Indenture governing the Old 2017 Notes regarding transfer and exchange of the Old 2017 Notes and the restrictions on transfer of the Old 2017 Notes imposed by the Securities Act and states securities law when we complete the 2017 Exchange Offer. These transfer restrictions are required because the Old 2017 Notes were issued under an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, if you do not tender your Old 2017 Notes in the 2017 Exchange Offer, your ability to sell your Old 2017 Notes could be adversely affected. Once we have completed the 2017 Exchange Offer, holders who have not tendered notes will not continue to be entitled to any increase in interest rate that the 2017 Indenture provides for if we do not complete the 2017 Exchange Offer.

Consequences of failure to exchange

The Old 2017 Notes that are not exchanged for 2017 Exchange Notes pursuant to the 2017 Exchange Offer will remain restricted securities. Accordingly, the Old 2017 Notes may be resold only:

- (1) to us upon redemption thereof or otherwise;
- (2) so long as the outstanding securities are eligible for resale pursuant to Rule 144A, to a person inside the United States who is a qualified institutional buyer within the meaning of Rule 144A under the Securities Act in a transaction meeting the requirements of Rule 144A, in accordance with Rule 144 under the Securities Act, or pursuant to another exemption from the registration requirements of the Securities Act, which other exemption is based upon an opinion of counsel reasonably acceptable to us;
- (3) outside the United States to a foreign person in a transaction meeting the requirements of Rule 904 under the Securities Act; or
- (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States.

Shelf registration

The 2017 Registration Rights Agreement also requires that we file a shelf registration statement if:

- (1) we cannot file a registration statement for the 2017 Exchange Offer because such exchange offer is not permitted by law or SEC policy;
- (2) a law or SEC policy prohibits a holder from participating in the 2017 Exchange Offer;
- (3) a holder cannot resell the 2017 Exchange Notes it acquires in the 2017 Exchange Offer without delivering a prospectus and this prospectus is not appropriate or available for resales by the holder; or
- (4) a holder is a broker-dealer and holds notes acquired directly from us or one of our affiliates.

We will also register the 2017 Exchange Notes under the securities laws of jurisdictions that holders may request before offering or selling notes in a public offering. We do not intend to register 2017 Exchange Notes in any jurisdiction unless a holder requests that we do so.

Old 2017 Notes may be subject to restrictions on transfer until:

- (1) a person other than a broker-dealer has exchanged the Old 2017 Notes in the 2017 Exchange Offer;
- (2) a broker-dealer has exchanged the Old 2017 Notes in the 2017 Exchange Offer and sells them to a purchaser that receives a prospectus from the broker, dealer on or before the sale;
- (3) the Old 2017 Notes are sold under an effective shelf registration statement that we have filed; or
- (4) the Old 2017 Notes are sold to the public under Rule 144 of the Securities Act.

2023 EXCHANGE OFFER

Purpose of the 2023 Exchange Offer

The 2023 Exchange Offer is designed to provide holders of Old 2023 Notes with an opportunity to acquire 2023 Exchange Notes which, unlike the Old 2023 Notes, will be freely transferable at all times, subject to any restrictions on transfer imposed by state “blue sky” laws and provided that the holder is not our affiliate within the meaning of the Securities Act and represents that the 2023 Exchange Notes are being acquired in the ordinary course of the holder’s business and the holder is not engaged in, and does not intend to engage in, a distribution of the 2023 Exchange Notes.

The Old 2023 Notes were originally issued and sold on April 3, 2013, to the initial purchasers pursuant to the purchase agreement dated March 19, 2013. The Old 2023 Notes were issued and sold in transactions not registered under the Securities Act in reliance upon the exemption provided by Section 4(2) of the Securities Act. The concurrent resale of the Old 2023 Notes by the initial purchasers to investors was done in reliance upon the exemptions provided by Rule 144A and Regulation S promulgated under the Securities Act. The Old 2023 Notes may not be reoffered, resold or transferred other than (i) to us or our subsidiaries, (ii) to a qualified institutional buyer in compliance with Rule 144A promulgated under the Securities Act, (iii) outside the United States to a non-U.S. person within the meaning of Regulation S under the Securities Act, (iv) pursuant to the exemption from registration provided by Rule 144 promulgated under the Securities Act (if available) or (v) pursuant to an effective registration statement under the Securities Act.

In connection with the original issuance and sale of the Old 2023 Notes, we entered into the 2023 Registration Rights Agreement, pursuant to which we agreed to file with the SEC a registration statement covering the exchange by us of the 2023 Exchange Notes for the Old 2023 Notes, pursuant to the 2023 Exchange Offer. The 2023 Registration Rights Agreement provides that we will file with the SEC an exchange offer registration statement on an appropriate form under the Securities Act and offer to holders of Old 2023 Notes who are able to make certain representations the opportunity to exchange their Old 2023 Notes for 2023 Exchange Notes.

Under existing interpretations by the Staff of the SEC as set forth in no-action letters issued to third parties in other transactions, the 2023 Exchange Notes would, in general, be freely transferable after the exchange offer without further registration under the Securities Act; provided, however, that in the case of broker-dealers participating in the 2023 Exchange Offer, a prospectus meeting the requirements of the Securities Act must be delivered by such broker-dealers in connection with resales of the 2023 Exchange Notes. We have agreed to furnish a prospectus meeting the requirements of the Securities Act to any such broker-dealer for use in connection with any resale of any 2023 Exchange Notes acquired in the 2023 Exchange Offer. A broker-dealer that delivers such a prospectus to purchasers in connection with such resales will be subject to certain of the civil liability provisions under the Securities Act and will be bound by the provisions of the 2023 Registration Rights Agreement (including certain indemnification rights and obligations).

We do not intend to seek our own interpretation regarding the 2023 Exchange Offer, and we cannot assure you that the staff of the SEC would make a similar determination with respect to the 2023 Exchange Notes as it has in other interpretations to third parties.

Each holder of Old 2023 Notes that exchanges such Old 2023 Notes for 2023 Exchange Notes in the 2023 Exchange Offer will be deemed to have made certain representations, including representations that (i) any 2023 Exchange Notes to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of 2023 Exchange Notes and (iii) it is not our affiliate as defined in Rule 405 under the Securities Act, or if it is an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable.

[Table of Contents](#)

If the holder is not a broker-dealer, it will be required to represent that it is not engaged in, and does not intend to engage in, the distribution of Old 2023 Notes or 2023 Exchange Notes. If the holder is a broker-dealer that will receive 2023 Exchange Notes for its own account in exchange for Old 2023 Notes that were acquired as a result of market-making activities or other trading activities, it will be required to acknowledge that it will deliver a prospectus in connection with any resale of such 2023 Exchange Notes.

Terms of the exchange offer; period for tendering outstanding Old 2023 Notes

Upon the terms and subject to the conditions set forth in this prospectus, we will accept any and all Old 2023 Notes that were acquired pursuant to Rule 144A or Regulation S validly tendered and not withdrawn prior to 5:00 p.m., New York City time, on the expiration date of the 2023 Exchange Offer. We will issue \$1,000 principal amount of 2023 Exchange Notes in exchange for each \$1,000 principal amount of Old 2023 Notes accepted in the 2023 Exchange Offer. Holders may tender some or all of their Old 2023 Notes pursuant to the 2023 Exchange Offer. However, Old 2023 Notes may be tendered only in integral multiples of \$1,000.

The form and terms of the 2023 Exchange Notes are the same as the form and terms of the outstanding Old 2023 Notes except that:

- (1) the 2023 Exchange Notes will be registered under the Securities Act and will not have legends restricting their transfer;
 - (2) the 2023 Exchange Notes will not contain the registration rights and liquidated damages provisions contained in the outstanding Old 2023 Notes;
- and
- (3) interest on the 2023 Exchange Notes will accrue from the last interest date on which interest was paid on your Old 2023 Notes.

The 2023 Exchange Notes will evidence the same debt as the Old 2023 Notes and will be entitled to the benefits of the 2023 Indenture.

We intend to conduct the 2023 Exchange Offer in accordance with the applicable requirements of the Exchange Act and the rules and regulations of the SEC.

We will be deemed to have accepted validly tendered Old 2023 Notes when, as and if we have given oral or written notice of our acceptance to the exchange agent. The exchange agent will act as agent for the tendering holders for the purpose of receiving the 2023 Exchange Notes from us.

If any tendered Old 2023 Notes are not accepted for exchange because of an invalid tender or the occurrence of specified other events set forth in this prospectus, the certificates for any unaccepted Old 2023 Notes will be promptly returned, without expense, to the tendering holder.

Holders who tender Old 2023 Notes in the 2023 Exchange Offer will not be required to pay brokerage commissions or fees or transfer taxes with respect to the exchange of Old 2023 Notes pursuant to the 2023 Exchange Offer. We will pay all charges and expenses, other than transfer taxes in certain circumstances, in connection with the 2023 Exchange Offer. See “—Fees and expenses” and “—Transfer taxes” below.

The 2023 Exchange Offer will remain open for at least 20 full business days. The term “2023 expiration date” will mean 5:00 p.m., New York City time, on _____, 2013, unless we, in our sole discretion, extend the 2023 Exchange Offer, in which case the term “2023 expiration date” will mean the latest date and time to which the 2023 Exchange Offer is extended.

To extend the 2023 Exchange Offer, prior to 9:00 a.m., New York City time, on the next business day after the previously scheduled 2023 expiration date, we will:

- (1) notify the exchange agent of any extension by oral notice (promptly confirmed in writing) or written notice, and

[Table of Contents](#)

(2) mail to the registered holders an announcement of any extension, and issue a notice by press release or other public announcement before such expiration date.

We reserve the right, in our sole discretion:

(1) if any of the conditions below under the heading “Conditions on the 2023 Exchange Offer” shall have not been satisfied,

(a) to delay accepting any Old 2023 Notes,

(b) to extend the 2023 Exchange Offer, or

(c) to terminate the 2023 Exchange Offer, or

(2) to amend the terms of the 2023 Exchange Offer in any manner, provided however, that if we amend the 2023 Exchange Offer to make a material change, including the waiver of a material condition, we will extend the 2023 Exchange Offer, if necessary, to keep such exchange offer open for at least five business days after such amendment or waiver; provided further, that if we amend the 2023 Exchange Offer to change the percentage of Notes being exchanged or the consideration being offered, we will extend the 2023 Exchange Offer, if necessary, to keep such exchange offer open for at least ten business days after such amendment or waiver.

Any delay in acceptance, extension, termination or amendment will be followed as promptly as practicable by oral or written notice to the registered holders.

Procedures for tendering Old Notes through brokers and banks

Since the Old 2023 Notes are represented by global book-entry notes, DTC, as depositary, or its nominee is treated as the registered holder of the Old 2023 Notes and will be the only entity that can tender your Old 2023 Notes for 2023 Exchange Notes. Therefore, to tender Old 2023 Notes subject to this 2023 Exchange Offer and to obtain 2023 Exchange Notes, you must instruct the institution where you keep your Old 2023 Notes to tender your Old 2023 Notes on your behalf so that they are received on or prior to the expiration of this 2023 Exchange Offer.

The letter of transmittal that may accompany this prospectus may be used by you to give such instructions.

YOU SHOULD CONSULT YOUR ACCOUNT REPRESENTATIVE AT THE BROKER OR BANK WHERE YOU KEEP YOUR OLD 2023 NOTES TO DETERMINE THE PREFERRED PROCEDURE.

IF YOU WISH TO ACCEPT THIS 2023 EXCHANGE OFFER, PLEASE INSTRUCT YOUR BROKER OR ACCOUNT REPRESENTATIVE IN TIME FOR YOUR OLD 2023 NOTES TO BE TENDERED BEFORE THE 5:00 PM (NEW YORK CITY TIME) DEADLINE ON _____, 2013.

(4) neither you nor any other person acquiring 2023 Exchange Notes in exchange for your Old 2023 Notes is our “affiliate” as defined under Rule 405 of the Securities Act; and

(5) if you or another person acquiring 2023 Exchange Notes in exchange for your Old 2023 Notes is a broker-dealer and you acquired the Old 2023 Notes as a result of market-making activities or other trading activities, you acknowledge that you will deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of the 2023 Exchange Notes.

BY TENDERING YOUR OLD 2023 NOTES YOU ARE DEEMED TO HAVE MADE THESE REPRESENTATIONS.

Broker-dealers who cannot make the representations in item (5) of the paragraph above cannot use this exchange offer prospectus in connection with resales of the 2023 Exchange Notes issued in the 2023 Exchange Offer.

If you are our “affiliate,” as defined under Rule 405 of the Securities Act, if you are a broker-dealer who acquired your Old 2023 Notes in the initial offering and not as a result of market-making or trading activities, or if you are engaged in or intend to engage in or have an arrangement or understanding with any person to participate in a distribution of 2023 Exchange Notes acquired in the 2023 Exchange Offer, you or that person:

- (1) may not rely on the applicable interpretations of the Staff of the SEC and therefore may not participate in the 2023 Exchange Offer; and

You may tender some or all of your Old 2023 Notes in this 2023 Exchange Offer. However, your Old 2023 Notes may be tendered only in integral multiples of \$1,000.

When you tender your outstanding Old 2023 Notes and we accept them, the tender will be a binding agreement between you and us as described in this prospectus.

The method of delivery of outstanding Old 2023 Notes and all other required documents to the exchange agent is at your election and risk.

We will decide all questions about the validity, form, eligibility, acceptance and withdrawal of tendered Old 2023 Notes, and our reasonable determination will be final and binding on you. We reserve the absolute right to:

- (1) reject any and all tenders of any particular Old 2023 Note not properly tendered;
- (2) refuse to accept any Old 2023 Note if, in our reasonable judgment or the judgment of our counsel, the acceptance would be unlawful; and
- (3) waive any defects or irregularities or conditions of the 2023 Exchange Offer as to any particular Old 2023 Notes before the expiration of the offer.

Our interpretation of the terms and conditions of the 2023 Exchange Offer will be final and binding on all parties. You must cure any defects or irregularities in connection with tenders of Old 2023 Notes as we will reasonably determine. Neither us, the exchange agent nor any other person will incur any liability for failure to notify you or any defect or irregularity with respect to your tender of Old 2023 Notes. If we waive any terms or conditions pursuant to (3) above with respect to a noteholder, we will extend the same waiver to all noteholders with respect to that term or condition being waived.

In order to accept this 2023 Exchange Offer on behalf of a holder of Old 2023 Notes you must submit or cause your DTC participant to submit an Agent's Message as described below.

The exchange agent, on our behalf will seek to establish an ATOP account with respect to the outstanding Old 2023 Notes at DTC promptly after the delivery of this prospectus. Any financial institution that is a DTC participant, including your broker or bank, may make book-entry tender of outstanding Old 2023 Notes by causing the book-entry transfer of such Old 2023 Notes into our ATOP account in accordance with DTC's procedures for such transfers. Concurrently with the delivery of Old 2023 Notes, an Agent's Message in connection with such book-entry transfer must be transmitted by DTC to, and received by, the exchange agent on or prior to 5:00 pm, New York City Time on the 2023 expiration date. The confirmation of a book entry transfer into the ATOP account as described above is referred to herein as a "Book-Entry Confirmation."

The delivery of Old 2023 Notes through DTC, and any transmission of an Agent's Message through ATOP, is at the election and risk of the person tendering Old 2023 Notes. We will ask the exchange agent to instruct DTC to promptly return those Old 2023 Notes, if any, that were tendered through ATOP but were not accepted by us, to the DTC participant that tendered such Old 2023 Notes on behalf of holders of the Old 2023 Notes.

The exchange agent will act as agent for the tendering holders for the purpose of receiving the 2023 Exchange Notes from us. - (1) specify the name of the person that tendered the Old Notes to be withdrawn;
- (2) identify the Old Notes to be withdrawn, including the CUSIP number and principal amount at maturity of the Old Notes; specify the name and number of an account at the DTC to which your withdrawn Old Notes can be credited.

We will decide all questions as to the validity, form and eligibility of the notices and our determination will be final and binding on all parties. Any tendered Old Notes that you withdraw will not be considered to have been validly tendered. We will promptly return any outstanding Old Notes that have been tendered but not exchanged, or credit them to the DTC account. You may re-tender properly withdrawn Old Notes by following one of the procedures described above before the 2023 expiration date.

Conditions on the 2023 Exchange Offer

Notwithstanding any other provision of the 2023 Exchange Offer, or any extension of the 2023 Exchange Offer, we will not be required to accept for exchange, or to issue 2023 Exchange Notes in exchange for, any outstanding Old 2023 Notes and may terminate the 2023 Exchange Offer (whether or not any Old 2023 Notes have been accepted for exchange) or amend the 2023 Exchange Offer, if any of the following conditions has occurred or exists or has not been satisfied, or has not been waived by us in our sole reasonable discretion, prior to the 2023 expiration date:

- there is threatened, instituted or pending any action or proceeding before, or any injunction, order or decree issued by, any court or governmental agency or other governmental regulatory or administrative agency or commission:
 - (1) seeking to restrain or prohibit the making or completion of the 2023 Exchange Offer or any other transaction contemplated by the 2023 Exchange Offer, or assessing or seeking any damages as a result of this transaction; or
 - (2) resulting in a material delay in our ability to accept for exchange or exchange some or all of the Old 2023 Notes in the 2023 Exchange Offer; or
 - (3) any statute, rule, regulation, order or injunction has been sought, proposed, introduced, enacted, promulgated or deemed applicable to the 2023 Exchange Offer or any of the transactions contemplated by the 2023 Exchange Offer by any governmental authority, domestic or foreign; or
- any action has been taken, proposed or threatened, by any governmental authority, domestic or foreign, that, in our sole reasonable judgment, would directly or indirectly result in any of the consequences referred to in clauses (1), (2) or (3) above or, in our sole reasonable judgment, would result in the holders of 2023 Exchange Notes having obligations with respect to resales and transfers of 2023 Exchange Notes which are greater than those described in the interpretation of the SEC referred to above, or would otherwise make it inadvisable to proceed with the 2023 Exchange Offer; or the following has occurred:
 - (1) any general suspension of or general limitation on prices for, or trading in, securities on any national securities exchange or in the over-the-counter market; or
 - (2) any limitation by a governmental authority which adversely affects our ability to complete the transactions contemplated by the 2023 Exchange Offer; or
 - (3) a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States or any limitation by any governmental agency or authority which adversely affects the extension of credit; or

- (4) a commencement of a war, armed hostilities or other similar international calamity directly or indirectly involving the United States, or, in the case of any of the preceding events existing at the time of the commencement of the 2023 Exchange Offer, a material acceleration or worsening of these calamities; or
- any change, or any development involving a prospective change, has occurred or been threatened in our business, financial condition, operations or prospects and those of our subsidiaries taken as a whole that is or may be adverse to us, or we have become aware of facts that have or may have an adverse impact on the value of the Old 2023 Notes or the 2023 Exchange Notes, which in our sole reasonable judgment in any case makes it inadvisable to proceed with the 2023 Exchange Offer and/or with such acceptance for exchange or with such exchange; or
 - there shall occur a change in the current interpretation by the Staff of the SEC which permits the 2023 Exchange Notes issued pursuant to the 2023 Exchange Offer in exchange for Old 2023 Notes to be offered for resale, resold and otherwise transferred by holders thereof (other than broker-dealers and any such holder which is our affiliate within the meaning of Rule 405 promulgated under the Securities Act) without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that such 2023 Exchange Notes are acquired in the ordinary course of such holders' business and such holders have no arrangement or understanding with any person to participate in the distribution of such 2023 Exchange Notes; or
 - any law, statute, rule or regulation shall have been adopted or enacted which, in our reasonable judgment, would impair our ability to proceed with the 2023 Exchange Offer; or
 - a stop order shall have been issued by the SEC or any state securities authority suspending the effectiveness of the registration statement, or proceedings shall have been initiated or, to our knowledge, threatened for that purpose, or any governmental approval has not been obtained, which approval we shall, in our sole reasonable discretion, deem necessary for the consummation of the 2023 Exchange Offer as contemplated hereby; or
 - we have received an opinion of counsel experienced in such matters to the effect that there exists any actual or threatened legal impediment (including a default or prospective default under an agreement, indenture or other instrument or obligation to which we are a party or by which we are bound) to the consummation of the transactions contemplated by the 2023 Exchange Offer.

If we determine in our sole reasonable discretion that any of the foregoing events or conditions has occurred or exists or has not been satisfied, we may, subject to applicable law, terminate the 2023 Exchange Offer (whether or not any Old 2023 Notes have been accepted for exchange) or may waive any such condition or otherwise amend the terms of the 2023 Exchange Offer in any respect. If such waiver or amendment constitutes a material change to the 2023 Exchange Offer, we will promptly disclose such waiver or amendment by means of a prospectus supplement that will be distributed to the registered holders of the Old 2023 Notes and will extend the 2023 Exchange Offer to the extent required by Rule 14e-1 promulgated under the Exchange Act.

These conditions are for our sole benefit and we may assert them regardless of the circumstances giving rise to any of these conditions, or we may waive them, in whole or in part, in our sole reasonable discretion, provided that we will not waive any condition with respect to an individual holder of Old 2023 Notes unless we waive that condition for all such holders. Any reasonable determination made by us concerning an event, development or circumstance described or referred to above will be final and binding on all parties. Our failure at any time to exercise any of the foregoing rights will not be a waiver of our rights and each such right will be deemed an ongoing right which may be asserted at any time before the expiration of the 2023 Exchange Offer.

Transfer taxes

If you tender outstanding Old 2023 Notes for exchange you will not be obligated to pay any transfer taxes. However, if you instruct us to register 2023 Exchange Notes in the name of, or request that your Old 2023 Notes not tendered or not accepted in the 2023 Exchange Offer be returned to, a person other than the registered tendering holder, you will be responsible for paying any transfer tax owed.

YOU MAY SUFFER ADVERSE CONSEQUENCES IF YOU FAIL TO EXCHANGE OUTSTANDING OLD 2023 NOTES.

[Table of Contents](#)

If you do not tender your outstanding Old 2023 Notes, you will not have any further registration rights, except for the rights described in the 2023 Registration Rights Agreement and described above, and your Old 2023 Notes will continue to be subject to the provisions of the 2023 Indenture governing the Old 2023 Notes regarding transfer and exchange of the Old 2023 Notes and the restrictions on transfer of the Old 2023 Notes imposed by the Securities Act and states securities law when we complete the 2023 Exchange Offer. These transfer restrictions are required because the Old 2023 Notes were issued under an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, if you do not tender your Old 2023 Notes in the 2023 Exchange Offer, your ability to sell your Old 2023 Notes could be adversely affected. Once we have completed the 2023 Exchange Offer, holders who have not tendered notes will not continue to be entitled to any increase in interest rate that the 2023 Indenture governing the Old 2023 Notes provides for if we do not complete the 2023 Exchange Offer.

Consequences of failure to exchange

The Old 2023 Notes that are not exchanged for 2023 Exchange Notes pursuant to the 2023 Exchange Offer will remain restricted securities. Accordingly, the Old 2023 Notes may be resold only:

- (1) to us upon redemption thereof or otherwise;
- (2) so long as the outstanding securities are eligible for resale pursuant to Rule 144A, to a person inside the United States who is a qualified institutional buyer within the meaning of Rule 144A under the Securities Act in a transaction meeting the requirements of Rule 144A, in accordance with Rule 144 under the Securities Act, or pursuant to another exemption from the registration requirements of the Securities Act, which other exemption is based upon an opinion of counsel reasonably acceptable to us;
- (3) outside the United States to a foreign person in a transaction meeting the requirements of Rule 904 under the Securities Act; or
- (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States.

Shelf registration

The 2023 Registration Rights Agreement also requires that we file a shelf registration statement if:

- (1) we cannot file a registration statement for the 2023 Exchange Offer because such exchange offer is not permitted by law or SEC policy;
- (2) a law or SEC policy prohibits a holder from participating in the 2023 Exchange Offer;
- (3) a holder cannot resell the 2023 Exchange Notes it acquires in the 2023 Exchange Offer without delivering a prospectus and this prospectus is not appropriate or available for resales by the holder; or
- (4) a holder is a broker-dealer and holds notes acquired directly from us or one of our affiliates.

We will also register the 2023 Exchange Notes under the securities laws of jurisdictions that holders may request before offering or selling notes in a public offering. We do not intend to register 2023 Exchange Notes in any jurisdiction unless a holder requests that we do so.

Old 2023 Notes may be subject to restrictions on transfer until:

- (1) a person other than a broker-dealer has exchanged the Old 2023 Notes in the 2023 Exchange Offer;
- (2) a broker-dealer has exchanged the Old 2023 Notes in the 2023 Exchange Offer and sells them to a purchaser that receives a prospectus from the broker, dealer on or before the sale;
- (3) the Old 2023 Notes are sold under an effective shelf registration statement that we have filed; or
- (4) the Old 2023 Notes are sold to the public under Rule 144 of the Securities Act.

DESCRIPTION OF 2017 EXCHANGE NOTES

The 2017 Exchange Notes are to be issued under the 2017 Indenture, dated as of November 8, 2012, among ABCR, Avis Finance, the Guarantors and The Bank of Nova Scotia Trust Company of New York, as trustee (the “Trustee”). This is the same indenture under which the Old 2017 Notes were issued. Any Old 2017 Note that remains outstanding after the completion of the 2017 Exchange Offer, together with the 2017 Exchange Notes issued in connection with the 2017 Exchange Offer, will be treated as a single class of securities under the 2017 Indenture. The 2017 Exchange Notes will be referred to in this “Description of 2017 Exchange Notes” as the “2017 Notes” or the “notes.”

The 2017 Indenture contains provisions that define your rights and govern the obligations of the Company under the notes. Copies of the form of the 2017 Indenture and the 2017 Notes will be made available to prospective purchasers of the notes upon request, when available.

The following is a summary of certain provisions of the 2017 Indenture and the 2017 Notes. It does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the 2017 Indenture, including the definitions of certain terms therein and those terms to be made a part thereof by the TIA. The capitalized terms defined in “—Certain definitions” below are used in this “Description of 2017 Exchange Notes” as so defined. In this “Description of 2017 Exchange Notes,” any reference to a “Holder” or a “noteholder” refers to the registered holders of the 2017 Notes (initially only Cede & Co., as nominee of DTC); and reference to “the Company” is to ABCR and not any of its subsidiaries. Any reference to the “Issuers” is to ABCR and Avis Finance, as co-issuers and not to any of their subsidiaries.

Brief description of the 2017 Notes

The 2017 Notes will:

- be general, unsubordinated obligations of the Issuers;
- be unsecured;
- be structurally subordinated to all existing and future Indebtedness and other liabilities (including trade payables) of the Company’s Subsidiaries (other than Subsidiaries that are or become Subsidiary Guarantors pursuant to the provisions described below under “—Guarantees”);
- be limited to an aggregate principal amount of \$300 million, subject to our ability to issue Additional Notes;
- mature on November 15, 2017;
- bear interest at the applicable rate per annum shown on the front cover of this prospectus from November 8, 2012, or from the most recent date to which interest has been paid or provided for;
- be issued in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof;
- be represented by one or more registered notes in global form, but in certain circumstances may be represented by notes in definitive form. See “Book entry, delivery and form”;
- be *pari passu* in right of payment with all existing and future unsubordinated indebtedness of the Issuers; and
- be unconditionally guaranteed on an unsubordinated basis by Avis Budget Group, Avis Budget Holdings, and each of the Company’s current and future Domestic Subsidiaries that guarantees payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities.

Because the 2017 Notes are unsecured, in the event of bankruptcy, liquidation, reorganization or other winding up of the Company or the Guarantors or upon default in payment with respect to, or the acceleration of, any Indebtedness under the Senior Credit Facilities or other senior secured indebtedness, the assets of our

[Table of Contents](#)

company and the guarantors that secure other senior secured indebtedness will be available to pay obligations on the 2017 Notes and the guarantees only after all Indebtedness under such other secured indebtedness has been repaid in full from such assets.

Principal, maturity and interest

The 2017 Notes were issued initially in an aggregate principal amount of \$300 million. The 2017 Notes will mature on November 15, 2017. Each note will bear interest at the applicable rate per annum shown on the front cover of this prospectus from November 8, 2012, or from the most recent date to which interest has been paid or provided for.

Interest on the 2017 Notes will be payable semiannually in cash to Holders of record at the close of business on November 1 and May 1 immediately preceding the interest payment date on November 15 and May 15 of each year, commencing May 15, 2013. Interest will be paid on the basis of a 360-day year consisting of twelve 30-day months and accrue from the date of original issuance.

Additional securities may be issued under the 2017 Indenture in one or more series from time to time (“Additional Notes”), subject to the limitations set forth under “—Certain covenants—Limitation on indebtedness,” which will vote as a class with the 2017 Notes and will be treated as a single class with the 2017 Notes for all purposes under the 2017 Indenture.

Other terms

Principal of, premium, if any, and interest on, the 2017 Notes will be payable, and the 2017 Notes may be exchanged or transferred, at the office or agency of the Company maintained for such purposes (which initially shall be the corporate trust office of the Trustee), except that, at the option of the Company, payment of interest may be made by check mailed to the address of the registered holders of the 2017 Notes as such address appears in the Note register.

The 2017 Notes will be issued only in fully registered form, without coupons. The 2017 Notes will be issued only in minimum denominations of \$2,000 (the “Minimum Denomination”) and integral multiples of \$1,000 in excess of \$2,000.

Optional redemption

The 2017 Notes will be redeemable, at the Company’s option, at any time prior to maturity at varying redemption prices in accordance with the applicable provisions set forth below.

The 2017 Notes will be redeemable, at the Company’s option, in whole or in part, at any time and from time to time on or after May 15, 2015, and prior to maturity at the applicable redemption price set forth below. Such redemption may be made upon notice mailed by first-class mail to each Holder’s registered address, not less than 30 nor more than 60 days prior to the redemption date. The Company may provide in such notice that payment of the redemption price and the performance of the Company’s obligations with respect to such redemption may be performed by another Person. Any such redemption and notice may, in the Company’s discretion, be subject to the satisfaction of one or more conditions precedent, including but not limited to the occurrence of a Change of Control. The 2017 Notes will be so redeemable at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest, if any, to, but not including, the relevant redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on May 15 of each of the years set forth below:

| <u>Redemption Period</u> | <u>Price</u> |
|--------------------------|--------------|
| 2015 | 102.438% |
| 2016 | 101.219% |
| 2017 and thereafter | 100.000% |

[Table of Contents](#)

In addition, the 2017 Indenture provides that at any time and from time to time on or prior to May 15, 2015, the Company at its option may redeem 2017 Notes in an aggregate principal amount equal to up to 35% of the original aggregate principal amount of the 2017 Notes (including the principal amount of any Additional Notes), with funds in an aggregate amount (the "Redemption Amount") not exceeding the aggregate proceeds of one or more Equity Offerings (as defined below), at a redemption price (expressed as a percentage of principal amount thereof) of 104.875% for the 2017 Notes plus accrued and unpaid interest, if any, to, but not including, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that if 2017 Notes are redeemed, an aggregate principal amount of 2017 Notes equal to at least 65% of the original aggregate principal amount of 2017 Notes must remain outstanding after each such redemption of 2017 Notes.

"Equity Offering" means a sale of Capital Stock (x) that is a sale of Capital Stock of the Company (other than Disqualified Stock), or (y) proceeds of which in an amount equal to or exceeding the Redemption Amount are contributed to the equity capital of the Company or any of its Restricted Subsidiaries. Such redemption may be made upon notice mailed by first-class mail to each Holder's registered address, not less than 30 nor more than 60 days prior to the redemption date (but in no event more than 180 days after the completion of the related Equity Offering). The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person. Any such notice may be given prior to the completion of the related Equity Offering, and any such redemption or notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including but not limited to the completion of the related Equity Offering.

At any time prior to May 15, 2015, the 2017 Notes may also be redeemed or purchased (by the Company or any other Person) in whole or in part, at the Company's option, at a price (the "Redemption Price") equal to 100% of the principal amount thereof plus the Applicable Premium as of, and accrued but unpaid interest, if any, to, the date of redemption or purchase (the "Redemption Date") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Such redemption or purchase may be made upon notice mailed by first-class mail to each Holder's registered address, not less than 30 nor more than 60 days prior to the Redemption Date. The Company may provide in such notice that payment of the Redemption Price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person. Any such redemption, purchase or notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including but not limited to the occurrence of a Change of Control.

"Applicable Premium" means, with respect to a note at any Redemption Date, the greater of (i) 1% of the principal amount of such note and (ii) the excess of (A) the present value at such Redemption Date of (1) the redemption price of such note on May 15, 2015, such redemption price being that described in the second paragraph of this "Optional redemption" section plus (2) all required remaining scheduled interest payments due on such note through such date, computed using a discount rate equal to the Treasury Rate plus 50 basis points, over (B) the principal amount of such note on such Redemption Date; as calculated by the Company or on behalf of the Company by such Person as the Company shall designate; *provided* that such calculation shall not be a duty or obligation of the Trustee.

"Treasury Rate" means, with respect to a Redemption Date, the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15(519) that has become publicly available at least two Business Days prior to such Redemption Date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such Redemption Date to May 15, 2015; *provided, however*, that if the period from the Redemption Date to such date is not equal to the constant maturity of a United States Treasury security for which a weekly average yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if the period from the

[Table of Contents](#)

Redemption Date to such date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

Selection

In the case of any partial redemption, selection of the 2017 Notes for redemption will be made by the Trustee on a pro rata basis, or, to the extent a pro rata basis is not permitted, by such other method as such Trustee shall deem to be fair and appropriate, although no note of the Minimum Denomination in original principal amount or less will be redeemed in part. If any note is to be redeemed in part only, the notice of redemption relating to such note shall state the portion of the principal amount thereof to be redeemed. A new note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original note.

Guarantees

The 2017 Notes are guaranteed by Avis Budget Group, our indirect parent company, Avis Budget Holdings, our direct parent company (collectively with Avis Budget Group, the “Parent Guarantors”), and each Domestic Subsidiary that guarantees payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities (collectively, the “Subsidiary Guarantors”). In addition, the Company will cause each Domestic Subsidiary that guarantees payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities to execute and deliver to the Trustee a supplemental indenture or other instrument pursuant to which such Domestic Subsidiary will guarantee payment of the 2017 Notes, whereupon such Domestic Subsidiary will become a Subsidiary Guarantor for all purposes under the 2017 Indenture. In addition, the Company may cause any Subsidiary or other Person that is not a Subsidiary Guarantor to guarantee payment of the 2017 Notes and become a Guarantor.

Each Guarantor, as primary obligor and not merely as surety, will jointly and severally, irrevocably, fully and unconditionally Guarantee, on an unsecured unsubordinated basis the punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all monetary obligations of the Company under the 2017 Indenture and the 2017 Notes, whether for principal of or interest on the 2017 Notes, expenses, indemnification or otherwise. Each Guarantor will agree to pay, in addition to the amount stated above, any and all reasonable out-of-pocket expenses (including reasonable counsel fees and expenses) incurred by the Trustee or the applicable Holders in enforcing any rights under a Guarantee.

The obligations of each Guarantor will be limited to the maximum amount, as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including but not limited to any Guarantee by it of any Bank Indebtedness), result in the obligations of such Guarantor under the Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law, or being void or unenforceable under any law relating to insolvency of debtors.

Each Guarantee shall be a continuing Guarantee and shall (i) remain in full force and effect until payment in full of the principal amount of all outstanding 2017 Notes (whether by payment at maturity, purchase, redemption, defeasance, retirement or other acquisition) and all other applicable obligations then due and owing unless earlier terminated as described below, (ii) be binding upon such Guarantor and (iii) inure to the benefit of and be enforceable by the Trustee, the Holders and their permitted successors, transferees and assigns.

Notwithstanding the preceding paragraph, the Parent Guarantors and each Subsidiary Guarantor will automatically and unconditionally be released from all obligations under their Guarantees, and such Guarantees shall thereupon terminate and be discharged and of no further force or effect, (i) in the case of a Subsidiary Guarantor, concurrently with any direct or indirect sale or disposition (by merger or otherwise) of any Subsidiary Guarantor or any interest therein not prohibited by the terms of the 2017 Indenture (including the covenant described under “—Certain covenants—Limitation on sales of assets and subsidiary stock” and “—Merger and consolidation”) by the Company or a Restricted Subsidiary or any other transaction, following which such

Table of Contents

Subsidiary Guarantor is no longer a Restricted Subsidiary of the Company, (ii) at any time that such Guarantor is released from all of its obligations under all of its Guarantees of payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities (it being understood that a release subject to contingent reinstatement is still a release, and that if any such Guarantee is so reinstated, such Guarantee shall also be reinstated), provided that the release of obligations described in this clause (ii) shall not apply to Avis Budget Group, Inc., (iii) upon the merger or consolidation of any Guarantor with and into the Company or another Guarantor that is the surviving Person in such merger or consolidation, or upon the liquidation of such Guarantor following or contemporaneously with the transfer of all of its assets to the Company or another Guarantor, provided that the release of obligations described in this clause (iii) shall not apply to Avis Budget Group, Inc., (iv) concurrently with a Subsidiary Guarantor becoming an Unrestricted Subsidiary, (v) upon legal or covenant defeasance of the Company's obligations, or satisfaction and discharge of the 2017 Indenture, or (vi) subject to customary contingent reinstatement provisions, upon payment in full of the aggregate principal amount of all 2017 Notes then outstanding. In addition, the Company will have the right, upon 5 days' notice to the Trustee, to cause any Subsidiary Guarantor that has not guaranteed payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities to be unconditionally released from all obligations under its Subsidiary Guarantee, and such Subsidiary Guarantee shall thereupon terminate and be discharged and of no further force or effect. Upon any such occurrence specified in this paragraph, the Trustee shall execute any documents reasonably required in order to evidence such release, discharge and termination in respect of such Subsidiary Guarantee.

Neither the Company nor any such Guarantor shall be required to make a notation on the 2017 Notes to reflect any such Guarantee or any such release, termination or discharge.

Ranking

The indebtedness evidenced by the 2017 Notes (a) will be unsecured unsubordinated indebtedness of the Issuers, (b) will rank *pari passu* in right of payment with all existing and future unsubordinated indebtedness of the Issuers and (c) will be senior in right of payment to all existing and future Subordinated Obligations of the Issuers to the extent set forth in the instrument containing the applicable subordination agreement. The 2017 Notes are unsecured. In the event of a bankruptcy or insolvency, the Company's secured lenders will have a prior secured claim to any collateral securing the debt owed to them.

Each Subsidiary Guarantee will (a) be unsecured unsubordinated indebtedness of the applicable Subsidiary Guarantor, (b) will rank *pari passu* in right of payment with all existing and future unsubordinated indebtedness of such Person and (c) will be senior in right of payment to all existing and future Guarantor Subordinated Obligations of such Person to the extent set forth in the instrument containing the applicable subordination agreement. Each Subsidiary Guarantee is unsecured. In the event of a bankruptcy or insolvency, the secured lenders of each Subsidiary Guarantor will have a prior secured claim to any collateral securing the debt owed to them.

A substantial part of the operations of the Company are conducted through its Subsidiaries. Claims of creditors of such Subsidiaries, including trade creditors, and claims of preferred shareholders (if any) of such Subsidiaries will have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of the Company, including holders of the 2017 Notes, unless such Subsidiary is a Subsidiary Guarantor with respect to the 2017 Notes. The 2017 Notes, therefore, will be "structurally" subordinated to creditors (including trade creditors) and preferred shareholders (if any) of other Subsidiaries of the Company (other than Subsidiaries that become Subsidiary Guarantors). Certain of the operations of a Subsidiary Guarantor may be conducted through Subsidiaries thereof that are not also Subsidiary Guarantors. Claims of creditors of such Subsidiaries, including trade creditors, and claims of preferred shareholders (if any) of such Subsidiaries will have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of such Subsidiary Guarantor, including claims under its Subsidiary Guarantee. Such Subsidiary Guarantee, if any, therefore, will be "structurally" subordinated to creditors (including trade creditors) and preferred shareholders

(if any) of such Subsidiaries. Although the 2017 Indenture limits the incurrence of Indebtedness (including preferred stock) by certain of the Company's Subsidiaries, such limitation is subject to a number of significant qualifications.

Change of control

Upon the occurrence after the Issue Date of a Change of Control (as defined below), each Holder of 2017 Notes will have the right to require the Company to repurchase all or any part of such 2017 Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that the Company shall not be obligated to repurchase 2017 Notes pursuant to this covenant in the event that it has exercised its right to redeem all of the 2017 Notes as described under "—Optional redemption."

The term "Change of Control" means:

- (a) any "person" (as such term is used in Sections 13(d) and 14(d) of the Exchange Act), other than one or more Permitted Holders or a Parent, becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the total voting power of the Voting Stock of the Company, provided that (x) so long as the Company is a Subsidiary of any Parent, no "person" shall be deemed to be or become a "beneficial owner" of more than 50% of the total voting power of the Voting Stock of the Company unless such "person" shall be or become a "beneficial owner" of more than 50% of the total voting power of the Voting Stock of such Parent and (y) any Voting Stock of which any Permitted Holder is the "beneficial owner" shall not in any case be included in any Voting Stock of which any such "person" is the "beneficial owner";
- (b) the Company or the Parent merges or consolidates with or into, or sells or transfers (in one or a series of related transactions) all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole, to, another Person (other than one or more Permitted Holders) and any "person" (as defined in clause (i) above), other than one or more Permitted Holders or any Parent, is or becomes the "beneficial owner" (as so defined), directly or indirectly, of more than 50% of the total voting power of the Voting Stock of the surviving Person in such merger or consolidation, or the transferee Person in such sale or transfer of assets, as the case may be, provided that (x) so long as such surviving or transferee Person is a Subsidiary of a parent Person, no "person" shall be deemed to be or become a "beneficial owner" of more than 50% of the total voting power of the Voting Stock of such surviving or transferee Person unless such "person" shall be or become a "beneficial owner" of more than 50% of the total voting power of the Voting Stock of such parent Person and (y) any Voting Stock of which any Permitted Holder is the "beneficial owner" shall not in any case be included in any Voting Stock of which any such "person" is the beneficial owner; or
- (c) during any period of two consecutive years (during which period the Company has been a party to the 2017 Indenture), individuals who at the beginning of such period were members of the Board (together with any new members thereof whose election by such Board of Directors or whose nomination for election by holders of Capital Stock of the Company was approved by one or more Permitted Holders or by a vote of a majority of the members of such board of directors then still in office who were either members thereof at the beginning of such period or whose election or nomination for election was previously so approved) cease for any reason to constitute a majority of such board of directors then in office.

In the event that, at the time of such Change of Control, the terms of any Bank Indebtedness restrict or prohibit the repurchase of the 2017 Notes pursuant to this covenant, then prior to the mailing of the notice to applicable Holders provided for in the immediately following paragraph but in any event not later than 30 days following the date the Company obtains actual knowledge of any Change of Control (unless the Company has exercised its right to redeem all the 2017 Notes as described under "—Optional redemption"), the Company

[Table of Contents](#)

shall, or shall cause one or more of its Subsidiaries to, (i) repay in full all such Bank Indebtedness subject to such terms or offer to repay in full all such Bank Indebtedness and repay the Bank Indebtedness of each lender who has accepted such offer or (ii) obtain the requisite consent under the agreements governing such Bank Indebtedness to permit the repurchase of the 2017 Notes as provided for in the immediately following paragraph. The Company shall first comply with the provisions of the immediately preceding sentence before it shall be required to repurchase 2017 Notes pursuant to the provisions described below. The Company's failure to comply with such provisions or the provisions of the immediately following paragraph shall constitute an Event of Default described in clause (iv) and not in clause (ii) under "—Defaults" below.

Unless the Company has exercised its right to redeem all the 2017 Notes as described under "—Optional redemption," the Company shall, not later than 30 days following the date the Company obtains actual knowledge of any Change of Control having occurred, mail a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee stating: (1) that a Change of Control has occurred or may occur and that such Holder has, or upon such occurrence will have, the right to require the Company to purchase such Holder's 2017 Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date); (2) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); (3) the instructions determined by the Company, consistent with this covenant, that a Holder must follow in order to have its 2017 Notes purchased; and (4) if such notice is mailed prior to the occurrence of a Change of Control, that such offer is conditioned on the occurrence of such Change of Control. No note will be repurchased in part if less than the Minimum Denomination in original principal amount of such note would be left outstanding.

The Company will not be required to make a Change of Control Offer upon a Change of Control if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the 2017 Indenture applicable to a Change of Control Offer made by the Company and purchases all 2017 Notes validly tendered and not withdrawn under such Change of Control Offer, or (ii) notice of redemption has been given pursuant to the 2017 Indenture as described under the caption "—Optional redemption," unless and until there is a default of the applicable redemption price.

To the extent that the provisions of any securities laws or regulations conflict with provisions of this "Change of Control" covenant, the Company may comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the 2017 Indenture by virtue thereof.

The Change of Control purchase feature is a result of negotiations between the Company and the Initial Purchasers. The Company has no present plans to engage in a transaction involving a Change of Control, although it is possible that the Company could decide to do so in the future. Subject to the limitations discussed below, the Company could, in the future, enter into certain transactions, including acquisitions, refinancings or recapitalizations, that would not constitute a Change of Control under the 2017 Indenture, but that could increase the amount of Indebtedness outstanding at such time or otherwise affect the Company's capital structure or credit ratings. Restrictions on the ability of the Company to Incur additional Indebtedness are contained in the covenants described under "—Certain covenants—Limitation on indebtedness" and "—Certain covenants—Limitation on liens." Such restrictions can only be waived with the consent of the Holders of a majority in principal amount of the 2017 Notes then outstanding. Except for the limitations contained in such covenants, however, the 2017 Indenture does not contain any covenants or provisions that may afford Holders protection in the event of a highly leveraged transaction.

The occurrence of a Change of Control would constitute a default under the Senior Credit Agreement. Agreements governing future Indebtedness of the Company may contain prohibitions of certain events that would constitute a Change of Control or require such Indebtedness to be repurchased or repaid upon a Change of Control. The Senior Credit Agreement is expected to, and the agreements governing future Indebtedness of the Company may, prohibit the Company from repurchasing the 2017 Notes upon a Change of Control unless the Indebtedness governed by such Senior Credit Agreement or the agreements governing such future Indebtedness,

[Table of Contents](#)

as the case may be, has been repurchased or repaid (or an offer made to effect such repurchase or repayment has been made and the Indebtedness of those creditors accepting such offer has been repurchased or repaid) and/or other specified requirements have been met. Moreover, the exercise by the Holders of their right to require the Company to repurchase the 2017 Notes could cause a default under such agreements, even if the Change of Control itself does not, due to the financial effect of such repurchase on the Company and its Subsidiaries. Finally, the Company's ability to pay cash to the Holders upon a repurchase may be limited by the Company's then existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make any required repurchases. The provisions under the 2017 Indenture relating to the Company's obligation to make an offer to purchase the 2017 Notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the 2017 Notes. As described above under "— Optional redemption," the Company also has the right to redeem the 2017 Notes at specified prices, in whole or in part, upon a Change of Control or otherwise.

The definition of Change of Control includes a phrase relating to the sale or other transfer of "all or substantially all" of the Company's assets. Although there is a developing body of case law interpreting the phrase "substantially all," there is no precise definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Company, and therefore it may be unclear as to whether a Change of Control has occurred and whether the holders of the 2017 Notes have the right to require the Company to repurchase such 2017 Notes.

Certain covenants

The 2017 Indenture contains covenants including, among others, the covenants as described below.

Limitation on indebtedness

The 2017 Indenture provides as follows:

(a) The Company will not, and will not permit any Restricted Subsidiary to, Incur any Indebtedness; *provided, however*, that the Company or any Restricted Subsidiary may Incur Indebtedness if on the date of the Incurrence of such Indebtedness, after giving effect to the Incurrence thereof, the Consolidated Coverage Ratio would be greater than 2.00 to 1.00.

(b) Notwithstanding the foregoing paragraph (a), the Company and its Restricted Subsidiaries may Incur the following Indebtedness:

(i) Indebtedness Incurred pursuant to any Credit Facility (including, but not limited to, in respect of letters of credit or bankers' acceptances issued or created thereunder) and Indebtedness Incurred other than under any Credit Facility, and (without limiting the foregoing), in each case, any Refinancing Indebtedness in respect thereof, in a maximum principal amount at anytime outstanding not exceeding in the aggregate the amount equal to \$2,675 million;

(ii) Indebtedness (A) of any Restricted Subsidiary to the Company or (B) of the Company or any Restricted Subsidiary to any Restricted Subsidiary; provided, that any subsequent issuance or transfer of any Capital Stock of such Restricted Subsidiary to which such Indebtedness is owed, or other event, that results in such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of such Indebtedness (except to the Company or a Restricted Subsidiary) will be deemed, in each case, an Incurrence of such Indebtedness by the issuer thereof not permitted by this clause (ii);

(iii) Indebtedness represented by the 2017 Notes, the Subsidiary Guarantees and the related exchange notes and exchange guarantees issued in an exchange transaction pursuant to the Registration Rights Agreement, any Indebtedness (other than the Indebtedness described in clause (ii) above) outstanding on the Issue Date and any Refinancing Indebtedness Incurred in respect of any Indebtedness described in this clause (iii), clause (b)(x) of this covenant, or paragraph (a) above;

(iv) Purchase Money Obligations and Capitalized Lease Obligations, and any Refinancing Indebtedness with respect thereto;

(v) Indebtedness consisting of (x) accommodation guarantees for the benefit of trade creditors of the Company or any of its Restricted Subsidiaries, (y) Guarantees in connection with the construction or improvement of all or any portion of a Public Facility to be used by the Company or any Restricted Subsidiary or (z) Guarantees required or reasonably necessary (in the good faith determination of the Company) in connection with Vehicle Rental Concession Rights;

(vi) (A) Guarantees by the Company or any Restricted Subsidiary of Indebtedness or any other obligation or liability of the Company or any Restricted Subsidiary (other than any Indebtedness Incurred by the Company or such Restricted Subsidiary, as the case may be, in violation of the covenant described under “—Limitation on indebtedness”), or (B) without limiting the covenant described under “—Limitation on liens,” Indebtedness of the Company or any Restricted Subsidiary arising by reason of any Lien granted by or applicable to such Person securing Indebtedness of the Company or any Restricted Subsidiary (other than any Indebtedness Incurred by the Company or such Restricted Subsidiary, as the case may be, in violation of the covenant described under “—Limitation on indebtedness”);

(vii) Indebtedness of the Company or any Restricted Subsidiary (A) arising from the honoring of a check, draft or similar instrument of such Person drawn against insufficient funds, *provided* that such Indebtedness is extinguished within five Business Days of its Incurrence, or (B) consisting of guarantees, indemnities, obligations in respect of earnouts or other purchase price adjustments, or similar obligations, Incurred in connection with the acquisition or disposition of any business, assets or Person;

(viii) Indebtedness of the Company or any Restricted Subsidiary in respect of (A) deductible obligations, self-insurance obligations, re-insurance obligations, completion guarantees, surety, judgment, appeal or performance bonds, or other similar bonds, instruments or obligations, provided, or relating to liabilities or obligations incurred, in the ordinary course of business, or (B) Hedging Obligations entered into for bona fide hedging purposes that are incurred in the ordinary course of business, or (C) the financing of insurance premiums in the ordinary course of business, or (D) netting, overdraft protection and other arrangements arising under standard business terms of any bank at which the Company or any Restricted Subsidiary maintains an overdraft, cash pooling or other similar facility or arrangement;

(ix) Indebtedness (A) of a Special Purpose Subsidiary secured by a Lien on all or part of the assets disposed of in, or otherwise Incurred in connection with, a Financing Disposition or (B) otherwise Incurred in connection with a Special Purpose Financing; *provided* that (1) such Indebtedness is not recourse to the Company or any Restricted Subsidiary that is not a Special Purpose Subsidiary (other than with respect to Special Purpose Financing Undertakings or with respect to potential liability of Aviscar Inc. or Budgetcar Inc., or their respective successors, in their capacity as partners in a Canadian Securitization Entity), (2) in the event such Indebtedness shall become recourse to the Company or any Restricted Subsidiary that is not a Special Purpose Subsidiary (other than with respect to Special Purpose Financing Undertakings), such Indebtedness will be deemed to be, and must be classified by the Company as, Incurred at such time (or at the time initially Incurred) under one or more of the other provisions of this covenant for so long as such Indebtedness shall be so recourse, and (3) in the event that at anytime thereafter such Indebtedness shall comply with the provisions of the preceding subclause (1), the Company may classify such Indebtedness in whole or in part as Incurred under this clause (b)(ix) of this covenant;

(x) Indebtedness of any Person that is assumed by the Company or any Restricted Subsidiary in connection with its acquisition of assets from such Person or any Affiliate thereof or is issued and outstanding on or prior to the date on which such Person was acquired by the Company or any Restricted Subsidiary or merged or consolidated with or into any Restricted Subsidiary (other than

Indebtedness Incurred to finance, or otherwise Incurred in connection with, such acquisition), *provided* that on the date of such acquisition, merger or consolidation, after giving effect thereto, the Company could Incur at least \$1.00 of additional Indebtedness pursuant to paragraph (a) above; and any Refinancing Indebtedness with respect to any such Indebtedness;

(xi) Indebtedness of the Company or any Restricted Subsidiary that (A) is in the form of a demand note or other promissory note, (B) is in favor of, or for the benefit of, any Unrestricted Subsidiary, and (C) serves as credit enhancement for any vehicle-related financing; and

(xii) in addition to the items referred to in clauses (i) through (xi) above, Indebtedness of the Company or any Restricted Subsidiary in an aggregate outstanding principal amount at anytime not exceeding an amount equal to 3.25% of Consolidated Tangible Assets.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this covenant, (i) any other obligation of the obligor on such Indebtedness (or of any other Person who could have Incurred such Indebtedness under this covenant) arising under any Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation supporting such Indebtedness shall be disregarded to the extent that such Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation secures the principal amount of such Indebtedness; (ii) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in paragraphs (a) or (b) above, the Company, in its sole discretion, shall classify such item of Indebtedness and may include the amount and type of such Indebtedness in one or more of such clauses (including in part under one such clause and in part under another such clause), and may reclassify such item of Indebtedness in any manner that complies with this covenant and only be required to include the amount and type of such Indebtedness in one of such clauses; (iii) if obligations in respect of letters of credit are Incurred pursuant to a Credit Facility and are being treated as Incurred pursuant to clause (i) of paragraph (b) above and the letters of credit relate to other Indebtedness, then such other Indebtedness shall not be included; and (iv) the amount of Indebtedness issued at a price that is less than the principal amount thereof shall be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

(d) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness denominated in a foreign currency, the dollar-equivalent principal amount of such Indebtedness Incurred pursuant thereto shall be calculated based on the relevant currency exchange rate in effect on the date that such Indebtedness was Incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness, provided that (x) the dollar-equivalent principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date, (y) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency (or in a different currency from such Indebtedness so being Incurred), and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount (whichever is higher) of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing, and (z) the dollar-equivalent principal amount of Indebtedness denominated in a foreign currency and Incurred pursuant to a Senior Credit Facility shall be calculated based on the relevant currency exchange rate in effect on, at the Company's option, (i) the Issue Date, (ii) any date on which any of the respective commitments under such Senior Credit Facility shall be reallocated between or among facilities or subfacilities thereunder, or on which such rate is otherwise calculated for any purpose thereunder, or (iii) the date of such Incurrence. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Limitation on restricted payments

The 2017 Indenture provides as follows:

(a) The Company shall not, and shall not permit any Restricted Subsidiary, directly or indirectly, to (i) declare or pay any dividend or make any distribution on or in respect of its Capital Stock (including any such payment in connection with any merger or consolidation to which the Company is a party) except (x) dividends or distributions payable solely in its Capital Stock (other than Disqualified Stock) and (y) dividends or distributions payable to the Company or any Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to other holders of its Capital Stock on no more than a pro rata basis), (ii) purchase, redeem, retire or otherwise acquire for value any Capital Stock of the Company held by Persons other than the Company or a Restricted Subsidiary, (iii) voluntarily purchase, repurchase, redeem, defease or otherwise voluntarily acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Obligations (other than a purchase, repurchase, redemption, defeasance or other acquisition or retirement for value in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such acquisition or retirement) or (iv) make any Investment (other than a Permitted Investment) in any Person (any such dividend, distribution, purchase, repurchase, redemption, defeasance, other acquisition or retirement or Investment being herein referred to as a “Restricted Payment”), if at the time the Company or such Restricted Subsidiary makes such Restricted Payment and after giving effect thereto:

(i) a Default shall have occurred and be continuing (or would result therefrom);

(ii) the Company could not Incur at least an additional \$1.00 of Indebtedness pursuant to paragraph (a) of the covenant described under “— Limitation on indebtedness”; or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments (the amount so expended, if other than in cash, as determined in good faith by the Board, whose determination shall be conclusive and evidenced by a resolution of the Board) declared or made subsequent to the Issue Date and then outstanding would exceed, without duplication, the sum of:

(A) 50% of the Consolidated Net Income accrued during the period (treated as one accounting period) beginning on April 1, 2006 to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which Consolidated Financial Statements of the Company are available (or, in case such Consolidated Net Income shall be a negative number, 100% of such negative number);

(B) 100% of the aggregate Net Cash Proceeds and the fair value (as determined in good faith by the Board) of property or assets received (x) by the Company as capital contributions to the Company after the Issue Date or from the issuance or sale (other than to a Restricted Subsidiary) of its Capital Stock (other than Disqualified Stock) after the Issue Date or (y) by the Company or any Restricted Subsidiary from the issuance and sale by the Company or any Restricted Subsidiary of Indebtedness that shall have been converted into or exchanged after the Issue Date for Capital Stock of the Company or any Parent (other than Disqualified Stock), plus the amount of any cash and the fair value (as determined in good faith by the Board) of any property or assets, received by the Company or any Restricted Subsidiary upon such conversion or exchange;

(C) the aggregate amount equal to the net reduction in Investments in Unrestricted Subsidiaries resulting from (i) dividends, distributions, cancellation of indebtedness for borrowed money owed by the Company or any Restricted Subsidiary to an Unrestricted Subsidiary, interest payments, return of capital, repayments of Investments or other transfers of assets to the Company or any Restricted Subsidiary from any Unrestricted Subsidiary, including dividends or other distributions related to dividends or other distributions made pursuant to clause (viii) of the following paragraph (b) (but only to the extent such amount is not included in Consolidated Net Income), or (ii) the redesignation of any Unrestricted Subsidiary as a Restricted Subsidiary

(valued in each case as provided in the definition of “Investment”), not to exceed in the case of any such Unrestricted Subsidiary the aggregate amount of Investments (other than Permitted Investments) made by the Company or any Restricted Subsidiary in such Unrestricted Subsidiary after the Issue Date; and

(D) in the case of any disposition or repayment of any Investment constituting a Restricted Payment (without duplication of any amount deducted in calculating the amount of Investments at anytime outstanding included in the amount of Restricted Payments), an amount in the aggregate equal to the lesser of the return of capital, repayment or other proceeds with respect to all such Investments received by the Company or a Restricted Subsidiary and the initial amount of all such Investments constituting Restricted Payments.

(b) The provisions of the foregoing paragraph (a) do not prohibit any of the following, so long as a Default shall not have occurred and be continuing (or would result therefrom) (each, a “Permitted Payment”):

(i) any purchase, redemption, repurchase, defeasance or other acquisition or retirement of Capital Stock of the Company or Subordinated Obligations made by exchange (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares) for, or out of the proceeds of the substantially concurrent issuance or sale of, Capital Stock of the Company (other than Disqualified Stock and other than Capital Stock issued or sold to a Restricted Subsidiary) or a substantially concurrent capital contribution to the Company; *provided*, that the Net Cash Proceeds from such issuance, sale or capital contribution shall be excluded in subsequent calculations under clause (iii)(B) of the preceding paragraph (a);

(ii) any purchase, redemption, repurchase, defeasance or other acquisition or retirement of Subordinated Obligations (w) made by exchange for, or out of the proceeds of the substantially concurrent issuance or sale of, Indebtedness of the Company or Refinancing Indebtedness Incurred in compliance with the covenant described under “—Limitation on indebtedness,” (x) from Net Available Cash to the extent permitted by the covenant described under “—Limitation on sales of assets and subsidiary stock,” (y) following the occurrence of a Change of Control (or other similar event described therein as a “change of control”), but only if the Company shall have complied with the covenant described under “—Change of control” and, if required, purchased all 2017 Notes tendered pursuant to the offer to repurchase all the 2017 Notes required thereby, prior to purchasing or repaying such Subordinated Obligations or (z) constituting Acquired Indebtedness;

(iii) dividends paid within 60 days after the date of declaration thereof if at such date of declaration such dividend would have complied with the preceding paragraph (a);

Limitation on restrictions on distributions from restricted subsidiaries

The 2017 Indenture provides that the Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to (i) pay dividends or make any other distributions on its Capital Stock or pay any Indebtedness or other obligations owed to the Company, (ii) make any loans or advances to the Company or (iii) transfer any of its property or assets to the Company (*provided* that dividend or liquidation priority between classes of Capital Stock, or subordination of any obligation (including the application of any remedy bars thereto) to any other obligation, will not be deemed to constitute such an encumbrance or restriction), except any encumbrance or restriction:

(1) pursuant to any agreement in effect at or entered into on the Issue Date, including, without limitation, the 2017 Indenture, the 2017 Notes, the Senior Credit Facilities or any other Credit Facility;

(2) pursuant to any agreement or instrument of a Person, or relating to Indebtedness or Capital Stock of a Person, which Person is acquired by or merged or consolidated with or into the Company or any Restricted Subsidiary, or which agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets from such Person, as in effect at the time of such acquisition, merger or consolidation (except to the extent that such Indebtedness was incurred to finance, or otherwise in connection with, such acquisition, merger or consolidation); provided that for purposes of this clause (2), if a Person other than the Company is the Successor Company with respect thereto, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed, as the case may be, by the Company or a Restricted Subsidiary, as the case may be, when such Person becomes such Successor Company;

(3) pursuant to an agreement or instrument (a “Refinancing Agreement”) effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise extends, renews, refunds, refinances or replaces, an agreement or instrument referred to in clause (1) or (2) of this covenant or this clause (3) (an “Initial Agreement”) or contained in any amendment, supplement or other modification to an Initial Agreement (an “Amendment”); provided, however, that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment taken as a whole are not materially less favorable to the Holders of the 2017 Notes than encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Company);

(6) by reason of any applicable law, rule, regulation or order, or required by any regulatory authority having jurisdiction over the Company or any Restricted Subsidiary or any of their businesses; or

(7) pursuant to an agreement or instrument (A) relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to the provisions of the covenant described under “—Limitation on indebtedness” (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not less favorable to the Holders of the 2017 Notes than the encumbrances and restrictions contained in the Initial Agreements (as determined in good faith by the Company), or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Holders of the 2017 Notes than is customary in comparable financings (as determined in good faith by the Company) and either (x) the Company determines in good faith that such encumbrance or restriction will not materially affect the

Company's ability to make principal or interest payments on the 2017 Notes or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness, (B) relating to any sale of receivables by a Foreign Subsidiary (C) of, or relating to Indebtedness of or a Financing Disposition by or to or in favor of, any Special Purpose Entity or (D) of a financing arrangement of a Special Purpose Entity organized outside the United States.

Limitation on sales of assets and subsidiary stock

The 2017 Indenture provides as follows:

(a) The Company will not, and will not permit any Restricted Subsidiary to, make any Asset Disposition unless:

(i) the Company or such Restricted Subsidiary receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Disposition at least equal to the fair market value of the shares and assets subject to such Asset Disposition, as such fair market value may be determined (and shall be determined, to the extent such Asset Disposition or any series of related Asset Dispositions involves aggregate consideration in excess of \$25 million) in good faith by the Board, whose determination shall be conclusive (including as to the value of all non cash consideration);

(ii) in the case of any Asset Disposition (or series of related Asset Dispositions) having a fair market value of \$25 million or more other than in a sale of the Budget Truck Division for fair market value, at least 75% of the consideration therefor (excluding, in the case of an Asset Disposition (or series of related Asset Dispositions), any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, that are not Indebtedness) received by the Company or such Restricted Subsidiary is in the form of cash; and

(iii) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company (or any Restricted Subsidiary, as the case may be) as follows:

(A) *first*, either (x) to the extent the Company elects (or is required by the terms of any Bank Indebtedness, any senior indebtedness of the Company or any Subsidiary Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor), to prepay, repay or purchase any such Indebtedness or (in the case of letters of credit, bankers' acceptances or other similar instruments) cash collateralize any such Indebtedness (in each case other than Indebtedness owed to the Company or a Restricted Subsidiary) within 365 days after the later of the date of such Asset Disposition and the date of receipt of such Net Available Cash, or (y) to the extent the Company or such Restricted Subsidiary elects, to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with an amount equal to Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of the date of such Asset Disposition and the date of receipt of such Net Available Cash, or, if such investment in Additional Assets is a project authorized by the Board that will take longer than such 365 days to complete, the period of time necessary to complete such project;

(B) *second*, if the balance of such Net Available Cash after application in accordance with clause (A) above exceeds \$25 million, (such balance, the "Excess Proceeds"), to the extent of such Excess Proceeds, to make an offer to purchase 2017 Notes and (to the extent the Company or such Restricted Subsidiary elects, or is required by the terms thereof) to purchase, redeem or repay any other unsubordinated indebtedness of the Company or a Restricted Subsidiary, pursuant and subject to the conditions of the 2017 Indenture and the agreements governing such other Indebtedness; and

(C) *third*, to the extent of the balance of such Net Available Cash after application in accordance with clauses (A) and (B) above, to fund (to the extent consistent with any other applicable provision of the 2017 Indenture) any general corporate purpose (including but not limited to the repurchase, repayment or other acquisition or retirement of any Subordinated Obligations);

[Table of Contents](#)

provided, however, that in connection with any prepayment, repayment or purchase of Indebtedness pursuant to clause (A)(x) or (B) above, the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased.

Notwithstanding the foregoing provisions of this covenant, the Company and the Restricted Subsidiaries shall not be required to apply any Net Available Cash or equivalent amount in accordance with this covenant except to the extent that the aggregate Net Available Cash from all Asset Dispositions or equivalent amount that is not applied in accordance with this covenant exceeds \$50 million. If the aggregate principal amount of 2017 Notes or other Indebtedness of the Company or a Restricted Subsidiary validly tendered and not withdrawn (or otherwise subject to purchase, redemption or repayment) in connection with an offer pursuant to clause (B) above exceeds the Excess Proceeds, the Excess Proceeds will be apportioned between such 2017 Notes and such other Indebtedness of the Company or a Restricted Subsidiary, with the portion of the Excess Proceeds payable in respect of such 2017 Notes to equal the lesser of (x) the Excess Proceeds amount multiplied by a fraction, the numerator of which is the outstanding principal amount of such 2017 Notes and the denominator of which is the sum of the outstanding principal amount of the 2017 Notes and the outstanding principal amount of the relevant other Indebtedness of the Company or a Restricted Subsidiary, and (y) the aggregate principal amount of 2017 Notes validly tendered and not withdrawn.

For the purposes of clause (ii) of paragraph (a) above, the following are deemed to be cash: (1) Temporary Cash Investments and Cash Equivalents, (2) the assumption of Indebtedness of the Company (other than Disqualified Stock of the Company) or any Restricted Subsidiary and the release of the Company or such Restricted Subsidiary from all liability on payment of the principal amount of such Indebtedness in connection with such Asset Disposition, (3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Disposition, (4) securities received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash within 180 days, and (5) consideration consisting of Indebtedness of the Company or any Restricted Subsidiary.

(b) In the event of an Asset Disposition that requires the purchase of 2017 Notes pursuant to clause (iii)(B) of paragraph (a) above, the Company will be required to purchase 2017 Notes tendered pursuant to an offer by the Company for the 2017 Notes (the "Offer") at a purchase price of 100% of their principal amount plus accrued and unpaid interest to the Purchase Date in accordance with the procedures (including prorating in the event of oversubscription) set forth in the 2017 Indenture. If the aggregate purchase price of the 2017 Notes tendered pursuant to the Offer is less than the Net Available Cash allotted to the purchase of 2017 Notes, the remaining Net Available Cash will be available to the Company for use in accordance with clause (iii)(B) of paragraph (a) above (to repay other Indebtedness of the Company or a Restricted Subsidiary) or clause (iii)(C) of paragraph (a) above. The Company shall not be required to make an Offer for 2017 Notes pursuant to this covenant if the Net Available Cash available therefor (after application of the proceeds as provided in clause (iii)(A) of paragraph (a) above) is less than \$50 million for any particular Asset Disposition (which lesser amounts shall be carried forward for purposes of determining whether an Offer is required with respect to the Net Available Cash from any subsequent Asset Disposition). No note will be repurchased in part if less than the Minimum Denomination in original principal amount.

(c) To the extent that the provisions of any securities laws or regulations conflict with provisions of this "Limitation on sales of assets and subsidiary stock" covenant, the Company may comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the 2017 Indenture by virtue thereof.

Limitation on transactions with affiliates

The 2017 Indenture provides as follows:

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an "Affiliate Transaction") unless:

(i) such Affiliate transaction is entered into in good faith and the terms of such Affiliate Transaction are, taken as a whole, fair and reasonable to the Company or such Restricted Subsidiary; and

(ii) if such Affiliate Transaction involves aggregate consideration in excess of \$25 million, the terms of such Affiliate Transaction have been approved by a majority of the Disinterested Directors.

For purposes of this paragraph, any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this paragraph if (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) in the event there are no Disinterested Directors, the Company or such Restricted Subsidiary receives an opinion in customary form from a nationally recognized appraisal or investment banking firm to the effect that such Affiliate Transaction is fair to the Company or such Restricted Subsidiary from a financial point of view.

(b) The provisions of the preceding paragraph (a) will not apply to:

(i) any Restricted Payment Transaction;

(ii) (1) the entering into, maintaining or performance of any employment contract, collective bargaining agreement, benefit plan, program or arrangement, related trust agreement or any other similar arrangement for or with any employee, officer or director heretofore or hereafter entered into in the ordinary course of business, including vacation, health, insurance, deferred compensation, severance, retirement, savings or other similar plans, programs or arrangements, (2) the payment of compensation, performance of indemnification or contribution obligations, or any issuance, grant or award of stock, options, other equity-related interests or other securities, to employees, officers or directors in the ordinary course of business, (3) the payment of reasonable fees to directors of the Company or any of its Subsidiaries (as determined in good faith by the Company or such Subsidiary) or (4) Management Advances and payments in respect thereof (or in reimbursement of any expenses referred to in the definition of such term);

(iii) any transaction with, including an investment in, the Company, any Restricted Subsidiary, or any Special Purpose Entity;

(iv) any transaction arising out of the *Separation and Distribution Agreement*, dated as of July 27, 2006 (as amended, modified or supplemented in accordance with its terms), among Avis Budget Group, Inc., Realogy Corporation, Wyndham Worldwide Corporation and Travelport Inc. in existence on the Issue Date, and any payments made pursuant thereto;

(v) any transaction in the ordinary course of business, or approved by a majority of the Board, between the Company or any Restricted Subsidiary and any Affiliate of the Company controlled by the Company that is a joint venture or similar entity;

(vi) the execution, delivery and performance of any Tax Sharing Agreement;

(vii) any issuance or sale of Capital Stock (other than Disqualified Stock) of the Company or capital contribution to the Company;

(viii) transactions with Affiliates solely in their capacity as holders of Indebtedness or Capital Stock of the Company or any of its Subsidiaries, where such Affiliates hold less Indebtedness or Capital Stock than non-Affiliates and such Affiliates receive the same consideration as non-Affiliates in such transactions;

Table of Contents

(ix) any transaction with any Person who is not an Affiliate immediately before the consummation of such transaction that becomes an Affiliate as a result of such transaction; and

(x) transactions exclusively between or among the Company and any of its Restricted Subsidiaries, provided such transactions are not otherwise prohibited by the 2017 Indenture.

Limitation on liens

The 2017 Indenture provides that the Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or permit to exist any Lien (other than Permitted Liens) on any of its property or assets (including Capital Stock of any other Person), whether owned on the date of the 2017 Indenture or thereafter acquired, securing any Indebtedness (the “Initial Lien”), unless contemporaneously therewith effective provision is made to secure the Indebtedness due under the 2017 Indenture and the 2017 Notes or, in respect of Liens on any Restricted Subsidiary’s property or assets, any Subsidiary Guarantee of such Restricted Subsidiary, equally and ratably with (or on a senior basis to, in the case of Subordinated Obligations or Guarantor Subordinated Obligations) such obligation for so long as such obligation is so secured by such Initial Lien. Any such Lien thereby created in favor of the 2017 Notes or any such Subsidiary Guarantee will be automatically and unconditionally released and discharged upon (i) the release and discharge of the Initial Lien to which it relates, (ii) in the case of any such Lien in favor of any such Subsidiary Guarantee, upon the termination and discharge of such Subsidiary Guarantee in accordance with the terms of the 2017 Indenture or (iii) any sale, exchange or transfer (other than a transfer constituting a transfer of all or substantially all of the assets of the Company that is governed by the provisions of the covenant described under “—Merger and consolidation” below) to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien, or of all of the Capital Stock held by the Company or any Restricted Subsidiary in, or all or substantially all the assets of, any Restricted Subsidiary creating such Initial Lien.

Future subsidiary guarantors

As set forth more particularly under “—Subsidiary guarantees,” the 2017 Indenture provides that the Company will cause each Domestic Subsidiary that guarantees payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities to execute and deliver to the Trustee a supplemental indenture or other instrument pursuant to which such Domestic Subsidiary will guarantee payment of the 2017 Notes, whereupon such Domestic Subsidiary will become a Subsidiary Guarantor for all purposes under the 2017 Indenture. The Company will also have the right to cause any other Subsidiary to guarantee payment of the 2017 Notes. Subsidiary Guarantees will be subject to release and discharge under certain circumstances prior to payment in full of the 2017 Notes. See “—Subsidiary guarantees.”

SEC reports

Prior to consummation of the Exchange Offer and when any 2017 Notes under the 2017 Indenture are outstanding, the Company will provide to the Trustee and the holders of 2017 Notes:

(a) within 90 days after the end of the Company’s fiscal year, financial statements and management’s discussion and analysis of financial condition and results of operations substantially equivalent to that which would be required to be included in an Annual Report on Form 10-K of the Company were the Company subject to an obligation to file such a report under the Exchange Act;

(b) within 45 days after the end of each of the first three fiscal quarters in each fiscal year of the Company, financial statements and management’s discussion and analysis of financial condition and results of operations substantially equivalent to that which would be required to be included in a Quarterly Report on Form 10-Q of the Company were the Company subject to an obligation to file such a report under the Exchange Act;

Table of Contents

provided, however, that the reports set forth in clauses (a) and (b) above shall not be required to: (x) contain any certification required by any such form or the Sarbanes-Oxley Act of 2002, (y) include separate financial statements of any Guarantor or the Co-Issuer or (z) include any exhibit.

The 2017 Indenture provides that, following consummation of the Exchange Offer, notwithstanding that the Company may not be required to be or remain subject to the reporting requirements of Section 13(a) or 15(d) of the Exchange Act, the Company will file with the SEC (unless such filing is not permitted under the Exchange Act or by the SEC), so long as any 2017 Notes are outstanding, the annual reports, information, documents and other reports that the Company is required to file with the SEC pursuant to such Section 13(a) or 15(d) or would be so required to file if the Company were so subject. The Company will also, within 15 days after the date on which the Company was so required to file or would be so required to file if the Company were so subject, transmit by mail to all applicable Holders, as their names and addresses appear in the Note register, and to the Trustee (or make available on a Company website) copies of any such information, documents and reports (without exhibits) so required to be filed. The Company will be deemed to have satisfied the requirements of this paragraph if any Parent files with the SEC and provides reports, documents and information of the types otherwise so required, in each case within the applicable time periods specified by the applicable rules and regulations of the SEC, and the Company is not required to file such reports, documents and information separately under the applicable rules and regulations of the SEC (after giving effect to any exemptive relief) because of the filings by such Parent. The Company will comply with the other provisions of TIA § 314(a).

Merger and consolidation

The 2017 Indenture provides that the Company will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(i) the resulting, surviving or transferee Person (the “Successor Company”) will be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not the Company) will expressly assume all the obligations of the Company under the 2017 Notes and the 2017 Indenture by executing and delivering to the Trustee a supplemental indenture or one or more other documents or instruments;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Restricted Subsidiary as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default will have occurred and be continuing;

(iii) immediately after giving effect to such transaction, either (A) the Successor Company could Incur at least \$1.00 of additional Indebtedness pursuant to paragraph (a) of the covenant described under “—Certain covenants—Limitation on indebtedness,” or (B) the Consolidated Coverage Ratio of the Company (or, if applicable, the Successor Company with respect thereto) would equal or exceed the Consolidated Coverage Ratio of the Company immediately prior to giving effect to such transaction;

(iv) each applicable Subsidiary Guarantor (other than (x) any Subsidiary Guarantor that will be released from its obligations under its Subsidiary Guarantee in connection with such transaction and (y) any party to any such consolidation or merger) shall have delivered a supplemental indenture or other document or instrument, confirming its Subsidiary Guarantee (other than any Subsidiary Guarantee that will be discharged or terminated in connection with such transaction); and

(v) the Company will have delivered to such Trustee an Officer’s Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer complies with the provisions described in this paragraph, provided that (x) in giving such opinion such counsel may assume compliance with the foregoing clauses (ii) and (iii) to the extent such opinion would otherwise be required to address financial matters or tests and, as to any matters of fact may rely on an Officer’s Certificate, and (y) no Opinion of Counsel will be required for a consolidation, merger or transfer described in the last paragraph of this covenant.

Table of Contents

Any Indebtedness that becomes an obligation of the Company or any Restricted Subsidiary (or that is deemed to be Incurred by any Person that becomes a Restricted Subsidiary) as a result of any such transaction undertaken in compliance with this covenant, and any Refinancing Indebtedness with respect thereto, shall be deemed to have been Incurred in compliance with the covenant described under “—Certain covenants—Limitation on indebtedness.”

The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under the 2017 Indenture, and thereafter the predecessor Company shall be relieved of all obligations and covenants under the 2017 Indenture, except that the predecessor Company in the case of a lease of all or substantially all its assets will not be released from the obligation to pay the principal of and interest on the 2017 Notes.

Clauses (ii) and (iii) of the first paragraph of this “Merger and consolidation” covenant will not apply to any transaction in which (1) any Restricted Subsidiary consolidates with, merges with or into or conveys or transfers all or part of its assets to the Company or (2) the Company consolidates with or merges with or into or conveys or transfers all or substantially all its properties and assets to (x) an Affiliate incorporated or organized for the purpose of reincorporating or reorganizing the Company in another jurisdiction or changing its legal structure to a corporation or other entity or (y) a Restricted Subsidiary of the Company so long as all assets of the Company and the Restricted Subsidiaries immediately prior to such transaction (other than Capital Stock of such Restricted Subsidiary) are owned by such Restricted Subsidiary and its Restricted Subsidiaries immediately after the consummation thereof.

Defaults

An Event of Default is defined in the 2017 Indenture as:

- (i) a default in any payment of interest on any note when due, continued for 30 days;
- (ii) a default in the payment of principal of any note when due, whether at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration of acceleration or otherwise;
- (iii) the failure by the Company to comply with its obligations under the first paragraph of the covenant described under “—Merger and consolidation” above;
- (iv) the failure by the Company to comply for 30 days after notice with any of its obligations under the covenant described under “—Change of control” above (other than a failure to purchase 2017 Notes);
- (v) the failure by the Company to comply for 60 days after notice with its other agreements contained in the 2017 Notes or the 2017 Indenture;
- (vi) the failure by any applicable Subsidiary Guarantor to comply for 45 days after notice with its obligations under its applicable Subsidiary Guarantee;
- (vii) the failure by the Company or any Restricted Subsidiary to pay any Indebtedness within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, if the total amount of such Indebtedness so unpaid or accelerated exceeds \$50 million or its foreign currency equivalent; *provided*, that no Default or Event of Default will be deemed to occur with respect to any such accelerated Indebtedness that is paid or otherwise acquired or retired within 30 days after such acceleration (the “cross acceleration provision”);
- (viii) certain events of bankruptcy, insolvency or reorganization of the Company or a Significant Subsidiary, or of other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person (the “bankruptcy provisions”);
- (ix) the rendering of any judgment or decree for the payment of money in an amount (net of any insurance or indemnity payments actually received in respect thereof prior to or within 90 days from the entry thereof, or to be received in respect thereof in the event any appeal thereof shall be unsuccessful) in

Table of Contents

excess of \$50 million or its foreign currency equivalent against the Company or a Significant Subsidiary, or jointly and severally against other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person, that is not discharged, or bonded or insured by a third Person, if such judgment or decree remains outstanding for a period of 90 days following such judgment or decree and is not discharged, waived or stayed (the “judgment default provision”); or

(x) the failure of any applicable Subsidiary Guarantee by a Subsidiary Guarantor that is a Significant Subsidiary to be in full force and effect (except as contemplated by the terms thereof or of the 2017 Indenture) or the denial or disaffirmation in writing by any applicable Subsidiary Guarantor that is a Significant Subsidiary of its obligations under the 2017 Indenture or any applicable Subsidiary Guarantee, if such Default continues for 10 days.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a Default under clause (iv), (v) or (vi) will not constitute an Event of Default until the Trustee or the Holders of at least 30% in principal amount of the outstanding 2017 Notes notify the Company of the Default and the Company does not cure such Default within the time specified in such clause after receipt of such notice.

If an Event of Default (other than a Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) occurs and is continuing the Trustee by notice to the Company, or the Holders of at least 30% in principal amount of the outstanding 2017 Notes by notice to the Company and the Trustee, may declare the principal of and accrued but unpaid interest on all the 2017 Notes to be due and payable. Upon the effectiveness of such a declaration, such principal and interest will be due and payable immediately.

Notwithstanding the foregoing, if an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs and is continuing, the principal of and accrued but unpaid interest on all the 2017 Notes will become immediately due and payable without any declaration or other act on the part of the Trustee or any applicable Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding 2017 Notes may rescind any such acceleration with respect to the 2017 Notes and its consequences.

Subject to the provisions of the 2017 Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, such Trustee will be under no obligation to exercise any of the rights or powers under the 2017 Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the 2017 Indenture or the 2017 Notes unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) Holders of at least 30% in principal amount of the outstanding 2017 Notes of the applicable class have requested the Trustee in writing to pursue the remedy, (iii) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense, (iv) such Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding 2017 Notes of the applicable class have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding 2017 Notes of the applicable class are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on such Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the 2017 Indenture or that such Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve such Trustee in personal liability. Prior to taking any action under the 2017 Indenture, the Trustee is entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

[Table of Contents](#)

The 2017 Indenture provides that if a Default occurs and is continuing and is known to the Trustee, such Trustee must mail to each Holder notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of, or premium (if any) or interest on, any note, the Trustee may withhold notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is in the interests of the noteholders. In addition, the Company is required to deliver to the Trustee, within 120 days after the end of each fiscal year, a certificate indicating whether the signers thereof know of any Default occurring during the previous year. The Company also is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any event that would constitute certain Defaults, their status and what action the Company is taking or proposes to take in respect thereof.

Amendments and waivers

Subject to certain exceptions, the 2017 Indenture may be amended with the consent of the Holders of a majority in principal amount of the 2017 Notes then outstanding and any past default or compliance with any provisions may be waived with the consent of the Holders of a majority in principal amount of the 2017 Notes of the applicable class then outstanding (including in each case, consents obtained in connection with a tender offer or exchange offer for 2017 Notes). However, without the consent of each Holder of an outstanding note affected, no amendment or waiver may (i) reduce the principal amount of 2017 Notes of the applicable class whose Holders must consent to an amendment or waiver, (ii) reduce the rate of or extend the time for payment of interest on any note of the applicable class, (iii) reduce the principal of or extend the Stated Maturity of any note of the applicable class, (iv) reduce the premium payable upon the redemption of any note of the applicable class, or change the date on which any note of the applicable class may be redeemed as described under “—Optional redemption” above, (v) make any note of the applicable class payable in money other than that stated in such note, (vi) impair the right of any Holder to receive payment of principal of and interest on such Holder’s 2017 Notes of the applicable class on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder’s 2017 Notes of the applicable class, or (vii) make any change in the amendment or waiver provisions described in this sentence.

Without the consent of any applicable Holder, the Company, the Trustee and (as applicable) any Subsidiary Guarantor may amend the 2017 Indenture to cure any ambiguity, manifest error, omission, defect or inconsistency, to provide for the assumption by a successor of the obligations of the Company or a Subsidiary Guarantor under such 2017 Indenture, to provide for uncertificated notes in addition to or in place of certificated notes, to add Guarantees with respect to the 2017 Notes, to secure the 2017 Notes, to confirm and evidence the release, termination or discharge of any Guarantee or Lien with respect to or securing the 2017 Notes when such release, termination or discharge is provided for under the 2017 Indenture, to add to the covenants of the Company for the benefit of the noteholders or to surrender any right or power conferred upon the Company, to provide for or confirm the issuance of Additional Notes, to conform the text of the 2017 Indenture, the 2017 Notes or any Subsidiary Guarantee to any provision of this “Description of 2017 Exchange Notes,” to provide additional rights or benefits to the Holders or make any change that does not materially adversely affect the rights of any Holder, to release a Subsidiary Guarantor from its obligations under its Subsidiary Guarantee or the 2017 Indenture in accordance with the applicable provisions of the 2017 Indenture, to provide for the appointment of a successor trustee, *provided* that the successor trustee is otherwise qualified and eligible to act as such under the terms of the 2017 Indenture, or to comply with any requirement of the SEC in connection with the qualification of the 2017 Indenture under the TIA or otherwise.

The consent of the noteholders is not necessary under the 2017 Indenture to approve the particular form of any proposed amendment or waiver. It is sufficient if such consent approves the substance of the proposed amendment or waiver. Until an amendment or waiver becomes effective, a consent to it by a noteholder is a continuing consent by such noteholder and every subsequent Holder of all or part of the related note. Any such noteholder or subsequent holder may revoke such consent as to its note by written notice to the Trustee or the Company, received thereby before the date on which the Company certifies to such Trustee that the Holders of the requisite principal amount of 2017 Notes have consented to such amendment or waiver. After an amendment

[Table of Contents](#)

or waiver under the 2017 Indenture becomes effective, the Company is required to mail to noteholders a notice briefly describing such amendment or waiver. However, the failure to give such notice to all noteholders, or any defect therein, will not impair or affect the validity of the amendment or waiver.

Defeasance

The Company at any time may terminate all its obligations under the 2017 Notes and the 2017 Indenture (“legal defeasance”), except for certain obligations, including those relating to the defeasance trust and obligations to register the transfer or exchange of the 2017 Notes, to replace mutilated, destroyed, lost or stolen 2017 Notes and to maintain a registrar and paying agent in respect of the 2017 Notes. The Company at any time may terminate its obligations under certain covenants under the 2017 Indenture, including the covenants described under “—Certain covenants” and “—Change of control,” the operation of the default provisions relating to such covenants described under “—Defaults” above, the operation of the cross acceleration provision, the bankruptcy provisions with respect to Subsidiaries and the judgment default provision described under “—Defaults” above, and the limitations contained in clauses (iii), (iv) and (v) under “—Merger and consolidation” above (“covenant defeasance”). If the Company exercises its legal defeasance option or its covenant defeasance option, each Subsidiary Guarantor will be released from all of its obligations with respect to its applicable Subsidiary Guarantee.

The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. If the Company exercises its legal defeasance option, payment of the 2017 Notes may not be accelerated because of an Event of Default with respect thereto. If the Company exercises its covenant defeasance option, payment of the 2017 Notes may not be accelerated because of an Event of Default specified in clause (iv), (v) (as it relates to the covenants described under “—Certain covenants” above), (vi), (vii), (viii) (but only with respect to events of bankruptcy, insolvency or reorganization of a Subsidiary), (ix) or (x) under “—Defaults” above or because of the failure of the Company to comply with clause (iii), (iv) or (v) under “—Merger and consolidation” above.

Either defeasance option may be exercised to any redemption date or to the maturity date for the 2017 Notes. In order to exercise either defeasance option, the Company must irrevocably deposit in trust (the “defeasance trust”) with the Trustee money or U.S. Government Obligations, or a combination thereof, sufficient (without reinvestment) to pay principal of, and premium (if any) and interest on, the 2017 Notes to redemption or maturity, as the case may be, and must comply with certain other conditions, including delivery to the Trustee of an Opinion of Counsel (subject to customary exceptions and exclusions) to the effect that holders of the 2017 Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such deposit and defeasance and will be subject to United States federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and, in the case of legal defeasance only, such Opinion of Counsel (x) must be based on a ruling of the Internal Revenue Service or other change in applicable United States federal income tax law since the Issue Date and (y) need not be delivered if all 2017 Notes not theretofore delivered to the Trustee for cancellation have become due and payable, will become due and payable at its Stated Maturity within one year, or are to be called for redemption within one year, under arrangements reasonably satisfactory to the Trustee in the name, and at the expense, of the Company).

Satisfaction and discharge

The 2017 Indenture will be discharged and cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the 2017 Notes, as expressly provided for in such 2017 Indenture) as to all outstanding 2017 Notes of the applicable class when (i) either (a) all 2017 Notes of the applicable class previously authenticated and delivered (other than certain lost, stolen or destroyed 2017 Notes, and certain 2017 Notes for which provision for payment was previously made and thereafter the funds have been released to the Company) have been delivered to the Trustee for cancellation or (b) all 2017 Notes of the applicable class not previously delivered to the Trustee for cancellation (x) have become due and payable, (y) will become due and

[Table of Contents](#)

payable at their Stated Maturity within one year or (z) have been or are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by such Trustee in the name, and at the expense, of the Company; (ii) the Company has irrevocably deposited or caused to be deposited with the Trustee money, U.S. Government Obligations, or a combination thereof, sufficient (without reinvestment) to pay and discharge the entire indebtedness on the 2017 Notes of the applicable class not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to, but not including, the date of redemption or their Stated Maturity, as the case may be; (iii) the Company has paid or caused to be paid all other sums payable under the 2017 Indenture by the Company; and (iv) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each to the effect that all conditions precedent under the "Satisfaction and Discharge" section of the 2017 Indenture relating to the satisfaction and discharge of such 2017 Indenture have been complied with, *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (i), (ii) and (iii)).

No personal liability of directors, officers, employees, incorporators and stockholders

No director, officer, employee, incorporator, equity holder, member or stockholder of any Issuer, any Subsidiary Guarantor or any Subsidiary of any thereof shall have any liability for any obligation of the Company or any Subsidiary Guarantor under the 2017 Indenture, the 2017 Notes or any Subsidiary Guarantee, or for any claim based on, in respect of, or by reason of, any such obligation or its creation. Each noteholder, by accepting the 2017 Notes, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2017 Notes.

Concerning the Trustee

The Bank of Nova Scotia Trust Company of New York is the Trustee under the 2017 Indenture and is appointed by the Company as Registrar and Paying Agent with regard to the 2017 Notes.

The 2017 Indenture provides that, except during the continuance of an Event of Default, the Trustee will perform only such duties as are set forth specifically in such 2017 Indenture. DESCRIPTION OF 2023 EXCHANGE NOTES

The 2023 Exchange Notes are to be issued under the 2023 Indenture, dated as of April 3, 2013, among ABCR, Avis Finance, the Guarantors and The Bank of Nova Scotia Trust Company of New York, as trustee (the “Trustee”). This is the same indenture under which the Old 2023 Notes were issued. Any Old Note that remains outstanding after the completion of the 2023 Exchange Offer, together with the 2023 Exchange Notes issued in connection with the 2023 Exchange Offer, will be treated as a single class of securities under the 2023 Indenture. The 2023 Exchange Notes will be referred to, in this “Description of 2023 Exchange Notes” as the “2023 Notes” or the “notes.”

The 2023 Indenture contains provisions that define your rights and govern the obligations of the Company under the notes. Copies of the form of the 2023 Indenture and the 2023 Notes will be made available to prospective purchasers of the notes upon request, when available.

The following is a summary of certain provisions of the 2023 Indenture and the 2023 Notes. It does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the 2023 Indenture, including the definitions of certain terms therein and those terms to be made a part thereof by the TIA. The capitalized terms defined in “—Certain definitions” below are used in this “Description of 2023 Exchange Notes” as so defined. In this “Description of 2023 Exchange Notes,” any reference to a “Holder” or a “noteholder” refers to the registered holders of the 2023 Notes (initially only Cede & Co., as nominee of DTC); and reference to “the Company” is to ABCR and not any of its subsidiaries. Any reference to the “Issuers” is to ABCR and Avis Finance, as co-issuers and not to any of their subsidiaries.

Brief description of the 2023 Notes

The 2023 Notes will:

- be general, unsubordinated obligations of the Issuers;
- be unsecured;
- be structurally subordinated to all existing and future Indebtedness and other liabilities (including trade payables) of the Company’s Subsidiaries (other than Subsidiaries that are or become Subsidiary Guarantors pursuant to the provisions described below under “—Guarantees”);
- be limited to an aggregate principal amount of \$500 million, subject to our ability to issue Additional Notes;
- mature on April 1, 2023;
- bear interest at the applicable rate per annum shown on the front cover of this prospectus from April 3, 2013, or from the most recent date to which interest has been paid or provided for;
- be issued in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof;
- be represented by one or more registered notes in global form, but in certain circumstances may be represented by notes in definitive form. See “Book entry, delivery and form”;
- be *pari passu* in right of payment with all existing and future unsubordinated indebtedness of the Issuers; and
- be unconditionally guaranteed on an unsubordinated basis by Avis Budget Group, Avis Budget Holdings, and each of the Company’s current and future Domestic Subsidiaries that guarantees payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities.

Because the 2023 Notes are unsecured, in the event of bankruptcy, liquidation, reorganization or other winding up of the Company or the Guarantors or upon default in payment with respect to, or the acceleration of, any Indebtedness under the Senior Credit Facilities or other senior secured indebtedness, the assets of our

Any such notice may be given prior to the completion of the related Equity Offering, and any such redemption or notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including but not limited to the completion of the related Equity Offering.

At any time prior to April 1, 2018, the 2023 Notes may also be redeemed or purchased (by the Company or any other Person) in whole or in part, at the Company's option, at a price (the "Redemption Price") equal to 100% of the principal amount thereof plus the Applicable Premium as of, and accrued but unpaid interest, if any, to, the date of redemption or purchase (the "Redemption Date") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Such redemption or purchase may be made upon notice mailed by first-class mail to each Holder's registered address, not less than 30 nor more than 60 days prior to the Redemption Date. The Company may provide in such notice that payment of the Redemption Price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person. Any such redemption, purchase or notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including but not limited to the occurrence of a Change of Control.

"Applicable Premium" means, with respect to a note at any Redemption Date, the greater of (i) 1% of the principal amount of such note and (ii) the excess of (A) the present value at such Redemption Date of (1) the redemption price of such note on April 1, 2018, such redemption price being that described in the second paragraph of this "Optional redemption" section plus (2) all required remaining scheduled interest payments due on such note through such date, computed using a discount rate equal to the Treasury Rate plus 50 basis points, over (B) the principal amount of such note on such Redemption Date; as calculated by the Company or on behalf of the Company by such Person as the Company shall designate; *provided* that such calculation shall not be a duty or obligation of the Trustee.

"Treasury Rate" means, with respect to a Redemption Date, the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15(519) that has become publicly available at least two Business Days prior to such Redemption Date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such Redemption Date to April 1, 2018; *provided, however*, that if the period from the Redemption Date to such date is not equal to the constant maturity of a United States Treasury security for which a weekly average yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if the period from the Redemption Date to such date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

Selection

In the case of any partial redemption, selection of the 2023 Notes for redemption will be made by the Trustee on a pro rata basis, or, to the extent a pro rata basis is not permitted, by such other method as such Trustee shall deem to be fair and appropriate, although no note of the Minimum Denomination in original principal amount or less will be redeemed in part. If any note is to be redeemed in part only, the notice of redemption relating to such note shall state the portion of the principal amount thereof to be redeemed. A new note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original note.

Guarantees

The 2023 Notes will be guaranteed by Avis Budget Group, our indirect parent company, Avis Budget Holdings, our direct parent company (collectively with Avis Budget Group, the “Parent Guarantors”), and each Domestic Subsidiary that guarantees payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities (collectively, the “Subsidiary Guarantors”). In addition, the Company will cause each Domestic Subsidiary that guarantees payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities to execute and deliver to the Trustee a supplemental indenture or other instrument pursuant to which such Domestic Subsidiary will guarantee payment of the 2023 Notes, whereupon such Domestic Subsidiary will become a Subsidiary Guarantor for all purposes under the 2023 Indenture. In addition, the Company may cause any Subsidiary or other Person that is not a Subsidiary Guarantor to guarantee payment of the 2023 Notes and become a Guarantor.

Each Guarantor, as primary obligor and not merely as surety, will jointly and severally, irrevocably, fully and unconditionally Guarantee, on an unsecured unsubordinated basis the punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all monetary obligations of the Company under the 2023 Indenture and the 2023 Notes, whether for principal of or interest on the 2023 Notes, expenses, indemnification or otherwise. Each Guarantor will agree to pay, in addition to the amount stated above, any and all reasonable out-of-pocket expenses (including reasonable counsel fees and expenses) incurred by the Trustee or the applicable Holders in enforcing any rights under a Guarantee.

The obligations of each Guarantor will be limited to the maximum amount, as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including but not limited to any Guarantee by it of any Bank Indebtedness), result in the obligations of such Guarantor under the Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law, or being void or unenforceable under any law relating to insolvency of debtors.

Each Guarantee shall be a continuing Guarantee and shall (i) remain in full force and effect until payment in full of the principal amount of all outstanding 2023 Notes (whether by payment at maturity, purchase, redemption, defeasance, retirement or other acquisition) and all other applicable obligations then due and owing unless earlier terminated as described below, (ii) be binding upon such Guarantor and (iii) inure to the benefit of and be enforceable by the Trustee, the Holders and their permitted successors, transferees and assigns.

Notwithstanding the preceding paragraph, the Parent Guarantors and each Subsidiary Guarantor will automatically and unconditionally be released from all obligations under their Guarantees, and such Guarantees shall thereupon terminate and be discharged and of no further force or effect, (i) in the case of a Subsidiary Guarantor, concurrently with any direct or indirect sale or disposition (by merger or otherwise) of any Subsidiary Guarantor or any interest therein not prohibited by the terms of the 2023 Indenture (including the covenant described under “—Certain covenants—Limitation on sales of assets and subsidiary stock” and “—Merger and consolidation”) by the Company or a Restricted Subsidiary or any other transaction, following which such Subsidiary Guarantor is no longer a Restricted Subsidiary of the Company, (ii) at any time that such Guarantor is released from all of its obligations under all of its Guarantees of payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities (it being understood that a release subject to contingent

reinstatement is still a release, and that if any such Guarantee is so reinstated, such Guarantee shall also be reinstated), provided that the release of obligations described in this clause (ii) shall not apply to Avis Budget Group, Inc., (iii) upon the merger or consolidation of any Guarantor with and into the Company or another Guarantor that is the surviving Person in such merger or consolidation, or upon the liquidation of such Guarantor following or contemporaneously with the transfer of all of its assets to the Company or another Guarantor, provided that the release of obligations described in this clause (iii) shall not apply to Avis Budget Group, Inc., (iv) concurrently with a Subsidiary Guarantor becoming an Unrestricted Subsidiary, (v) upon legal or covenant defeasance of the Company's obligations, or satisfaction and discharge of the 2023 Indenture, or (vi) subject to customary contingent reinstatement provisions, upon payment in full of the aggregate principal amount of all 2023 Notes then outstanding. In addition, the Company will have the right, upon 5 days' notice to the Trustee, to cause any Subsidiary Guarantor that has not guaranteed payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities to be unconditionally released from all obligations under its Subsidiary Guarantee, and such Subsidiary Guarantee shall thereupon terminate and be discharged and of no further force or effect. Upon any such occurrence specified in this paragraph, the Trustee shall execute any documents reasonably required in order to evidence such release, discharge and termination in respect of such Subsidiary Guarantee.

Neither the Company nor any such Guarantor shall be required to make a notation on the 2023 Notes to reflect any such Guarantee or any such release, termination or discharge.

Ranking

The indebtedness evidenced by the 2023 Notes (a) will be unsecured unsubordinated indebtedness of the Issuers, (b) will rank *pari passu* in right of payment with all existing and future unsubordinated indebtedness of the Issuers and (c) will be senior in right of payment to all existing and future Subordinated Obligations of the Issuers to the extent set forth in the instrument containing the applicable subordination agreement. The 2023 Notes are unsecured. In the event of a bankruptcy or insolvency, the Company's secured lenders will have a prior secured claim to any collateral securing the debt owed to them.

Each Subsidiary Guarantee will (a) be unsecured unsubordinated indebtedness of the applicable Subsidiary Guarantor, (b) will rank *pari passu* in right of payment with all existing and future unsubordinated indebtedness of such Person and (c) will be senior in right of payment to all existing and future Guarantor Subordinated Obligations of such Person to the extent set forth in the instrument containing the applicable subordination agreement. Each Subsidiary Guarantee is unsecured. In the event of a bankruptcy or insolvency, the secured lenders of each Subsidiary Guarantor will have a prior secured claim to any collateral securing the debt owed to them.

A substantial part of the operations of the Company are conducted through its Subsidiaries. Claims of creditors of such Subsidiaries, including trade creditors, and claims of preferred shareholders (if any) of such Subsidiaries will have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of the Company, including holders of the 2023 Notes, unless such Subsidiary is a Subsidiary Guarantor with respect to the 2023 Notes. The 2023 Notes, therefore, will be "structurally" subordinated to creditors (including trade creditors) and preferred shareholders (if any) of other Subsidiaries of the Company (other than Subsidiaries that become Subsidiary Guarantors). Certain of the operations of a Subsidiary Guarantor may be conducted through Subsidiaries thereof that are not also Subsidiary Guarantors. Claims of creditors of such Subsidiaries, including trade creditors, and claims of preferred shareholders (if any) of such Subsidiaries will have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of such Subsidiary Guarantor, including claims under its Subsidiary Guarantee. Such Subsidiary Guarantee, if any, therefore, will be "structurally" subordinated to creditors (including trade creditors) and preferred shareholders (if any) of such Subsidiaries. Although the 2023 Indenture limits the incurrence of Indebtedness (including preferred stock) by certain of the Company's Subsidiaries, such limitation is subject to a number of significant qualifications.

Change of control

Upon the occurrence after the Issue Date of a Change of Control (as defined below), each Holder of 2023 Notes will have the right to require the Company to repurchase all or any part of such 2023 Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that the Company shall not be obligated to repurchase 2023 Notes pursuant to this covenant in the event that it has exercised its right to redeem all of the 2023 Notes as described under “—Optional redemption.”

The term “Change of Control” means:

- (i) any “person” (as such term is used in Sections 13(d) and 14(d) of the Exchange Act), other than one or more Permitted Holders or a Parent, becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the total voting power of the Voting Stock of the Company, provided that (x) so long as the Company is a Subsidiary of any Parent, no “person” shall be deemed to be or become a “beneficial owner” of more than 50% of the total voting power of the Voting Stock of the Company unless such “person” shall be or become a “beneficial owner” of more than 50% of the total voting power of the Voting Stock of such Parent and (y) any Voting Stock of which any Permitted Holder is the “beneficial owner” shall not in any case be included in any Voting Stock of which any such “person” is the “beneficial owner”;
- (ii) the Company or the Parent merges or consolidates with or into, or sells or transfers (in one or a series of related transactions) all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole, to, another Person (other than one or more Permitted Holders) and any “person” (as defined in clause (i) above), other than one or more Permitted Holders or any Parent, is or becomes the “beneficial owner” (as so defined), directly or indirectly, of more than 50% of the total voting power of the Voting Stock of the surviving Person in such merger or consolidation, or the transferee Person in such sale or transfer of assets, as the case may be, provided that (x) so long as such surviving or transferee Person is a Subsidiary of a parent Person, no “person” shall be deemed to be or become a “beneficial owner” of more than 50% of the total voting power of the Voting Stock of such surviving or transferee Person unless such “person” shall be or become a “beneficial owner” of more than 50% of the total voting power of the Voting Stock of such parent Person and (y) any Voting Stock of which any Permitted Holder is the “beneficial owner” shall not in any case be included in any Voting Stock of which any such “person” is the beneficial owner; or
- (iii) during any period of two consecutive years (during which period the Company has been a party to the 2023 Indenture), individuals who at the beginning of such period were members of the Board (together with any new members thereof whose election by such Board or whose nomination for election by holders of Capital Stock of the Company was approved by one or more Permitted Holders or by a vote of a majority of the members of such Board then still in office who were either members thereof at the beginning of such period or whose election or nomination for election was previously so approved) cease for any reason to constitute a majority of such Board then in office.

In the event that, at the time of such Change of Control, the terms of any Bank Indebtedness restrict or prohibit the repurchase of the 2023 Notes pursuant to this covenant, then prior to the mailing of the notice to applicable Holders provided for in the immediately following paragraph but in any event not later than 30 days following the date the Company obtains actual knowledge of any Change of Control (unless the Company has exercised its right to redeem all the 2023 Notes as described under “—Optional redemption”), the Company shall, or shall cause one or more of its Subsidiaries to, (i) repay in full all such Bank Indebtedness subject to such terms or offer to repay in full all such Bank Indebtedness and repay the Bank Indebtedness of each lender who has accepted such offer or (ii) obtain the requisite consent under the agreements governing such Bank Indebtedness to permit the repurchase of the 2023 Notes as provided for in the immediately following paragraph. The Company shall first comply with the provisions of the immediately preceding sentence before it shall be

[Table of Contents](#)

required to repurchase notes pursuant to the provisions described below. The Company's failure to comply with such provisions or the provisions of the immediately following paragraph shall constitute an Event of Default described in clause (iv) and not in clause (ii) under "—Defaults" below.

Unless the Company has exercised its right to redeem all the 2023 Notes as described under "—Optional redemption," the Company shall, not later than 30 days following the date the Company obtains actual knowledge of any Change of Control having occurred, mail a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee stating: (1) that a Change of Control has occurred or may occur and that such Holder has, or upon such occurrence will have, the right to require the Company to purchase such Holder's 2023 Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date); (2) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); (3) the instructions determined by the Company, consistent with this covenant, that a Holder must follow in order to have its 2023 Notes purchased; and (4) if such notice is mailed prior to the occurrence of a Change of Control, that such offer is conditioned on the occurrence of such Change of Control. No note will be repurchased in part if less than the Minimum Denomination in original principal amount of such note would be left outstanding.

The Company will not be required to make a Change of Control Offer upon a Change of Control if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the 2023 Indenture applicable to a Change of Control Offer made by the Company and purchases all 2023 Notes validly tendered and not withdrawn under such Change of Control Offer, or (ii) notice of redemption has been given pursuant to the 2023 Indenture as described under the caption "—Optional redemption," unless and until there is a default in the payment of the applicable redemption price.

To the extent that the provisions of any securities laws or regulations conflict with provisions of this "Change of Control" covenant, the Company may comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations hereunder by virtue thereof.

The Change of Control purchase feature is a result of negotiations between the Company and the Initial Purchasers. The Company has no present plans to engage in a transaction involving a Change of Control, although it is possible that the Company could decide to do so in the future. Subject to the limitations discussed below, the Company could, in the future, enter into certain transactions, including acquisitions, refinancings or recapitalizations, that would not constitute a Change of Control under the 2023 Indenture, but that could increase the amount of Indebtedness outstanding at such time or otherwise affect the Company's capital structure or credit ratings. Restrictions on the ability of the Company and its Restricted Subsidiaries to Incur additional Indebtedness are contained in the covenants described under "—Certain covenants—Limitation on indebtedness" and "—Certain covenants—Limitation on liens." Such restrictions can only be waived with the consent of the Holders of a majority in principal amount of the 2023 Notes then outstanding. Except for the limitations contained in such covenants, however, the 2023 Indenture does not contain any covenants or provisions that may afford Holders protection in the event of a highly leveraged transaction.

The occurrence of a Change of Control would constitute a default under the Senior Credit Agreement. Agreements governing future Indebtedness of the Company may contain prohibitions of certain events that would constitute a Change of Control or require such Indebtedness to be repurchased or repaid upon a Change of Control. The Senior Credit Agreement is expected to, and the agreements governing future Indebtedness of the Company may, prohibit the Company from repurchasing the 2023 Notes upon a Change of Control unless the Indebtedness governed by such Senior Credit Agreement or the agreements governing such future Indebtedness, as the case may be, has been repurchased or repaid (or an offer made to effect such repurchase or repayment has been made and the Indebtedness of those creditors accepting such offer has been repurchased or repaid) and/or other specified requirements have been met. Moreover, the exercise by the Holders of their right to require the Company to repurchase the 2023 Notes could cause a default under such agreements, even if the Change of

[Table of Contents](#)

Control itself does not, due to the financial effect of such repurchase on the Company and its Subsidiaries. Finally, the Company's ability to pay cash to the Holders upon a repurchase may be limited by the Company's then existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make any required repurchases. The provisions under the 2023 Indenture relating to the Company's obligation to make an offer to purchase the 2023 Notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the 2023 Notes. As described above under "—Optional redemption," the Company also has the right to redeem the 2023 Notes at specified prices, in whole or in part, upon a Change of Control or otherwise.

The definition of Change of Control includes a phrase relating to the sale or other transfer of "all or substantially all" of the Company's assets. Although there is a developing body of case law interpreting the phrase "substantially all," there is no precise definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Company, and therefore it may be unclear as to whether a Change of Control has occurred and whether the holders of the 2023 Notes have the right to require the Company to repurchase such 2023 Notes.

Certain covenants

The 2023 Indenture contains covenants including, among others, the covenants as described below.

Limitation on indebtedness

The 2023 Indenture provides as follows:

(a) The Company will not, and will not permit any Restricted Subsidiary to, Incur any Indebtedness; *provided, however*, that the Company or any Restricted Subsidiary may Incur Indebtedness if on the date of the Incurrence of such Indebtedness, after giving effect to the Incurrence thereof, the Consolidated Coverage Ratio would be greater than 2.00 to 1.00.

(b) Notwithstanding the foregoing paragraph (a), the Company and its Restricted Subsidiaries may Incur the following Indebtedness:

(i) Indebtedness Incurred pursuant to any Credit Facility (including, but not limited to, in respect of letters of credit or bankers' acceptances issued or created thereunder) and Indebtedness Incurred other than under any Credit Facility, and (without limiting the foregoing), in each case, any Refinancing Indebtedness in respect thereof, in a maximum principal amount at anytime outstanding not exceeding in the aggregate the amount equal to \$2,675 million;

(ii) Indebtedness (A) of any Restricted Subsidiary to the Company or (B) of the Company or any Restricted Subsidiary to any Restricted Subsidiary; provided, that any subsequent issuance or transfer of any Capital Stock of such Restricted Subsidiary to which such Indebtedness is owed, or other event, that results in such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of such Indebtedness (except to the Company or a Restricted Subsidiary) will be deemed, in each case, an Incurrence of such Indebtedness by the issuer thereof not permitted by this clause (ii);

(iii) Indebtedness represented by the 2023 Notes, the Subsidiary Guarantees and the related exchange notes and exchange guarantees issued in an exchange transaction pursuant to the Registration Rights Agreement, any Indebtedness (other than the Indebtedness described in clause (ii) above) outstanding on the Issue Date and any Refinancing Indebtedness Incurred in respect of any Indebtedness described in this clause (iii), clause (b)(x) of this covenant, or paragraph (a) above;

(iv) Purchase Money Obligations and Capitalized Lease Obligations, and any Refinancing Indebtedness with respect thereto;

(v) Indebtedness consisting of (x) accommodation guarantees for the benefit of trade creditors of the Company or any of its Restricted Subsidiaries, (y) Guarantees in connection with the construction or improvement of all or any portion of a Public Facility to be used by the Company or any Restricted Subsidiary or (z) Guarantees required or reasonably necessary (in the good faith determination of the Company) in connection with Vehicle Rental Concession Rights;

(vi) (A) Guarantees by the Company or any Restricted Subsidiary of Indebtedness or any other obligation or liability of the Company or any Restricted Subsidiary (other than any Indebtedness Incurred by the Company or such Restricted Subsidiary, as the case may be, in violation of the covenant described under “—Limitation on indebtedness”), or (B) without limiting the covenant described under “—Limitation on liens,” Indebtedness of the Company or any Restricted Subsidiary arising by reason of any Lien granted by or applicable to such Person securing Indebtedness of the Company or any Restricted Subsidiary (other than any Indebtedness Incurred by the Company or such Restricted Subsidiary, as the case may be, in violation of the covenant described under “—Limitation on indebtedness”);

(vii) Indebtedness of the Company or any Restricted Subsidiary (A) arising from the honoring of a check, draft or similar instrument of such Person drawn against insufficient funds, *provided* that such Indebtedness is extinguished within five Business Days of its Incurrence, or (B) consisting of guarantees, indemnities, obligations in respect of earnouts or other purchase price adjustments, or similar obligations, Incurred in connection with the acquisition or disposition of any business, assets or Person;

(viii) Indebtedness of the Company or any Restricted Subsidiary in respect of (A) deductible obligations, self-insurance obligations, re-insurance obligations, completion guarantees, surety, judgment, appeal or performance bonds, or other similar bonds, instruments or obligations, provided, or relating to liabilities or obligations incurred, in the ordinary course of business, or (B) Hedging Obligations entered into for bona fide hedging purposes that are incurred in the ordinary course of business, or (C) the financing of insurance premiums in the ordinary course of business, or (D) netting, overdraft protection and other arrangements arising under standard business terms of any bank at which the Company or any Restricted Subsidiary maintains an overdraft, cash pooling or other similar facility or arrangement;

(ix) Indebtedness (A) of a Special Purpose Subsidiary secured by a Lien on all or part of the assets disposed of in, or otherwise Incurred in connection with, a Financing Disposition or (B) otherwise Incurred in connection with a Special Purpose Financing; *provided* that (1) such Indebtedness is not recourse to the Company or any Restricted Subsidiary that is not a Special Purpose Subsidiary (other than with respect to Special Purpose Financing Undertakings or with respect to potential liability of Aviscar Inc. or Budgetcar Inc., or their respective successors, in their capacity as partners in a Canadian Securitization Entity), (2) in the event such Indebtedness shall become recourse to the Company or any Restricted Subsidiary that is not a Special Purpose Subsidiary (other than with respect to Special Purpose Financing Undertakings), such Indebtedness will be deemed to be, and must be classified by the Company as, Incurred at such time (or at the time initially Incurred) under one or more of the other provisions of this covenant for so long as such Indebtedness shall be so recourse, and (3) in the event that at anytime thereafter such Indebtedness shall comply with the provisions of the preceding subclause (1), the Company may classify such Indebtedness in whole or in part as Incurred under this clause (b)(ix) of this covenant;

(x) Indebtedness of any Person that is assumed by the Company or any Restricted Subsidiary in connection with its acquisition of assets from such Person or any Affiliate thereof or is issued and outstanding on or prior to the date on which such Person was acquired by the Company or any Restricted Subsidiary or merged or consolidated with or into any Restricted Subsidiary (other than Indebtedness Incurred to finance, or otherwise Incurred in connection with, such acquisition), *provided* that on the date of such acquisition, merger or consolidation, after giving effect thereto, the Company could incur at least \$1.00 of additional Indebtedness pursuant to paragraph (a) above; and any Refinancing Indebtedness with respect to any such Indebtedness;

Table of Contents

(xi) Indebtedness of the Company or any Restricted Subsidiary that (A) is in the form of a demand note or other promissory note, (B) is in favor of, or for the benefit of, any Unrestricted Subsidiary, and (C) serves as credit enhancement for any vehicle-related financing; and

(xii) in addition to the items referred to in clauses (i) through (xi) above, Indebtedness of the Company or any Restricted Subsidiary in an aggregate outstanding principal amount at anytime not exceeding an amount equal to 3.25% of Consolidated Tangible Assets.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this covenant, (i) any other obligation of the obligor on such Indebtedness (or of any other Person who could have Incurred such Indebtedness under this covenant) arising under any Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation supporting such Indebtedness shall be disregarded to the extent that such Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation secures the principal amount of such Indebtedness; (ii) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in paragraphs (a) or (b) above, the Company, in its sole discretion, shall classify such item of Indebtedness and may include the amount and type of such Indebtedness in one or more of such clauses (including in part under one such clause and in part under another such clause), and may reclassify such item of Indebtedness in any manner that complies with this covenant and only be required to include the amount and type of such Indebtedness in one of such clauses; (iii) if obligations in respect of letters of credit are Incurred pursuant to a Credit Facility and are being treated as Incurred pursuant to clause (i) of paragraph (b) above and the letters of credit relate to other Indebtedness, then such other Indebtedness shall not be included; and (iv) the amount of Indebtedness issued at a price that is less than the principal amount thereof shall be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

(d) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness denominated in a foreign currency, the dollar-equivalent principal amount of such Indebtedness Incurred pursuant thereto shall be calculated based on the relevant currency exchange rate in effect on the date that such Indebtedness was Incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness, provided that (x) the dollar-equivalent principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date, (y) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency (or in a different currency from such Indebtedness so being Incurred), and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount (whichever is higher) of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing, and (z) the dollar-equivalent principal amount of Indebtedness denominated in a foreign currency and Incurred pursuant to a Senior Credit Facility shall be calculated based on the relevant currency exchange rate in effect on, at the Company's option, (i) the Issue Date, (ii) any date on which any of the respective commitments under such Senior Credit Facility shall be reallocated between or among facilities or subfacilities thereunder, or on which such rate is otherwise calculated for any purpose thereunder, or (iii) the date of such Incurrence. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Limitation on restricted payments

The 2023 Indenture provides as follows:

(a) The Company shall not, and shall not permit any Restricted Subsidiary, directly or indirectly, to (i) declare or pay any dividend or make any distribution on or in respect of its Capital Stock (including any such payment in connection with any merger or consolidation to which the Company is a party) except (x) dividends or distributions payable solely in its Capital Stock (other than Disqualified Stock) and (y) dividends or distributions payable to the Company or any Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to other holders of its Capital Stock on no more than a pro rata basis), (ii) purchase, redeem, retire or otherwise acquire for value any Capital Stock of the Company held by Persons other than the Company or a Restricted Subsidiary, (iii) voluntarily purchase, repurchase, redeem, defease or otherwise voluntarily acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Obligations (other than a purchase, repurchase, redemption, defeasance or other acquisition or retirement for value in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such acquisition or retirement) or (iv) make any Investment (other than a Permitted Investment) in any Person (any such dividend, distribution, purchase, repurchase, redemption, defeasance, other acquisition or retirement or Investment being herein referred to as a “Restricted Payment”), if at the time the Company or such Restricted Subsidiary makes such Restricted Payment and after giving effect thereto:

(i) a Default shall have occurred and be continuing (or would result therefrom);

(ii) the Company could not Incur at least an additional \$1.00 of Indebtedness pursuant to paragraph (a) of the covenant described under “— Limitation on indebtedness”; or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments (the amount so expended, if other than in cash, as determined in good faith by the Board, whose determination shall be conclusive and evidenced by a resolution of the Board) declared or made subsequent to the Issue Date and then outstanding would exceed, without duplication, the sum of:

Limitation on sales of assets and subsidiary stock

The 2023 Indenture provides as follows:

(a) The Company will not, and will not permit any Restricted Subsidiary to, make any Asset Disposition unless:

(i) the Company or such Restricted Subsidiary receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Disposition at least equal to the fair market value of the shares and assets subject to such Asset Disposition, as such fair market value may be determined (and shall be determined, to the extent such Asset Disposition or any series of related Asset Dispositions involves aggregate consideration in excess of \$25 million) in good faith by the Board, whose determination shall be conclusive (including as to the value of all non cash consideration);

(ii) in the case of any Asset Disposition (or series of related Asset Dispositions) having a fair market value of \$25 million or more other than in a sale of the Budget Truck Division for fair market value, at least 75% of the consideration therefor (excluding, in the case of an Asset Disposition (or series of related Asset Dispositions), any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, that are not Indebtedness) received by the Company or such Restricted Subsidiary is in the form of cash; and

(iii) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company (or any Restricted Subsidiary, as the case may be) as follows:

(A) *first*, either (x) to the extent the Company elects (or is required by the terms of any Bank Indebtedness, any senior indebtedness of the Company or any Subsidiary Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor), to prepay, repay or purchase any such Indebtedness or (in the case of letters of credit, bankers' acceptances or other similar instruments) cash collateralize any such Indebtedness (in each case other than Indebtedness owed to the Company or a Restricted Subsidiary) within 365 days after the later of the date of such Asset Disposition and the date of receipt of such Net Available Cash, or (y) to the extent the Company or such Restricted Subsidiary elects, to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with an amount equal to Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of the date of such Asset Disposition and the date of receipt of such Net Available Cash, or, if such investment in Additional Assets is a project authorized by the Board that will take longer than such 365 days to complete, the period of time necessary to complete such project;

(B) *second*, if the balance of such Net Available Cash after application in accordance with clause (A) above exceeds \$25 million, (such balance, the "Excess Proceeds"), to the extent of such Excess Proceeds, to make an offer to purchase 2023 Notes and (to the extent the Company or such Restricted Subsidiary elects, or is required by the terms thereof) to purchase, redeem or repay any other unsubordinated indebtedness of the Company or a Restricted Subsidiary, pursuant and subject to the conditions of the 2023 Indenture and the agreements governing such other Indebtedness; and

(C) *third*, to the extent of the balance of such Net Available Cash after application in accordance with clauses (A) and (B) above, to fund (to the extent consistent with any other

applicable provision of the 2023 Indenture) any general corporate purpose (including but not limited to the repurchase, repayment or other acquisition or retirement of any Subordinated Obligations);

provided, however, that in connection with any prepayment, repayment or purchase of Indebtedness pursuant to clause (A)(x) or (B) above, the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased.

Notwithstanding the foregoing provisions of this covenant, the Company and the Restricted Subsidiaries shall not be required to apply any Net Available Cash or equivalent amount in accordance with this covenant except to the extent that the aggregate Net Available Cash from all Asset Dispositions or equivalent amount that is not applied in accordance with this covenant exceeds \$50 million. If the aggregate principal amount of 2023 Notes or other Indebtedness of the Company or a Restricted Subsidiary validly tendered and not withdrawn (or otherwise subject to purchase, redemption or repayment) in connection with an offer pursuant to clause (B) above exceeds the Excess Proceeds, the Excess Proceeds will be apportioned between such 2023 Notes and such other Indebtedness of the Company or a Restricted Subsidiary, with the portion of the Excess Proceeds payable in respect of such 2023 Notes to equal the lesser of (x) the Excess Proceeds amount multiplied by a fraction, the numerator of which is the outstanding principal amount of such 2023 Notes and the denominator of which is the sum of the outstanding principal amount of the 2023 Notes and the outstanding principal amount of the relevant other Indebtedness of the Company or a Restricted Subsidiary, and (y) the aggregate principal amount of 2023 Notes validly tendered and not withdrawn.

For the purposes of clause (ii) of paragraph (a) above, the following are deemed to be cash: (1) Temporary Cash Investments and Cash Equivalents, (2) the assumption of Indebtedness of the Company (other than Disqualified Stock of the Company) or any Restricted Subsidiary and the release of the Company or such Restricted Subsidiary from all liability on payment of the principal amount of such Indebtedness in connection with such Asset Disposition, (3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Disposition, (4) securities received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash within 180 days, and (5) consideration consisting of Indebtedness of the Company or any Restricted Subsidiary.

(b) In the event of an Asset Disposition that requires the purchase of 2023 Notes pursuant to clause (iii)(B) of paragraph (a) above, the Company will be required to purchase 2023 Notes tendered pursuant to an offer by the Company for the 2023 Notes (the "Offer") at a purchase price of 100% of their principal amount plus accrued and unpaid interest to the Purchase Date in accordance with the procedures (including prorating in the event of oversubscription) set forth in the 2023 Indenture. If the aggregate purchase price of the 2023 Notes tendered pursuant to the Offer is less than the Net Available Cash allotted to the purchase of 2023 Notes, the remaining Net Available Cash will be available to the Company for use in accordance with clause (iii)(B) of paragraph (a) above (to repay other Indebtedness of the Company or a Restricted Subsidiary) or clause (iii)(C) of paragraph (a) above. The Company shall not be required to make an Offer for 2023 Notes pursuant to this covenant if the Net Available Cash available therefor (after application of the proceeds as provided in clause (iii)(A) of paragraph (a) above) is less than \$50 million for any particular Asset Disposition (which lesser amounts shall be carried forward for purposes of determining whether an Offer is required with respect to the Net Available Cash from any subsequent Asset Disposition). No note will be repurchased in part if less than the Minimum Denomination in original principal amount.

(c) To the extent that the provisions of any securities laws or regulations conflict with provisions of this "Limitation on sales of assets and subsidiary stock" covenant, the Company may comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the 2023 Indenture by virtue thereof.

Limitation on transactions with affiliates

The 2023 Indenture provides as follows:

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an “Affiliate Transaction”) unless:

(i) such Affiliate transaction is entered into in good faith and the terms of such Affiliate Transaction are, taken as a whole, fair and reasonable to the Company or such Restricted Subsidiary; and

(ii) if such Affiliate Transaction involves aggregate consideration in excess of \$25 million, the terms of such Affiliate Transaction have been approved by a majority of the Disinterested Directors.

For purposes of this paragraph, any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this paragraph if (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) in the event there are no Disinterested Directors, the Company or such Restricted Subsidiary receives an opinion in customary form from a nationally recognized appraisal or investment banking firm to the effect that such Affiliate Transaction is fair to the Company or such Restricted Subsidiary from a financial point of view.

(b) The provisions of the preceding paragraph (a) will not apply to:

(i) any Restricted Payment Transaction;

(ii) (1) the entering into, maintaining or performance of any employment contract, collective bargaining agreement, benefit plan, program or arrangement, related trust agreement or any other similar arrangement for or with any employee, officer or director heretofore or hereafter entered into in the ordinary course of business, including vacation, health, insurance, deferred compensation, severance, retirement, savings or other similar plans, programs or arrangements, (2) the payment of compensation, performance of indemnification or contribution obligations, or any issuance, grant or award of stock, options, other equity-related interests or other securities, to employees, officers or directors in the ordinary course of business, (3) the payment of reasonable fees to directors of the Company or any of its Subsidiaries (as determined in good faith by the Company or such Subsidiary) or (4) Management Advances and payments in respect thereof (or in reimbursement of any expenses referred to in the definition of such term);

(iii) any transaction with, including an investment in, the Company, any Restricted Subsidiary, or any Special Purpose Entity;

(iv) any transaction arising out of the *Separation and Distribution Agreement*, dated as of July 27, 2006 (as amended, modified or supplemented in accordance with its terms), among Avis Budget Group, Inc., Realogy Corporation, Wyndham Worldwide Corporation and Travelport Inc. in existence on the Issue Date, and any payments made pursuant thereto;

(v) any transaction in the ordinary course of business, or approved by a majority of the Board, between the Company or any Restricted Subsidiary and any Affiliate of the Company controlled by the Company that is a joint venture or similar entity;

(vi) the execution, delivery and performance of any Tax Sharing Agreement;

(vii) any issuance or sale of Capital Stock (other than Disqualified Stock) of the Company or capital contribution to the Company;

(viii) transactions with Affiliates solely in their capacity as holders of Indebtedness or Capital Stock of the Company or any of its Subsidiaries, where such Affiliates hold less Indebtedness or Capital Stock than non-Affiliates and such Affiliates receive the same consideration as non-Affiliates in such transactions;

Table of Contents

(ix) any transaction with any Person who is not an Affiliate immediately before the consummation of such transaction that becomes an Affiliate as a result of such transaction; and

(x) transactions exclusively between or among the Company and any of its Restricted Subsidiaries, provided such transactions are not otherwise prohibited by the 2023 Indenture.

Limitation on liens

The 2023 Indenture provides that the Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or permit to exist any Lien (other than Permitted Liens) on any of its property or assets (including Capital Stock of any other Person), whether owned on the date of the 2023 Indenture or thereafter acquired, securing any Indebtedness (the “Initial Lien”), unless contemporaneously therewith effective provision is made to secure the Indebtedness due under the 2023 Indenture and the 2023 Notes or, in respect of Liens on any Restricted Subsidiary’s property or assets, any Subsidiary Guarantee of such Restricted Subsidiary, equally and ratably with (or on a senior basis to, in the case of Subordinated Obligations or Guarantor Subordinated Obligations) such obligation for so long as such obligation is so secured by such Initial Lien. Any such Lien thereby created in favor of the 2023 Notes or any such Subsidiary Guarantee will be automatically and unconditionally released and discharged upon (i) the release and discharge of the Initial Lien to which it relates, (ii) in the case of any such Lien in favor of any such Subsidiary Guarantee, upon the termination and discharge of such Subsidiary Guarantee in accordance with the terms of the 2023 Indenture or (iii) any sale, exchange or transfer (other than a transfer constituting a transfer of all or substantially all of the assets of the Company that is governed by the provisions of the covenant described under “—Merger and consolidation” below) to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien, or of all of the Capital Stock held by the Company or any Restricted Subsidiary in, or all or substantially all the assets of, any Restricted Subsidiary creating such Initial Lien.

Future subsidiary guarantors

As set forth more particularly under “—Subsidiary guarantees,” the 2023 Indenture provides that the Company will cause each Domestic Subsidiary that guarantees payment by the Company of any Indebtedness of the Company under the Senior Credit Facilities to execute and deliver to the Trustee a supplemental indenture or other instrument pursuant to which such Domestic Subsidiary will guarantee payment of the 2023 Notes, whereupon such Domestic Subsidiary will become a Subsidiary Guarantor for all purposes under the 2023 Indenture. The Company will also have the right to cause any other Subsidiary to guarantee payment of the 2023 Notes. Subsidiary Guarantees will be subject to release and discharge under certain circumstances prior to payment in full of the 2023 Notes. See “—Subsidiary guarantees.”

SEC reports

Prior to consummation of the Exchange Offer and when any 2023 Notes under the 2023 Indenture are outstanding, the Company will provide to the Trustee and the holders of 2023 Notes:

(a) within 90 days after the end of the Company’s fiscal year, financial statements and management’s discussion and analysis of financial condition and results of operations substantially equivalent to that which would be required to be included in an Annual Report on Form 10-K of the Company were the Company subject to an obligation to file such a report under the Exchange Act;

(b) within 45 days after the end of each of the first three fiscal quarters in each fiscal year of the Company, financial statements and management’s discussion and analysis of financial condition and results of operations substantially equivalent to that which would be required to be included in a Quarterly Report on Form 10-Q of the Company were the Company subject to an obligation to file such a report under the Exchange Act;

The Company will also, within 15 days after the date on which the Company was so required to file or would be so required to file if the Company were so subject, transmit by mail to all applicable Holders, as their names and addresses appear in the Note register, and to the Trustee (or make available on a Company website) copies of any such information, documents and reports (without exhibits) so required to be filed. The Company will be deemed to have satisfied the requirements of this paragraph if any Parent files with the SEC and provides reports, documents and information of the types otherwise so required, in each case within the applicable time periods specified by the applicable rules and regulations of the SEC, and the Company is not required to file such reports, documents and information separately under the applicable rules and regulations of the SEC (after giving effect to any exemptive relief) because of the filings by such Parent. The Company will comply with the other provisions of TIA § 314(a).

Merger and consolidation

The 2023 Indenture provides that the Company will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

- (i) the resulting, surviving or transferee Person (the “Successor Company”) will be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not the Company) will expressly assume all the obligations of the Company under the 2023 Notes and the 2023 Indenture by executing and delivering to the Trustee a supplemental indenture or one or more other documents or instruments;
- (ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Restricted Subsidiary as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default will have occurred and be continuing;
- (iii) immediately after giving effect to such transaction, either (A) the Successor Company could Incur at least \$1.00 of additional Indebtedness pursuant to paragraph (a) of the covenant described under “—Certain covenants—Limitation on indebtedness,” or (B) the Consolidated Coverage Ratio of the Company (or, if applicable, the Successor Company with respect thereto) would equal or exceed the Consolidated Coverage Ratio of the Company immediately prior to giving effect to such transaction;

undertaken in compliance with this covenant, and any Refinancing Indebtedness with respect thereto, shall be deemed to have been Incurred in compliance with the covenant described under “—Certain covenants—Limitation on indebtedness.”

The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under the 2023 Indenture, and thereafter the predecessor Company shall be relieved of all obligations and covenants under the 2023 Indenture, except that the predecessor Company in the case of a lease of all or substantially all its assets will not be released from the obligation to pay the principal of and interest on the 2023 Notes.

Clauses (ii) and (iii) of the first paragraph of this “Merger and consolidation” covenant will not apply to any transaction in which (1) any Restricted Subsidiary consolidates with, merges with or into or conveys or transfers all or part of its assets to the Company or (2) the Company consolidates with or merges with or into or conveys or transfers all or substantially all its properties and assets to (x) an Affiliate incorporated or organized for the purpose of reincorporating or reorganizing the Company in another jurisdiction or changing its legal structure to a corporation or other entity or (y) a Restricted Subsidiary of the Company so long as all assets of the Company and the Restricted Subsidiaries immediately prior to such transaction (other than Capital Stock of such Restricted Subsidiary) are owned by such Restricted Subsidiary and its Restricted Subsidiaries immediately after the consummation thereof.

Defaults

An Event of Default is defined in the 2023 Indenture as:

- (i) a default in any payment of interest on any note when due, continued for 30 days;
- (ii) a default in the payment of principal of any note when due, whether at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration of acceleration or otherwise;
- (iii) the failure by the Company to comply with its obligations under the first paragraph of the covenant described under “—Merger and consolidation” above;
- (iv) the failure by the Company to comply for 30 days after notice with any of its obligations under the covenant described under “—Change of control” above (other than a failure to purchase 2023 Notes);
- (v) the failure by the Company to comply for 60 days after notice with its other agreements contained in the 2023 Notes or the 2023 Indenture;
- (vi) the failure by any applicable Subsidiary Guarantor to comply for 45 days after notice with its obligations under its applicable Subsidiary Guarantee;
- (vii) the failure by the Company or any Restricted Subsidiary to pay any Indebtedness within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, if the total amount of such Indebtedness so unpaid or accelerated exceeds \$50 million or its foreign currency equivalent; *provided*, that no Default or Event of Default will be deemed to occur with respect to any such accelerated Indebtedness that is paid or otherwise acquired or retired within 30 days after such acceleration (the “cross acceleration provision”);
- (viii) certain events of bankruptcy, insolvency or reorganization of the Company or a Significant Subsidiary, or of other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person (the “bankruptcy provisions”);
- (ix) the rendering of any judgment or decree for the payment of money in an amount (net of any insurance or indemnity payments actually received in respect thereof prior to or within 90 days from the entry thereof, or to be received in respect thereof in the event any appeal thereof shall be unsuccessful) in excess of \$50 million or its foreign currency equivalent against the Company or a

Table of Contents

Significant Subsidiary, or jointly and severally against other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person, that is not discharged, or bonded or insured by a third Person, if such judgment or decree remains outstanding for a period of 90 days following such judgment or decree and is not discharged, waived or stayed (the “judgment default provision”); or

- (x) the failure of any applicable Subsidiary Guarantee by a Subsidiary Guarantor that is a Significant Subsidiary to be in full force and effect (except as contemplated by the terms thereof or of the 2023 Indenture) or the denial or disaffirmation in writing by any applicable Subsidiary Guarantor that is a Significant Subsidiary of its obligations under the 2023 Indenture or any applicable Subsidiary Guarantee, if such Default continues for 10 days.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a Default under clause (iv), (v) or (vi) will not constitute an Event of Default until the Trustee or the Holders of at least 30% in principal amount of the outstanding 2023 Notes notify the Company of the Default and the Company does not cure such Default within the time specified in such clause after receipt of such notice.

If an Event of Default (other than a Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) occurs and is continuing the Trustee by notice to the Company, or the Holders of at least 30% in principal amount of the outstanding 2023 Notes by notice to the Company and the Trustee, may declare the principal of and accrued but unpaid interest on all the 2023 Notes to be due and payable. Upon the effectiveness of such a declaration, such principal and interest will be due and payable immediately.

Notwithstanding the foregoing, if an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs and is continuing, the principal of and accrued but unpaid interest on all the 2023 Notes will become immediately due and payable without any declaration or other act on the part of the Trustee or any applicable Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding 2023 Notes may rescind any such acceleration with respect to the 2023 Notes and its consequences.

Subject to the provisions of the 2023 Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, such Trustee will be under no obligation to exercise any of the rights or powers under the 2023 Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the 2023 Indenture or the 2023 Notes unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) Holders of at least 30% in principal amount of the outstanding 2023 Notes of the applicable class have requested the Trustee in writing to pursue the remedy, (iii) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense, (iv) such Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding 2023 Notes of the applicable class have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding 2023 Notes of the applicable class are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on such Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the 2023 Indenture or that such Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve such Trustee in personal liability. Prior to taking any action under the 2023 Indenture, the Trustee is entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

[Table of Contents](#)

The 2023 Indenture provides that if a Default occurs and is continuing and is known to the Trustee, such Trustee must mail to each Holder notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of, or premium (if any) or interest on, any note, the Trustee may withhold notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is in the interests of the noteholders. In addition, the Company is required to deliver to the Trustee, within 120 days after the end of each fiscal year, a certificate indicating whether the signers thereof know of any Default occurring during the previous year. The Company also is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any event that would constitute certain Defaults, their status and what action the Company is taking or proposes to take in respect thereof.

Amendments and waivers

Subject to certain exceptions, the 2023 Indenture may be amended with the consent of the Holders of a majority in principal amount of the 2023 Notes then outstanding and any past default or compliance with any provisions may be waived with the consent of the Holders of a majority in principal amount of the 2023 Notes of the applicable class then outstanding (including in each case, consents obtained in connection with a tender offer or exchange offer for 2023 Notes). However, without the consent of each Holder of an outstanding note affected, no amendment or waiver may (i) reduce the principal amount of 2023 Notes of the applicable class whose Holders must consent to an amendment or waiver, (ii) reduce the rate of or extend the time for payment of interest on any note of the applicable class, (iii) reduce the principal of or extend the Stated Maturity of any note of the applicable class, (iv) reduce the premium payable upon the redemption of any note of the applicable class, or change the date on which any note of the applicable class may be redeemed as described under “—Optional redemption” above, (v) make any note of the applicable class payable in money other than that stated in such note, (vi) impair the right of any Holder to receive payment of principal of and interest on such Holder’s 2023 Notes of the applicable class on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder’s 2023 Notes of the applicable class, or (vii) make any change in the amendment or waiver provisions described in this sentence.

Without the consent of any applicable Holder, the Company, the Trustee and (as applicable) any Subsidiary Guarantor may amend the 2023 Indenture to cure any ambiguity, manifest error, omission, defect or inconsistency, to provide for the assumption by a successor of the obligations of the Company or a Subsidiary Guarantor under such 2023 Indenture, to provide for uncertificated notes in addition to or in place of certificated notes, to add Guarantees with respect to the 2023 Notes, to secure the 2023 Notes, to confirm and evidence the release, termination or discharge of any Guarantee or Lien with respect to or securing the 2023 Notes when such release, termination or discharge is provided for under the 2023 Indenture, to add to the covenants of the Company for the benefit of the noteholders or to surrender any right or power conferred upon the Company, to provide for or confirm the issuance of Additional Notes, to conform the text of the 2023 Indenture, the 2023 Notes or any Subsidiary Guarantee to any provision of this “Description of 2023 Exchange Notes,” to provide additional rights or benefits to the Holders or make any change that does not materially adversely affect the rights of any Holder, to release a Subsidiary Guarantor from its obligations under its Subsidiary Guarantee or the 2023 Indenture in accordance with the applicable provisions of the 2023 Indenture, to provide for the appointment of a successor trustee, *provided* that the successor trustee is otherwise qualified and eligible to act as such under the terms of the 2023 Indenture, or to comply with any requirement of the SEC in connection with the qualification of the 2023 Indenture under the TIA or otherwise.

The consent of the noteholders is not necessary under the 2023 Indenture to approve the particular form of any proposed amendment or waiver. It is sufficient if such consent approves the substance of the proposed amendment or waiver. Until an amendment or waiver becomes effective, a consent to it by a noteholder is a continuing consent by such noteholder and every subsequent Holder of all or part of the related note. Any such noteholder or subsequent holder may revoke such consent as to its note by written notice to the Trustee or the Company, received thereby before the date on which the Company certifies to such Trustee that the Holders of the requisite principal amount of 2023 Notes have consented to such amendment or waiver. After an amendment

or waiver under the 2023 Indenture becomes effective, the Company is required to mail to noteholders a notice briefly describing such amendment or waiver. However, the failure to give such notice to all noteholders, or any defect therein, will not impair or affect the validity of the amendment or waiver.

Defeasance

The Company at any time may terminate all its obligations under the 2023 Notes and the 2023 Indenture (“legal defeasance”), except for certain obligations, including those relating to the defeasance trust and obligations to register the transfer or exchange of the 2023 Notes, to replace mutilated, destroyed, lost or stolen 2023 Notes and to maintain a registrar and paying agent in respect of the 2023 Notes. The Company at any time may terminate its obligations under certain covenants under the 2023 Indenture, including the covenants described under “—Certain covenants” and “—Change of control,” the operation of the default provisions relating to such covenants described under “—Defaults” above, the operation of the cross acceleration provision, the bankruptcy provisions with respect to Subsidiaries and the judgment default provision described under “—Defaults” above, and the limitations contained in clauses (iii), (iv) and (v) under “—Merger and consolidation” above (“covenant defeasance”). If the Company exercises its legal defeasance option or its covenant defeasance option, each Subsidiary Guarantor will be released from all of its obligations with respect to its applicable Subsidiary Guarantee.

The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. If the Company exercises its legal defeasance option, payment of the 2023 Notes may not be accelerated because of an Event of Default with respect thereto. If the Company exercises its covenant defeasance option, payment of the 2023 Notes may not be accelerated because of an Event of Default specified in clause (iv), (v) (as it relates to the covenants described under “—Certain covenants” above), (vi), (vii), (viii) (but only with respect to events of bankruptcy, insolvency or reorganization of a Subsidiary), (ix) or (x) under “—Defaults” above or because of the failure of the Company to comply with clause (iii), (iv) or (v) under “—Merger and consolidation” above.

Either defeasance option may be exercised to any redemption date or to the maturity date for the 2023 Notes. In order to exercise either defeasance option, the Company must irrevocably deposit in trust (the “defeasance trust”) with the Trustee money or U.S. Government Obligations, or a combination thereof, sufficient (without reinvestment) to pay principal of, and premium (if any) and interest on, the 2023 Notes to redemption or maturity, as the case may be, and must comply with certain other conditions, including delivery to the Trustee of an Opinion of Counsel (subject to customary exceptions and exclusions) to the effect that holders of the 2023 Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such deposit and defeasance and will be subject to United States federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and, in the case of legal defeasance only, such Opinion of Counsel (x) must be based on a ruling of the Internal Revenue Service or other change in applicable United States federal income tax law since the Issue Date and (y) need not be delivered if all 2023 Notes not theretofore delivered to the Trustee for cancellation have become due and payable, will become due and payable at its Stated Maturity within one year, or are to be called for redemption within one year, under arrangements reasonably satisfactory to the Trustee in the name, and at the expense, of the Company).

Satisfaction and discharge

The 2023 Indenture will be discharged and cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the 2023 Notes, as expressly provided for in such 2023 Indenture) as to all outstanding 2023 Notes of the applicable class when (i) either (a) all 2023 Notes of the applicable class previously authenticated and delivered (other than certain lost, stolen or destroyed 2023 Notes, and certain 2023 Notes for which provision for payment was previously made and thereafter the funds have been released to the Company) have been delivered to the Trustee for cancellation or (b) all 2023 Notes of the applicable class not

[Table of Contents](#)

previously delivered to the Trustee for cancellation (x) have become due and payable, (y) will become due and payable at their Stated Maturity within one year or (z) have been or are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by such Trustee in the name, and at the expense, of the Company; (ii) the Company has irrevocably deposited or caused to be deposited with the Trustee money, U.S. Government Obligations, or a combination thereof, sufficient (without reinvestment) to pay and discharge the entire indebtedness on the 2023 Notes of the applicable class not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to, but not including, the date of redemption or their Stated Maturity, as the case may be; (iii) the Company has paid or caused to be paid all other sums payable under the 2023 Indenture by the Company; and (iv) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each to the effect that all conditions precedent under the "Satisfaction and Discharge" section of the 2023 Indenture relating to the satisfaction and discharge of such 2023 Indenture have been complied with, *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (i), (ii) and (iii)).

No personal liability of directors, officers, employees, incorporators and stockholders

No director, officer, employee, incorporator, equity holder, member or stockholder of any Issuer, any Subsidiary Guarantor or any Subsidiary of any thereof shall have any liability for any obligation of the Company or any Subsidiary Guarantor under the 2023 Indenture, the 2023 Notes or any Subsidiary Guarantee, or for any claim based on, in respect of, or by reason of, any such obligation or its creation. Each noteholder, by accepting the 2023 Notes, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2023 Notes.

Concerning the Trustee

The Bank of Nova Scotia Trust Company of New York is the Trustee under the 2023 Indenture and is appointed by the Company as Registrar and Paying Agent with regard to the 2023 Notes.

The 2023 Indenture provides that, except during the continuance of an Event of Default, the Trustee will perform only such duties as are set forth specifically in such 2023 Indenture. During the existence of an Event of Default, the Trustee will exercise such of the rights and powers vested in it under the 2023 Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise under the circumstances in the conduct of such person's own affairs.

The 2023 Indenture and the TIA will impose certain limitations on the rights of the Trustee, should it become a creditor of the Company, to obtain payment of claims in certain cases or to realize on certain property received by it in respect of any such claims, as security or otherwise. The Trustee is permitted to engage in other transactions; *provided*, that if it acquires any conflicting interest as described in the TIA, it must eliminate such conflict, apply to the SEC for permission to continue as Trustee with such conflict, or resign.

Transfer and exchange

A noteholder may transfer or exchange 2023 Notes in accordance with the 2023 Indenture. Upon any transfer or exchange, the registrar and the Trustee may require such noteholder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require such noteholder to pay any taxes or other governmental charges required by law or permitted by the 2023 Indenture. The Company is not required to transfer or exchange any note selected for redemption or purchase or to transfer or exchange any note for a period of 15 Business Days prior to the day of the mailing of the notice of redemption or purchase. No service charge will be made for any registration of transfer or exchange of the 2023 Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or other governmental charge payable in connection with the transfer or exchange. The 2023 Notes will be issued in registered form and the registered holder of a note will be treated as the owner of such note for all purposes.

BOOK-ENTRY DELIVERY AND FORM

Except as described below, the Exchange Notes will be initially represented by one or more global bonds (“Global Bonds”) in fully registered form without interest coupons. The Global Bonds will be deposited with the Trustee, as custodian for DTC, and DTC or its nominee will initially be the sole registered holder of the Exchange Notes for all purposes under the Indentures. We expect that, pursuant to procedures established by DTC, (i) upon the issuance of Global Bonds, DTC or its custodian will credit, on its internal system, the principal amount at maturity of the individual beneficial interests represented by such Global Bonds to the respective accounts of persons who have accounts with such depository, and (ii) ownership of beneficial interests in the Global Bonds will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to interests of participants) and the records of participants (with respect to interests of persons other than participants). Ownership of beneficial interests in the Global Bonds will be limited to persons who have accounts with DTC (“participants”) or persons who hold interests through participants. Holders of Exchange Notes may hold their interests in the Global Bonds directly through DTC if they are participants in such system, or indirectly through organizations that are participants in such system.

So long as DTC, or its nominee, is the registered owner or holder of the Global Bonds, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Exchange Notes represented by such Global Bonds for all purposes under the Indenture. No beneficial owner of an interest in the Global Bonds will be able to transfer that interest except in accordance with DTC’s procedures, in addition to those provided for under the Indenture with respect to the Exchange Notes.

Payments of the principal of, premium (if any) and interest on the Global Bonds will be made to DTC or its nominee, as the case may be, as the registered owner thereof. None of the Company, the Trustee, nor any paying agent will have any responsibility or liability for any aspect of the records relating to such beneficial ownership interest.

We expect that DTC or its nominee, upon receipt of any payment of principal, premium (if any), or interest on the Global Bonds, will credit participants’ accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of the Global Bonds as shown on the records of DTC or its nominee. We also expect that payments by participants to owners of beneficial interests in the Global Bonds held through such participants will be governed by standing instructions and customary practice, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such participants.

Transfers between participants in DTC will be effected in the ordinary way through DTC’s same-day funds system in accordance with DTC rules and will be settled in same-day funds.

So long as DTC or its nominee is the registered owner or holder of such Global Bonds, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Exchange Notes represented by such Global Bonds for the purposes of receiving payment on the Exchange Notes, receiving notices and for all other purposes under the Indentures and the Exchange Notes. Beneficial interests in the Global Bonds will be evidenced only by, and transfers thereof will be effected only through, records maintained by DTC and its participants. Except as provided below, owners of beneficial interests in a Global Bond will not be entitled to receive physical delivery of certificated Exchange Notes in definitive form and will not be considered the holders of such Global Bond for any purposes under the Indentures. Accordingly, each person owning a beneficial interest in a Global Bond must rely on the procedures of DTC and, if such person is not a participant, on the procedures of the participant through which such person owns its interests, to exercise any rights of a holder of Exchange Notes under the Indentures. We understand that under existing industry practices, in the event that we request any action of holders of Exchange Notes or that an owner of a beneficial interest in a Global Bond desires to give or take any action that a holder of Exchange Notes is entitled to give or take under the Indentures, DTC would authorize the participants holding the relevant beneficial interest to give or take such action, and such

[Table of Contents](#)

participants would authorize beneficial owners owning through such participants to give or take such action or would otherwise act upon the instructions of the beneficial owners owning through them.

DTC has advised us that it will take any action permitted to be taken by a holder of Exchange Notes only at the direction of one or more participants to whose account the DTC interests in the Global Bonds are credited and only in respect of such portion of the aggregate principal amounts of Exchange Notes as to which such participant or participants has or have been given such direction.

DTC has advised us as follows: DTC is a limited purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the Uniform Commercial Code and a “Clearing Agency” registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates. Participants include securities brokers and dealers, banks, trust companies, and clearing corporations and certain other organizations. Indirect access to the DTC system is available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly (“indirect participants”).

Although DTC has agreed to the foregoing procedures in order to facilitate transfers of interests in the Global Bonds among participants of DTC, it is under no obligation to perform such procedures, and such procedures may be discontinued at any time. Neither we nor the Trustee will have any responsibility for the performance by DTC or its participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of certain United States federal income tax considerations relating to the exchange of Old Notes for Exchange Notes in the exchange offers. It does not contain a complete analysis of all the potential tax considerations relating to the exchanges. This summary is limited to holders of Old Notes who hold the Old Notes as “capital assets” (in general, assets held for investment). Special situations, such as the following, are not addressed:

- tax consequences to holders who may be subject to special tax treatment, such as tax-exempt entities, dealers in securities or currencies, banks, other financial institutions, insurance companies, regulated investment companies, traders in securities that elect to use a mark-to-market method of accounting for their securities holdings or corporations that accumulate earnings to avoid United States federal income tax;
- tax consequences to persons holding notes as part of a hedging, integrated, constructive sale or conversion transaction or a straddle or other risk reduction transaction;
- tax consequences to holders whose “functional currency” is not the U.S. dollar;
- tax consequences to persons who hold notes through a partnership or similar pass-through entity;
- United States federal gift tax, estate tax or alternative minimum tax consequences, if any; or
- any state, local or non-United States tax consequences.

The discussion below is based upon the provisions of the United States Internal Revenue Code of 1986, as amended, existing and proposed Treasury regulations promulgated thereunder, and rulings, judicial decisions and administrative interpretations thereunder, as of the date hereof. Those authorities may be changed, perhaps retroactively, so as to result in United States federal income tax consequences different from those discussed below.

Consequences of tendering Old Notes

The exchange of your Old Notes for Exchange Notes in the exchange offers should not constitute an exchange for United States federal income tax purposes because the Exchange Notes should not be considered to differ materially in kind or extent from the Old Notes. Accordingly, the exchange offers should have no United States federal income tax consequences to you if you exchange your Old Notes for Exchange Notes. For example, there should be no change in your tax basis and your holding period should carry over to the Exchange Notes. In addition, the United States federal income tax consequences of holding and disposing of your Exchange Notes should be the same as those applicable to your Old Notes.

THE PRECEDING DISCUSSION OF CERTAIN UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS OF THE EXCHANGE OFFER IS FOR GENERAL INFORMATION ONLY AND IS NOT TAX ADVICE. ACCORDINGLY, EACH INVESTOR SHOULD CONSULT ITS OWN TAX ADVISOR AS TO PARTICULAR TAX CONSEQUENCES TO IT OF EXCHANGING OLD NOTES FOR EXCHANGE NOTES, INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL OR FOREIGN TAX LAWS, AND OF ANY PROPOSED CHANGES IN APPLICABLE LAWS.

PLAN OF DISTRIBUTION

Each broker-dealer that receives Exchange Notes for its own account pursuant to the exchange offers must acknowledge that it will deliver a prospectus in connection with any resale of Exchange Notes.

This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of Exchange Notes received in exchange for Old Notes if the Old Notes were acquired as a result of market-making activities or other trading activities.

We have agreed to make this prospectus, as amended or supplemented, available to any broker-dealer to use in connection with any such resale for a period of at least 180 days after the expiration date of each of the Exchange Offers. In addition, until _____, 2013 (91 days after the date of this prospectus), all broker-dealers effecting transactions in the Exchange Notes may be required to deliver a prospectus.

We will not receive any proceeds from any sale of Exchange Notes by broker-dealers. Exchange Notes received by broker-dealers for their own account pursuant to the exchange offers may be sold from time to time in one or more transactions:

- in the over-the-counter market;
- in negotiated transactions; or
- through the writing of options on the Exchange Notes or a combination of such methods of resale.

These resales may be made:

- at market prices prevailing at the time of resale;
- at prices related to such prevailing market prices; or
- at negotiated prices.

Any such resale may be made directly to purchasers or to or through brokers or dealers. Brokers or dealers may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such Exchange Notes. An “underwriter” within the meaning of the Securities Act includes:

- any broker-dealer that resells Exchange Notes that were received by it for its own account pursuant to the exchange offer; or
- any broker or dealer that participates in a distribution of such Exchange Notes.

Any profit on any resale of Exchange Notes and any commissions or concessions received by any persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that, by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an “underwriter” within the meaning of the Securities Act.

For a period of not less than 180 days after the expiration of each of the Exchange Offers we will promptly send additional copies of this prospectus and any amendment or supplement to this prospectus to any broker-dealer that requests those documents in the letter of transmittal. We have agreed to pay all expenses incident to performance of our obligations in connection with the Exchange Offer, other than commissions or concessions of any brokers or dealers. We will indemnify the holders of the Exchange Notes (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act, and will contribute to payments that they may be required to make in request thereof.

ITEM 22. UNDERTAKINGS

The undersigned registrants hereby undertake:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) To remove from the registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for purposes of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(e) That, for the purpose of determining liability of the registrants under the Securities Act to any purchaser in the initial distribution of the securities: The undersigned registrants undertake that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrants will each be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrants;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrants; and

[Table of Contents](#)

(iv) any other communication that is an offer in the offering made by the undersigned registrants to the purchaser.

(f) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrants pursuant to the provisions described in Item 20, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(g) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), or 11 or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the date of the registration statement through the date of responding to the request.

(h) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

ARTICLE TWO

The address of the Corporation's registered office is located at 2711 Centerville Road, Suite 400, in the City of Wilmington, in the County of New Castle, in the State of Delaware, 19808. The name of its registered agent at such address is Corporation Service Company.

ARTICLE FIVE

The directors shall have the power to adopt, amend or repeal bylaws, except as may be otherwise be provided in the bylaws.

ARTICLE SIX

The Corporation expressly elects not to be governed by Section 203 of the DGCL.

ARTICLE SEVEN

Whenever a compromise or arrangement is proposed between the Corporation and its creditors or any class of them and/or between the Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of the Corporation or any creditor or stockholder thereof or on the application of any receiver or receivers appointed for the Corporation under Section 291 of Title

If the DGCL is amended to permit further elimination or limitation of the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended.

ARTICLE NINE

The Corporation shall provide indemnification as follows:

Section 1. Actions, Suits and Proceedings Other than by or in the Right of the Corporation. The Corporation shall indemnify to the fullest extent permitted by law (as currently or hereafter in effect) each person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he or she is or was, or has agreed to become, a director or officer of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation, as a director, manager, officer, partner, employee, agent or trustee of, or in a similar capacity with, another corporation, partnership, limited liability company, joint venture, trust or other enterprise (including any employee benefit plan) (all such persons being referred to hereafter as an "Indemnatee"), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees), liabilities, losses, judgments, fines (including excise taxes and penalties arising under the Employee Retirement Income Security Act of 1974), and amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnatee in connection with such action, suit or proceeding and any appeal therefrom, if Indemnatee acted in good faith and in a manner which Indemnatee reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit

or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that Indemnatee did not act in good faith and in a manner which Indemnatee reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Actions or Suits by or in the Right of the Corporation. The Corporation shall indemnify to the fullest extent permitted by law (as currently or hereafter in effect) any Indemnatee who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that Indemnatee is or was, or has agreed to become, a director or officer of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation, as a director, manager, officer, partner, employee, agent or trustee of, or in a similar capacity with, another corporation, partnership, limited liability company, joint venture, trust or other enterprise (including any employee benefit plan), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees) and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnatee in connection with such action, suit or proceeding and any appeal therefrom, if Indemnatee acted in good faith and in a manner which Indemnatee reasonably believed to be in, or not opposed to, the best interests of the Corporation, except that no indemnification shall be made under this Section 2 in respect of any claim, issue or matter as to which Indemnatee shall have been adjudged to be liable to the Corporation, unless, and only to the extent, that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of such liability but in view of all the circumstances of the case, Indemnatee is fairly and reasonably entitled to indemnity for such expenses (including attorneys' fees) which the Court of Chancery of Delaware or such other court shall deem proper.

Section 3. Indemnification for Expenses of Successful Party. Notwithstanding any other provisions of this Article Nine, to the extent that an Indemnatee has been successful, on the merits or otherwise, in defense of any action, suit or proceeding referred to in Sections 1 and 2 of this Article Nine, or in defense of any claim, issue or matter therein, or on appeal from any such action, suit or proceeding, Indemnatee shall be indemnified against all expenses (including attorneys' fees) actually and reasonably incurred by or on behalf of Indemnatee in connection therewith. Without limiting the foregoing, if any action, suit or proceeding is disposed of, on the merits or otherwise (including a disposition without prejudice), without (i) the disposition being adverse to Indemnatee, (ii) an adjudication that Indemnatee was liable to the Corporation, (iii) a plea of guilty or nolo contendere by Indemnatee, (iv) an adjudication that Indemnatee did not act in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Corporation, and (v) with respect to any criminal proceeding, an adjudication that Indemnatee had reasonable cause to believe his or her conduct was unlawful, Indemnatee shall be considered for the purposes hereof to have been wholly successful with respect thereto.

Section 4. Notification and Defense of Claim. As a condition precedent to an Indemnatee's right to be indemnified, such Indemnatee must notify the Corporation in writing as soon as practicable of any action, suit, proceeding or investigation involving such Indemnatee for which indemnity will or could be sought. With respect to any action, suit, proceeding or

investigation of which the Corporation is so notified, the Corporation will be entitled to participate therein at its own expense and/or to assume the defense thereof at its own expense, with legal counsel reasonably acceptable to Indemnitee. After notice from the Corporation to Indemnitee of its election so to assume such defense, the Corporation shall not be liable to Indemnitee for any legal or other expenses subsequently incurred by Indemnitee in connection with such action, suit, proceeding or investigation, other than as provided below in this Section 4. Indemnitee shall have the right to employ his or her own counsel in connection with such action, suit, proceeding or investigation, but the fees and expenses of such counsel incurred after notice from the Corporation of its assumption of the defense thereof shall be at the expense of Indemnitee unless (i) the employment of counsel by Indemnitee has been authorized by the Corporation, (ii) counsel to Indemnitee shall have reasonably concluded that there may be a conflict of interest or position on any significant issue between the Corporation and Indemnitee in the conduct of the defense of such action, suit, proceeding or investigation or (iii) the Corporation shall not in fact have employed counsel to assume the defense of such action, suit, proceeding or investigation, in each of which cases the fees and expenses of counsel for Indemnitee shall be at the expense of the Corporation, except as otherwise expressly provided by this Article Nine. The Corporation shall not be entitled, without the consent of Indemnitee, to assume the defense of any claim brought by or in the right of the Corporation or as to which counsel for Indemnitee shall have reasonably made the conclusion provided for in clause (ii) above. The Corporation shall not be required to indemnify Indemnitee under this Article Nine for any amounts paid in settlement of any action, suit, proceeding or investigation effected without its written consent. The Corporation shall not settle any action, suit, proceeding or investigation in any manner which would impose any penalty or limitation on Indemnitee without Indemnitee's written consent. Neither the Corporation nor Indemnitee will unreasonably withhold or delay its consent to any proposed settlement.

Section 5. Advance of Expenses. Subject to the provisions of Section 6 of this Article Nine, in the event of any threatened or pending action, suit, proceeding or investigation of which the Corporation receives notice under this Article Nine, any expenses (including attorneys' fees) incurred by or on behalf of Indemnitee in defending an action, suit, proceeding or investigation or any appeal therefrom shall be paid by the Corporation in advance of the final disposition of such matter; provided, however, that the payment of such expenses incurred by or on behalf of Indemnitee in advance of the final disposition of such matter shall be made only upon receipt of an undertaking by or on behalf of Indemnitee to repay all amounts so advanced in the event that it shall ultimately be determined by final judicial decision from which there is no further right to appeal that Indemnitee is not entitled to be indemnified by the Corporation as authorized in this Article Nine; and provided further that no such advancement of expenses shall be made under this Article Nine if it is determined (in the manner described in Section 6) that (i) Indemnitee did not act in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, or (ii) with respect to any criminal action or proceeding, Indemnitee had reasonable cause to believe his or her conduct was unlawful. Such undertaking shall be accepted without reference to the financial ability of Indemnitee to make such repayment.

Section 6. Procedure for Indemnification and Advancement of Expenses. In order to obtain indemnification or advancement of expenses pursuant to Section 1, 2, 3 or 5 of this Article Nine, an Indemnitee shall submit to the Corporation a written request. Any such advancement of

expenses shall be made promptly, and in any event within 30 days after receipt by the Corporation of the written request of Indemnitee, unless (i) the Corporation has assumed the defense pursuant to Section 4 of this Article Nine (and none of the circumstances described in Section 4 of this Article Nine that would nonetheless entitle the Indemnitee to indemnification for the fees and expenses of separate counsel have occurred) or (ii) the Corporation determines within such 30-day period that Indemnitee did not meet the applicable standard of conduct set forth in Section 1, 2 or 5 of this Article Nine, as the case may be. Any such indemnification, unless ordered by a court, shall be made with respect to requests under Section 1 or 2 only as authorized in the specific case upon a determination by the Corporation that the indemnification of Indemnitee is proper because Indemnitee has met the applicable standard of conduct set forth in Section 1 or 2, as the case may be. Such determination shall be made in each instance (a) by a majority vote of the directors of the Corporation consisting of persons who are not at that time parties to the action, suit or proceeding in question (“Disinterested Directors”), whether or not a quorum, (b) by a committee of Disinterested Directors designated by majority vote of Disinterested Directors, whether or not a quorum, (c) if there are no Disinterested Directors, or if the Disinterested Directors so direct, by independent legal counsel (who may, to the extent permitted by law, be regular legal counsel to the Corporation) in a written opinion, or (d) by the stockholders of the Corporation.

Section 7. Remedies. The right to indemnification or advancement of expenses as granted by this Article Nine shall be enforceable by Indemnitee in any court of competent jurisdiction. Neither the failure of the Corporation to have made a determination prior to the commencement of such action that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Corporation pursuant to Section 6 of this Article Nine that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct. In any suit brought by Indemnitee to enforce a right to indemnification, or brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall have the burden of proving that Indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article Nine. Indemnitee’s expenses (including attorneys’ fees) reasonably incurred in connection with successfully establishing Indemnitee’s right to indemnification, in whole or in part, in any such proceeding shall also be indemnified by the Corporation. Notwithstanding the foregoing, in any suit brought by Indemnitee to enforce a right to indemnification hereunder it shall be a defense that the Indemnitee has not met any applicable standard for indemnification set forth in the DGCL, but the burden of such defense shall be on the Corporation.

Section 8. Limitations. Notwithstanding anything to the contrary in this Article Nine, except as set forth in Section 7 of this Article Nine, the Corporation shall not indemnify an Indemnitee pursuant to this Article Nine in connection with a proceeding (or part thereof) initiated by such Indemnitee unless the initiation thereof was approved by the Board of Directors of the Corporation. Notwithstanding anything to the contrary in this Article Nine, the Corporation shall not indemnify an Indemnitee to the extent such Indemnitee is reimbursed from the proceeds of insurance, and in the event the Corporation makes any indemnification payments to an Indemnitee and such Indemnitee is subsequently reimbursed from the proceeds of insurance, such Indemnitee shall promptly refund indemnification payments to the Corporation to the extent of such insurance reimbursement.

Section 9. Subsequent Amendment. No amendment, termination or repeal of this Article Nine or of the relevant provisions of the DGCL or any other applicable laws shall adversely affect or diminish in any way the rights of any Indemnitee to indemnification under the provisions hereof with respect to any action, suit, proceeding or investigation arising out of or relating to any actions, transactions or facts occurring prior to the final adoption of such amendment, termination or repeal.

Section 10. Other Rights. The indemnification and advancement of expenses provided by this Article Nine shall not be deemed exclusive of any other rights to which an Indemnitee seeking indemnification or advancement of expenses may be entitled under any law (common or statutory), provision of this Certificate of Incorporation, bylaw, agreement or vote of stockholders or Disinterested Directors or otherwise, both as to action in Indemnitee's official capacity and as to action in any other capacity while holding office for the Corporation, and shall continue as to an Indemnitee who has ceased to be a director or officer, and shall inure to the benefit of the estate, heirs, executors and administrators of Indemnitee. Nothing contained in this Article Nine shall be deemed to prohibit, and the Corporation is specifically authorized to enter into, agreements with officers and directors providing indemnification rights and procedures different from those set forth in this Article Nine. In addition, the Corporation may, to the extent authorized from time to time by its Board of Directors, grant indemnification rights to other employees or agents of the Corporation or other persons serving the Corporation and such rights may be equivalent to, or greater or less than, those set forth in this Article Nine.

Section 11. Partial Indemnification. If an Indemnitee is entitled under any provision of this Article Nine to indemnification by the Corporation for some or a portion of the expenses (including attorneys' fees), liabilities, losses, judgments, fines (including excise taxes and penalties arising under the Employee Retirement Income Security Act of 1974) or amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnitee in connection with any action, suit, proceeding or investigation and any appeal therefrom but not, however, for the total amount thereof, the Corporation shall nevertheless indemnify Indemnitee for the portion of such expenses (including attorneys' fees), liabilities, losses, judgments, fines (including excise taxes and penalties arising under the Employee Retirement Income Security Act of 1974) or amounts paid in settlement to which Indemnitee is entitled.

Section 12. Insurance. The Corporation may purchase and maintain insurance, at its expense, to protect itself, any director, manager, officer, employee, agent or trustee of the Corporation or another corporation, partnership, limited liability company, joint venture, trust or other enterprise (including any employee benefit plan) and any other fiduciary or agent of any Indemnitee against any expense, liability or loss incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under this Article Nine or the DGCL.

Section 13. Merger or Consolidation. For purposes of this Article Nine, references to the "Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, managers, officers, partners, employees, agents or trustees, so that any person who is or was a

director, manager, officer, partner, employee, agent or trustee of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, manager, officer, partner, employee agent or trustee of another corporation, partnership, limited liability company, joint venture, trust or other enterprise (including any employee benefit plan), shall stand in the same position under this Article Nine with respect to the resulting or surviving corporation as he or she would have with respect to such constituent corporation if its separate existence had continued.

Section 14. Savings Clause. If this Article Nine or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each Indemnitee as to any expenses (including attorneys' fees), liabilities, losses, judgments, fines (including excise taxes and penalties arising under the Employee Retirement Income Security Act of 1974) and amounts paid in settlement in connection with any action, suit, proceeding or investigation, whether civil, criminal or administrative, including an action by or in the right of the Corporation, to the fullest extent permitted by any applicable portion of this Article Nine that shall not have been invalidated and to the fullest extent permitted by applicable law.

Section 15. Definitions. Terms used herein and defined in Section 145(h) and Section 145(i) of the DGCL shall have the respective meanings assigned to such terms in such Section 145(h) and Section 145(i).

ARTICLE TEN

The Corporation reserves the right to amend or repeal any provisions contained in this Certificate of Incorporation from time to time and at any time in the manner now or hereafter prescribed by the laws of the State of Delaware, and all rights conferred upon stockholders and directors are granted subject to such reservation.

The registered office of the corporation in the State of Delaware shall be located at 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808, in the County of New Castle. The name of the corporation's registered agent at such address shall be Corporation Service Company. The registered office and/or registered agent of the corporation may be changed from time to time by action of the board of directors.

Section 2. Other Offices. The corporation may also have offices at such other places, both within and without the State of Delaware, as the board of directors may from time to time determine or the business of the corporation may require.

ARTICLE II

MEETINGS OF STOCKHOLDERS

Section 1. Place and Time of Meetings. An annual meeting of the stockholders may be held each year for the purpose of electing directors and conducting such other proper business as may come before the meeting. The date, time and place, if any, and/or the means of remote communication, of the annual meeting may be determined by resolution of the board of directors or as set by the president of the corporation. No annual meeting of stockholders need be held if not required by the corporation's certificate of incorporation or by the General Corporation Law of the State of Delaware.

Section 2. Special Meetings. Special meetings of stockholders may be called for any purpose (including, without limitation, the filling of board vacancies and newly created directorships), and may be held at such time and place, within or without the State of Delaware, and/or by means of remote communication, as shall be stated in a notice of meeting or in a duly executed waiver of notice thereof. Such meetings may be called at any time by two or more members of the board of directors, the president or the holders of shares entitled to cast not less than a majority of the votes at the meeting or the holders of fifty percent (50%) of the outstanding shares of any series or class of the corporation's capital stock.

Section 3. Place of Meetings. The board of directors may designate any place, either within or without the State of Delaware, and/or by means of remote communication, as the place of meeting for any annual meeting or for any special meeting called by the board of directors. If no designation is made, or if a special meeting is otherwise called, the place of meeting shall be the principal executive office of the corporation.

Section 4. Notice. Whenever stockholders are required or permitted to take any action at a meeting, written or printed notice stating the place, if any, date and hour of the meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of special meetings, the purpose(s), of such meeting, shall be given to each stockholder entitled to vote at such meeting not less than 10 nor more than 60 days before the date of the meeting. All such notices shall be delivered, either personally, by mail, or by a form of electronic transmission consented to by the stockholder to whom the notice is given, by or at the direction of the board of directors, the president or the secretary, and if mailed, such notice shall be deemed to be delivered when deposited in the United States mail, postage prepaid, addressed to the stockholder at his, her or its address as the same appears on the records of the corporation. If given by electronic transmission, such notice shall be deemed to be delivered (a) if by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice, (b) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice or (c) if by a posting on an electronic network together with separate notice to the stockholder of such specific posting, upon the latest of (i) such posting, (ii) the giving of such separate notice and (iii) if by any other form of electronic transmission, when directed to the stockholder. Any such consent shall be revocable by the stockholder by written notice to the corporation. Any such consent shall be deemed revoked if (A) the corporation is unable to deliver by electronic transmission two consecutive notices given by the corporation in accordance with such consent and (B) such inability becomes known to the secretary or an assistant secretary of the corporation or to the transfer agent. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

Section 5. Stockholders List. The officer who has charge of the stock ledger of the corporation shall make, at least 10 days before every meeting of the stockholders, a complete list of the stockholders entitled to vote at such meeting arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, for a period of at least 10 days prior to the meeting: (a) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, and/or (b) during ordinary business hours, at the principal place of business of the corporation. In the event that the corporation determines to make the list available on an electronic network, the corporation may take reasonable steps to ensure that such information is available only to stockholders of the corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting.

Section 6. Quorum. Except as otherwise provided by applicable law or by the corporation's certificate of incorporation, a majority of the outstanding shares of the corporation entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of stockholders. If less than a majority of the outstanding shares are represented at a meeting, a majority of the shares so represented may adjourn the meeting from time to time in accordance with Section 7 of this Article II, until a quorum shall be present or represented.

Section 7. Adjourned Meetings. When a meeting is adjourned to another time and place, notice need not be given of the adjourned meeting if the time, place, if any, thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting, at which the adjournment is taken. At the adjourned meeting the corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Section 8. Vote Required. When a quorum is present, the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the stockholders, unless the question is one upon which by express provisions of an applicable law or of the corporation's certificate of incorporation a different vote is required, in which case such express provision shall govern and control the decision of such question. Where a separate vote by class is required, the affirmative vote of the majority of shares of such class present in person or represented by proxy at the meeting shall be the act of such class, unless the question is one upon which by express provisions of an applicable law or of the corporation's certificate of incorporation a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 9. Voting Rights. Except as otherwise provided by the General Corporation Law of the State of Delaware or by the certificate of incorporation of the corporation or any amendments thereto, every stockholder shall at every meeting of the stockholders be entitled to one vote in person or by proxy for each share of common stock held by such stockholder.

Section 10. Proxies. Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person(s) to act for him, her or it by proxy. Every proxy must be signed by the stockholder granting the proxy or by his, her or its attorney-in-fact. No proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A proxy may be made irrevocable regardless of whether the interest with which it is coupled is an interest in the stock itself or an interest in the corporation generally.

Section 11. Action by Written Consent. Unless otherwise provided in the corporation's certificate of incorporation, any action required to be taken at any annual or special meeting of stockholders of the corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken and bearing the dates of signature of the stockholders who signed the consent or consents, shall be signed by the holders of outstanding shares of stock having not less than a majority of the shares entitled to vote, or, if greater, not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the corporation by delivery to its registered office in the state of Delaware, or the corporation's principal place of business, or an officer or agent of the corporation having custody of the book(s) in which proceedings of meetings of the stockholders are recorded. Delivery made to the corporation's registered office shall be by hand or by certified or registered mail, return receipt requested, provided, however, that no consent(s) delivered by certified or registered mail shall be deemed delivered until such consent(s) are actually received at the registered office. All consents properly delivered in accordance with this section shall be deemed to be recorded when so delivered. No written consent shall be effective to take the corporate action referred to therein unless, within sixty days of the earliest dated consent delivered to the corporation as required by this section, written consents signed by the holders of a sufficient number of shares to take such corporate action are so recorded. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing. Any action taken pursuant to such written consent(s) of the stockholders shall have the same force and effect as if taken by the stockholders at a meeting thereof. Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used; provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

Section 12. Action by Electronic Transmission Consent. An electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, or by a person or persons authorized to act for a stockholder or proxyholder, shall be deemed to be written, signed and dated for the purposes of this section; provided that any such telegram, cablegram or other electronic transmission sets forth or is delivered with information from which the corporation can determine (a) that the telegram, cablegram or other electronic transmission was transmitted by the stockholder or proxyholder or by a person or persons authorized to act for the stockholder or proxyholder and (b) the date on which such stockholder or proxyholder or authorized person or persons transmitted such telegram, cablegram or electronic transmission. The date on which such telegram, cablegram or electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. No consent given by telegram, cablegram or other electronic transmission shall be deemed to have been delivered until such consent is reproduced in paper form and until such paper form shall be delivered to the corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded if, to the extent and in the manner provided by resolution of the board of directors of the corporation.

ARTICLE III

DIRECTORS

Section 1. General Powers. The business and affairs of the corporation shall be managed by or under the direction of the board of directors.

Section 2. Number, Election and Term of Office. The number of directors which shall constitute the first board shall be one or more, which number may be increased or decreased from time to time by resolution of the board. The directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote in the election of directors. The directors shall be elected in this manner at the annual meeting of the stockholders, except as provided in Section 4 of this Article III. Each director elected shall hold office until a successor is duly elected and qualified or until his or her earlier death, resignation or removal as hereinafter provided.

Section 3. Removal and Resignation. Any director or the entire board of directors may be removed at any time, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors. Whenever the holders of any class or series are entitled to elect one or more directors by the provisions of the corporation's certificate of incorporation, the provisions of this section shall apply, in respect to the removal without cause of a director or directors so elected, to the vote of the holders of the outstanding shares of that class or series and not to the vote of the outstanding shares as a whole. Any director may resign at any time upon notice given in writing or by electronic transmission to the corporation.

Section 4. Vacancies. Vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors then in office, though less than a quorum, or by a sole remaining director. Each director so chosen shall hold office until a successor is duly elected and qualified or until his or her earlier death, resignation or removal as herein provided.

Section 5. Annual Meetings. The annual meeting of each newly elected board of directors shall be held without other notice than this bylaw immediately after, and at the same place as, the annual meeting of stockholders.

Section 6. Other Meetings and Notice. Regular meetings, other than the annual meeting, of the board of directors may be held without notice at such time and at such place as shall from time to time be determined by resolution of the board of directors and promptly communicated to all directors then in office. Special meetings of the board of directors may be called by or at the request of the president or vice president on at least 24 hours notice to each director, either personally, by telephone, by mail, by telegraph and/or by electronic transmission. In like manner and on like notice, the president must call a special meeting on the written request of at least a majority of the directors.

Section 7. Quorum, Required Vote and Adjournment. A majority of the total number of directors shall constitute a quorum for the transaction of business. The vote of a majority of directors present at a meeting at which a quorum is present shall be the act of the board of directors. If a quorum shall not be present at any meeting of the board of directors, the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

Section 8. Committees. The board of directors may, by resolution passed by a majority of the whole board, designate one or more committees, each committee to consist of one or more of the directors of the corporation, which to the extent provided in such resolution or these bylaws shall have and may exercise the powers of the board of directors in the management and affairs of the corporation except as otherwise limited by law. The board of directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. Such committee(s) shall have such name(s) as may be determined from time to time by resolution adopted by the board of directors. Each committee shall keep regular minutes of its meetings and report the same to the board of directors when required.

Section 9. Committee Rules. Each committee of the board of directors may fix its own rules of procedure and shall hold its meetings as provided by such rules, except as may otherwise be provided by a resolution of the board of directors designating such committee. Unless otherwise provided in such a resolution, the presence of at least a majority of the members of the committee shall be necessary to constitute a quorum. In the event that a member and that member's alternate, if alternates are designated by the board of directors as provided in Section 8 of this Article III, of such committee is or are absent or disqualified, the member(s) thereof present at any meeting and not disqualified from voting, whether or not such member(s) constitute a quorum, may unanimously appoint another member of the board of directors to act at the meeting in place of any such absent or disqualified member.

Section 10. Communications Equipment. Members of the board of directors or any committee thereof may participate in and act at any meeting of such board or committee through the use of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in the meeting pursuant to this section shall constitute presence in person at the meeting.

Section 11. Waiver of Notice and Presumption of Assent. Any member of the board of directors or any committee thereof who is present at a meeting shall be conclusively presumed to have waived notice of such meeting except when such member attends for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. Such member shall be conclusively presumed to have assented to any action taken unless his or her dissent shall be entered in the minutes of the meeting or unless his or her written dissent to such action shall be filed with the person acting as the secretary of the meeting before the adjournment thereof or shall be forwarded by registered mail to the secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to any member who voted in favor of such action.

Section 12. Action by Written Consent. Unless otherwise restricted by the corporation's certificate of incorporation, any action required or permitted to be taken at any meeting of the board of directors, or of any committee thereof, may be taken without a meeting if all members of the board or committee, as the case may be, consent thereto in writing or by

electronic transmission, and the writing(s) or electronic transmission or transmissions are filed with the minutes of proceedings of the board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

ARTICLE IV

OFFICERS

Section 1. Number. The officers of the corporation shall be elected by the board of directors and shall consist of a president, a secretary, and such other officers and assistant officers as may be deemed necessary or desirable by the board of directors. Any number of offices may be held by the same person. In its discretion, the board of directors may choose not to fill any office for any period as it may deem advisable.

Section 2. Election and Term of Office. The officers of the corporation shall be elected annually by the board of directors at its first meeting held after each annual meeting of stockholders or as soon thereafter as conveniently may be. The president shall appoint other officers to serve for such terms as he or she deems desirable. Vacancies may be filled or new offices created and filled at any meeting of the board of directors. Each officer shall hold office until a successor is duly elected and qualified or until his or her earlier death, resignation or removal as hereinafter provided.

Section 3. Removal. Any officer or agent elected by the board of directors may be removed by the board of directors whenever in its judgment the best interests of the corporation would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed.

Section 4. Vacancies. Any vacancy occurring in any office because of death, resignation, removal, disqualification or otherwise, may be filled by the board of directors for the unexpired portion of the term by the board of directors then in office.

Section 5. Compensation. Compensation of all officers shall be fixed by the board of directors, and no officer shall be prevented from receiving such compensation by virtue of his or her also being a director of the corporation.

Section 6. The Chairman of the Board. The Chairman of the Board, if one shall have been elected, shall be a member of the board and an officer of the corporation. He shall perform the duties as may from time to time be assigned to him by the board of directors.

Section 7. The President. The president shall be the chief executive officer of the corporation. The president (a) shall preside at all meetings of the stockholders and board of directors at which he or she is present, (b) subject to the powers of the board of directors, shall have general charge of the business, affairs and property of the corporation, and control over its officers, agents and employees, and (c) shall see that all orders and resolutions of the board of directors are carried into effect. The president shall have such other powers and perform such other duties as may be prescribed by the board of directors or as may be provided in these bylaws.

Section 8. Vice Presidents. The vice president, if any, or if there shall be more than one, the vice presidents in the order determined by the board of directors shall, in the absence or disability of the president, act with all of the powers and be subject to all the restrictions of the president. The vice presidents shall also perform such other duties and have such other powers as the board of directors, the president or these bylaws may, from time to time, prescribe.

Section 9. The Secretary and Assistant Secretaries. The secretary shall attend all meetings of the board of directors, all meetings of the committees thereof and all meetings of the stockholders and record all the proceedings of the meetings in a book(s) to be kept for that purpose. Under the president's supervision, the secretary (a) shall give, or cause to be given, all notices required to be given by these bylaws or by law, (b) shall have such powers and perform such duties as the board of directors, the president or these bylaws may, from time to time, prescribe and (c) shall have custody of the corporate seal of the corporation. The secretary, or an assistant secretary, shall have authority to affix the corporate seal to any instrument requiring it and when so affixed, it may be attested by his or her signature or by the signature of such assistant secretary. The board of directors may give general authority to any other officer to affix the seal of the corporation and to attest the affixing by his or her signature. The assistant secretary, or if there be more than one, the assistant secretaries in the order determined by the board of directors, shall, in the absence or disability of the secretary, perform the duties and exercise the powers of the secretary and shall perform such other duties and have such other powers as the board of directors, the president, or secretary may, from time to time, prescribe.

Section 10. The Treasurer and Assistant Treasurers. The treasurer (a) shall have the custody of the corporate funds and securities, (b) shall keep full and accurate accounts of receipts and disbursements in books belonging to the corporation, (c) shall deposit all monies and other valuable effects in the name and to the credit of the corporation as may be ordered by the board of directors, (d) shall cause the funds of the corporation to be disbursed when such disbursements have been duly authorized, taking proper vouchers for such disbursements, (e) shall render to the president and the board of directors, at its regular meeting or when the board of directors so requires, an account of the corporation and (f) shall have such powers and perform such duties as the board of directors, the president or these bylaws may, from time to time, prescribe. If required by the board of directors, the treasurer shall give the corporation a bond (which shall be rendered every six years) in such sums and with such surety or sureties as shall be satisfactory to the board of directors for the faithful performance of the duties of the office of treasurer and for the restoration to the corporation, in case of death, resignation, retirement, or removal from office, of all books, papers, vouchers, money, and other property of whatever kind in the possession or under the control of the treasurer belonging to the corporation. The assistant treasurer, or if there shall be more than one, the assistant treasurers in the order determined by the board of directors, shall in the absence or disability of the treasurer, perform the duties and exercise the powers of the treasurer. The assistant treasurers shall perform such other duties and have such other powers as the board of directors, the president or treasurer may, from time to time, prescribe.

Section 11. Other Officers, Assistant Officers and Agents. Officers, assistant officers and agents, if any, other than those whose duties are provided for in these bylaws, shall have such authority and perform such duties as may from time to time be prescribed by resolution of the board of directors.

Section 12. Absence or Disability of Officers. In the case of the absence or disability of any officer of the corporation and of any person hereby authorized to act in such officer's place during such officer's absence or disability, the board of directors may by resolution delegate the powers and duties of such officer to any other officer or to any director, or to any other person whom it may select.

ARTICLE V

CERTIFICATES OF STOCK

Section 1. Form. Every holder of stock in the corporation shall be entitled to have a certificate, signed by, or in the name of the corporation by (a) the chairman or vice chairman of the board, or the president or a vice president and (b) by the treasurer or an assistant treasurer, or the secretary or an assistant secretary of the corporation, certifying the number of shares owned by such holder in the corporation; provided that the board of directors may provide by resolution or resolutions that some or all of the outstanding shares shall be uncertificated shares. If shares are certificated and such a certificate is countersigned (i) by a transfer agent or an assistant transfer agent other than the corporation or its employee or (ii) by a registrar, other than the corporation or its employee, the signature of any such chairman of the board, president, vice president, secretary, or assistant secretary may be facsimiles. In case any officer(s) who have signed, or whose facsimile signature(s) have been used on, any such certificate(s) shall cease to be such officer(s) of the corporation whether because of death, resignation or otherwise before such certificate(s) have been delivered by the corporation, such certificate(s) may nevertheless be issued and delivered as though the person or persons who signed such certificate(s) or whose facsimile signature(s) have been used thereon had not ceased to be such officer(s) of the corporation. All certificates for shares shall be consecutively numbered or otherwise identified. The name of the person to whom the shares represented thereby are issued, with the number of shares and date of issue, shall be entered on the books of the corporation. Shares of stock of the corporation shall only be transferred on the books of the corporation by the holder of record thereof or by such holder's attorney duly authorized in writing, upon surrender to the corporation of the certificate(s) for such shares endorsed by the appropriate person(s), with such evidence of the authenticity of such endorsement, transfer, authorization, and other matters as the corporation may reasonably require, and accompanied by all necessary stock transfer stamps. In that event, if the shares so transferred are represented by certificates, it shall be the duty of the corporation to issue a new certificate to the person entitled thereto, cancel the old certificate(s), and record the transaction on its books. The board of directors may appoint a bank or trust company organized under the laws of the United States or any state thereof to act as its transfer agent or registrar, or both in connection with the transfer of any class or series of securities of the corporation.

Section 2. Lost Certificates. The board of directors may direct a new certificate(s) to be issued in place of any certificate(s) previously issued by the corporation alleged to have been lost, stolen, or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen, or destroyed. When authorizing such

issue of a new certificate(s), the board of directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen, or destroyed certificate(s), or his or her legal representative, to give the corporation a bond sufficient to indemnify the corporation against any claim that may be made against the corporation on account of the loss, theft or destruction of any such certificate or the issuance of such new certificate.

Section 3. Fixing a Record Date for Stockholder Meetings. In order that the corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the board of directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the board of directors, and which record date shall not be more than sixty nor less than ten days before the date of such meeting. If no record date is fixed by the board of directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be the close of business on the day immediately preceding the day on which notice is given, or if notice is waived, at the close of business on the day immediately preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the board of directors may fix a new record date for the adjourned meeting.

Section 4. Fixing a Record Date for Action by Written Consent. In order that the corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the board of directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the board of directors, and which date shall not be more than ten days after the date upon which the resolution fixing the record date is adopted by the board of directors. If no record date has been fixed by the board of directors, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the board of directors is required by statute, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the board of directors and prior action by the board of directors is required by statute, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the board of directors adopts the resolution taking such prior action.

Section 5. Fixing a Record Date for Other Purposes. In order that the corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment or any rights of the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purposes of any other lawful action, the board of directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the board of directors adopts the resolution relating thereto.

Section 6. Registered Stockholders. Prior to the surrender to the corporation of the certificate(s) for a share(s) of stock represented by certificates with a request to record the transfer of such share(s), or in the case of uncertificated shares prior to receipt of a request to record the transfer of such share(s), the corporation may treat the registered owner as the person entitled to receive dividends, to vote, to receive notifications, and otherwise to exercise all the rights and powers of an owner. The corporation shall not be bound to recognize any equitable or other claim to or interest in such share(s) on the part of any other person, whether or not it shall have express or other notice thereof.

Section 7. Subscriptions for Stock. Unless otherwise provided for in the subscription agreement, subscriptions for shares shall be paid in full at such time, or in such installments and at such times, as shall be determined by the board of directors. Any call made by the board of directors for payment on subscriptions shall be uniform as to all shares of the same class or as to all shares of the same series. In case of default in the payment of any installment or call when such payment is due, the corporation may proceed to collect the amount due in the same manner as any debt due the corporation.

GENERAL PROVISIONS

Section 1. Dividends. Dividends upon the capital stock of the corporation, subject to the provisions of the certificate of incorporation, if any, may be declared by the board of directors at any regular or special meeting, pursuant to law. Dividends may be paid in cash, in property, or in shares of the capital stock, subject to the provisions of the certificate of incorporation.

Section 2. Checks, Drafts or Orders. All checks, drafts, or other orders for the payment of money by or to the corporation and all notes and other evidences of indebtedness issued in the name of the corporation shall be signed by such officer(s), agent(s) of the corporation, and in such manner, as shall be determined by resolution of the board of directors or a duly authorized committee thereof.

Section 3. Contracts. The board of directors may authorize any officer(s), or any agent(s), of the corporation to enter into any contract or to execute and deliver any instrument in the name of and on behalf of the corporation, and such authority may be general or confined to specific instances.

Section 4. Loans. The corporation may lend money to, or guarantee any obligation of, or otherwise assist any officer or other employee of the corporation or of its subsidiary, including any officer or employee who is a director of the corporation or its subsidiary, whenever, in the judgment of the directors, such loan, guaranty or assistance may reasonably be expected to benefit the corporation. The loan, guaranty or other assistance may be with or without interest, and may be unsecured, or secured in such manner as the board of directors shall approve, including, without limitation, a pledge of shares of stock of the corporation. Nothing in this section contained shall be deemed to deny, limit or restrict the powers of guaranty or warranty of the corporation at common law or under any statute.

Section 5. Fiscal Year. The fiscal year of the corporation shall be fixed by resolution of the board of directors.

Section 6. Voting Securities Owned By Corporation. Voting securities in any other corporation held by the corporation shall be voted by the president, unless the board of directors specifically confers authority to vote with respect thereto, which authority may be general or confined to specific instances, upon some other person or officer. Any person authorized to vote securities shall have the power to appoint proxies, with general power of substitution.

Section 7. Inspection of Books and Records. Stockholders may inspect book and records to the extent permitted by the General Corporation Law of the State of Delaware.

Section 8. Section Headings. Section headings in these bylaws are for convenience of reference only and shall not be given any substantive effect in limiting or otherwise construing any provision herein.

Section 9. Inconsistent Provisions. In the event that any provision of these bylaws is or becomes inconsistent with any provision of the corporation's certificate of incorporation, the General Corporation Law of the State of Delaware or any other applicable law, such provision of these bylaws shall not be given any effect to the extent of such inconsistency but shall otherwise be given full force and effect.

ARTICLE VII

AMENDMENTS

These bylaws may be amended, altered, or repealed and new bylaws adopted at any meeting of the board of directors by a majority vote. The fact that the power to adopt, amend, alter, or repeal the bylaws has been conferred upon the board of directors shall not divest the stockholders of the same powers.

Such Registration Statement, as amended or supplemented, is hereinafter referred to as the "Registration Statement." The 2017 Exchange Notes are to be issued pursuant to the Indenture dated as of November 8, 2012 by and among, the Issuers, the Guarantors and The Bank of Nova Scotia Trust Company of New York, as trustee (the "Trustee") (as supplemented, amended, waived or modified, the "2017 Indenture"). In that connection, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, corporate records and other instruments as we have deemed necessary for the purposes of this opinion, including (i) the articles of incorporation, bylaws and operating agreements of the Issuers and the Guarantors, (ii) resolutions of the Issuers and the Guarantors with respect to the issuance of the Exchange Notes and the Guarantees, (iii) the Indentures, (iv) the Registration Statement, (v) the registration rights agreement, dated as of November 8, 2012, by and among the Issuers, the Guarantors and Merrill Lynch, Pierce, Fenner & Smith Incorporated, for itself and on behalf of the other initial purchasers of the Old 2017 Notes (the "2017 Registration Rights Agreement"), (vi) the registration rights agreement, dated as of April 3, 2013, by and among the Issuers, the Guarantors and Barclays Capital Inc., for itself and on behalf of the other initial purchasers of the Old 2023 Notes (the "2023 Registration Rights Agreement"), and (vii) forms of the Exchange Notes and the Guarantees.

For purposes of this opinion, we have assumed the authenticity of all documents submitted to us as originals, the conformity to the originals of all documents submitted to us as copies and the authenticity of the originals of all documents submitted to us as copies. We have also assumed the genuineness of the signatures of persons signing all documents in connection with which this opinion is rendered, the authority of such persons signing on behalf of the parties thereto other than the Issuers and the Guarantors, and the due authorization, execution and delivery of all documents by the parties thereto other than the Issuers and the Guarantors. As to any facts material to the opinions expressed herein that we have not independently established or verified, we have relied upon statements and representations of officers and other representatives of the Issuers and the Guarantors.

Our opinion expressed below is subject to the qualifications that we express no opinion as to the applicability of, compliance with, or effect of (i) any bankruptcy, insolvency, reorganization, fraudulent transfer, fraudulent conveyance, moratorium or other similar law affecting the enforcement of creditors' rights generally, (ii) general principals of equity (regardless of whether enforcement is considered in a proceeding in equity or at law) and (iii) public policy considerations that may limit the rights of parties to obtain certain remedies.

Based upon and subject to the foregoing qualifications, assumptions and limitations and the further limitations set forth below, we are of the opinion that when (i) the Registration Statement becomes effective, (ii) the Indentures have been duly qualified under the Trust Indenture Act of 1939, as amended, and (iii) the Exchange Notes and the Guarantees have been duly executed and authenticated in accordance with the provisions of the Indentures and duly delivered to holders of the Old Notes in exchange for the Old Notes and the guarantees related thereto, the Exchange Notes will be validly issued and binding obligations of the Issuers and the Guarantees will be validly issued and binding obligations of the Guarantors.

We hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement. We also consent to the reference to our firm under the heading "Legal matters" in the Registration Statement. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act of the rules and regulations of the Commission.

Our advice on every legal issue addressed in this letter is based exclusively on the internal law of the State of New York and Delaware corporate law and represents our opinion as to how that issue would be resolved were it to be considered by the highest court in the jurisdiction which enacted such law. The manner in which any particular issue relating to the opinions would be treated in any actual court case would depend in part on facts and circumstances particular to the case and would also depend on how the court involved chose to exercise the wide discretionary authority generally available to it. None of the opinions or other advice contained in this letter considers or covers any foreign or state securities (or "blue sky") laws or regulations.

This opinion is limited to the specific issues addressed herein, and no opinion may be inferred or implied beyond that expressly stated herein. This opinion speaks only as of the date hereof and we assume no obligation to revise or supplement this opinion.

We have also assumed that the execution and delivery of the Indentures and the Exchange Notes and the performance by the Issuers and the Guarantors of their obligations thereunder do not and will not violate, conflict with or constitute a default under any agreement or instrument to which any Registrant is bound, except those agreements and instruments that have been identified by the Issuers and the Guarantors as being material to them and that have been filed as exhibits to the Registration Statement.

This opinion is furnished to you in connection with the filing of the Registration Statement and in accordance with the requirements of Item 601(b)(5)(i) of Regulation S-K promulgated under the Securities Act.

Yours very truly,

/s/ Kirkland & Ellis LLP

WHEREAS, in connection with the Credit Agreement, the Borrower and certain of its Affiliates (other than the Additional Grantor) have entered into the Amended and Restated Guarantee and Collateral Agreement, dated as of May 3, 2011 (as amended, supplemented or otherwise modified from time to time, the "Amended and Restated Guarantee and Collateral Agreement") in favor of the Administrative Agent for the ratable benefit of the Secured Parties;

WHEREAS, the Credit Agreement requires the Additional Grantor to become a party to the Amended and Restated Guarantee and Collateral Agreement; and

WHEREAS, the Additional Grantor has agreed to execute and deliver this Assumption Agreement in order to become a party to the Amended and Restated Guarantee and Collateral Agreement;

NOW, THEREFORE, IT IS AGREED:

1. Amended and Restated Guarantee and Collateral Agreement. By executing and delivering this Assumption Agreement, the Additional Grantor, as provided in Section 9.14 of the Amended and Restated Guarantee and Collateral Agreement, hereby becomes a party to the Amended and Restated Guarantee and Collateral Agreement as a Grantor and a Guarantor thereunder with the same force and effect as if originally named therein as a Grantor and a Guarantor and, without limiting the generality of the foregoing, hereby expressly assumes all obligations and liabilities of a Grantor and a Guarantor thereunder. 2. Execution of Financing Statements. Pursuant to any applicable law, the Additional Grantor authorizes the Administrative Agent to file or record financing statements, continuation statements, and amendments to financing statements in any jurisdictions and with any filing offices as the Administrative Agent may determine are necessary or advisable to perfect the security interest granted to the Administrative Agent in connection herewith with respect to the Collateral without the signature of

such Grantor, to the extent permitted by law, in such form as the Administrative Agent determines appropriate to perfect the security interests of the Administrative Agent under this Assumption Agreement and the Amended and Restated Guarantee and Collateral Agreement. Such financing statements may describe the Collateral in the same manner as described in this Assumption Agreement and the Amended and Restated Guarantee and Collateral Agreement or may contain an indication or description of Collateral that describes such property in any other manner as the Administrative Agent may determine, in its sole discretion, is necessary, advisable or prudent to ensure the perfection of the security interest in the Collateral granted to the Administrative Agent in connection with this Assumption Agreement and the Amended and Restated Guarantee and Collateral Agreement, including, without limitation, describing such property as "all assets, whether now owned or hereafter acquired" or "all personal property, whether now owned or hereafter acquired." The Additional Grantor hereby ratifies and authorizes the filing by the Administrative Agent of any financing statement with respect to the Collateral made prior to the date hereof.

3. GOVERNING LAW. THIS ASSUMPTION AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS ASSUMPTION AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

4. Submission To Jurisdiction; Waivers. Each Additional Grantor hereby irrevocably and unconditionally:

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.
